Subject: I support Ho'omana

Aloha members of the Land Use Committee:

My name is Lori Ululani Sablas, a native Hawaiian, born and raised on Maui. I am in strong support of Ho'omana's SUP application.

I believe the parties involved in this project will present a strong case of why Ho'omana will be a great benefit to our County of Maui and urge you to support them.

Mahalo,

P.S. Apparently, my email did not go thru; however, I just watched your deliberation on this application and so happy and proud of your total support. Mahalo!
