RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

My name is Daniel Delbuono and I'm a business owner on the West side of Maui. I service homes from Kapalua to Olowalu and I have seen first hand what kind of changes West Maui has gone through. I support Makila Farms and I know you will too as I see that you will recognize the workforce and longevity impact it has on the community. The urgency to build these homes are there and Greg Brown has a reputation to get building done in a timely and organized manner. The low density build will still allow for the characteristics of Lahaina to stay intact with its present charm.

Please support Makila Farms as the build of this community will give small business owners like myself on the Westside some work.

Thank you,

Daniel Delbuono
