Aloha Chair Cook, Vice Chair Sugimura and members of the Maui County WAI Committee,

I am writing to you to ask for your support in passing these two bills out of committee. As a multi-generational resident of Lahaina and owner of a number of businesses destroyed in the August 8, 2023 fires, I applaud your efforts to begin to address the unnessesary roadblocks holding back the rebuilding progress of Lahaina's Historic Commercial districts. Amending Chapters 12.52 and 16.25.201 in essence will allow replacement of certain features (Awnings) and "except" certain properties relating to their improvements to public streets.

Approving these two bills helps to ensure that the historic charm of Lahaina can be restored.

Mahalo,

James 'Kimo' Falconer
