Honorable Chair and Members  
of the County Council  
County of Maui  
Wailuku, Maui, Hawaii

Chair and Members:

Your Multimodal Transportation Committee, having met on March 11, 2019, makes reference to a Miscellaneous Communication dated February 7, 2019, from the County Clerk, referring Contract C6660, between the County of Maui and Hawaiian Dredging Construction Company, Inc., for the North Shore Greenway Phase IV project for the Department of Public Works.

When complete, the North Shore Greenway will be a seven-mile pedestrian and bike path between Kahului and Paia. Phase IV is the final phase in which the portion of the greenway from Ulupua Place to Baldwin Beach Park will be constructed. The Department of Public Works anticipates construction to finish in late June.

The Deputy Director of Public Works said the Federal government will pay 80 percent of the construction cost. As a result, the County will provide \$350,000 of the \$1,726,200 required for the construction contract.

Your Committee notes the contractor is Hawaiian Dredging Construction Company, Inc. The Department's website states: "The project includes clearing and grubbing; earthwork; leveling shoulders; installing barrier; relocating and installing highway and non-highway facilities; constructing new bikeway pavement; transplanting existing foliage; installing pavement markings and signs; installing concrete bridge crossing over Kailua Stream; installing railing; and all other incidental work necessary to complete the project."

Your Committee further notes the North Shore Greenway has been in development for more than two decades, and advocates for more

bicycling and walking opportunities in Maui County are eagerly awaiting its completion.

The Deputy Director provided a presentation on the history of the North Shore Greenway. Phase I, the Airport Bikeway, was constructed in 1996. Phase II is the Spreckelsville Bikeway, which extends from the Phase I terminus to the end of Pa`ani Place near the Maui Country Club. Phase III is the Paia Parks Bikeway, which will be connected to the Spreckelsville Bikeway by the Phase IV project.

Your Committee voted 7-0 to recommend filing of the communication. Committee Chair Sugimura, Vice-Chair Hokama, and members Kama, King, Lee, Paltin, and Sinenci voted "aye."

Your Multimodal Transportation Committee RECOMMENDS that the Miscellaneous Communication be FILED.

This report is submitted in accordance with Rule 8 of the Rules of the Council.
