

Charter Amendment relating to the appointment, evaluation, and removal of the Director of Water Supply, and the appointment of the Deputy Director of Water Supply (PEA-10(9))

Proposal Details	To require the Board of Water Supply appoint, evaluate, and remove the Director of Water Supply, and to allow the Director of Water Supply to appoint the Deputy Director.
Current Process	The Mayor can appoint and remove the Director of Water Supply with the approval of the Council.
Why the change	All directors appointed by the Mayor, with the exception of Corporation Counsel and Prosecuting Attorney, are appointed by the Mayor and removed by the Mayor without Council approval. The current process requiring Council's approval to remove the Director of Water Supply has been proven ineffective. Returning back to a system where the Board of Water Supply appoints, evaluates, and removes the Director of Water Supply, and where the Director appoints the Deputy Director, would prove a more effective way to serve the public's interest.
Cost Implications	None
Changes to the Maui County Code	None
Proposed Ballot Question	"Shall the Charter be amended, effective January 2, 2019, to have the board of water supply appoint, evaluate, and remove the director of water supply, and the director of water supply appoint the deputy director of water supply?"
Effective Date	January 2, 2019
