**Subject:** Please ban single use plastics on Maui

Aloha,

Please vote to support the ban on single use plastics on Maui. I was with Surfrider Maui this past weekend, cleaning up the beach at Kahului Harbor. So many micro-plastics fill the sand over there. Each year up to one million seabirds and one hundred thousand marine mammals die from ingestion or entanglement in plastics.

Let's protect our beaches & ban single use plastics.

Mahalo,  
Jenny Poppy
