Maui County Council on Molokai
Planning & Sustainable Land Use Committee

Dear Sir or Madam,

I am for the Mana'e Goods and Grinds Permit.
Our community, island, eastend people needs to this
eatery to provide cooked and daily food for our people.
It's very important that we allow them to have
it to provide services to our Eastend people and the
people of Molokai.

I am against Vacation Rental Cap and the
Chopra Hale Apartments. We don't need anymore
Short term rentals here with high rent and people's
land tax are gone higher.

Sincerely,
Gussie Dudoit
