Dear Mr. Carroll,

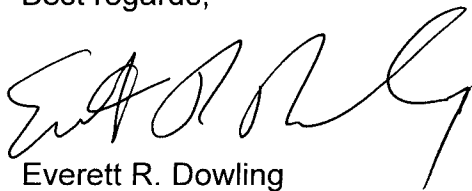

We had hoped to provide a response to your letter referenced above regarding the Wailuku-Kahului Project District 3 (Kehalani) traffic master plan by today.

Unfortunately, we are still in the process of researching our files as well as the Department of Planning's files to provide you the documents that have been requested.

We anticipate we will have a response to you by October 22, 2018.

We apologize for the delay and if you have any questions please do not hesitate Brian Ige at 244-1500.

Best regards,
