Hi,

I'm Randy Mulcoy and after living on Maui for about 40 years I have not seen affordable housing for low income families since I've lived here. Passing this Makila Farm Work Force Project would open the door to many families to stay on Maui. I've seen and heard about lots of families moving off of Maui because they cannot afford to live here. I've known Greg Brown for 35 years. He has offered me employment off and on throughout the years. I believe that he will make it easier for families to afford their own properties.

**I do not want the West Maui Community Planning Action Committee (CPAC) to delay this or any other project that has any affordable housing in West Maui. We are in housing crisis mode.**

Mahalo,

Randy Mulcoy
