Dear Maui County Clerk Maui County Council,

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities.

Sincerely,
Meagan Jones Gray

Subject: Please settle the Lahaina Injections Wells case

Dear Maui County Clerk Maui County Council,

I have witnessed the pollution from the injection wells first-hand when the die was injected into the wells. The die was clearly coming up from the bottom of the ocean off the shore of Kahekili Beach, and the reefs all around the area had been decimated. No healthy reefs could be found until leaving the area where the injection well discharge was coming up. Maui depends on a healthy ocean and ecosystem, and the County of Maui should be a steward for the island.

If for no other reason, the County would be wise to stop spending the money to fight what is clearly a losing battle, and to use the money to improve the waste water treatment system.

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities.

Sincerely,
John Conforti

Subject: Settle the Lahaina Injections Wells case Today

Dear Maui County Clerk Maui County Council,

Aloha,

I am a resident of Hawai'i Island, but I've resided on Maui in the past. However, my support for this settlement is that I understand the benefit of protecting all of our islands' waters as if they were our own -- which, in reality, they are. That's why I strongly support the County settling the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225.

Money being used to fight this lawsuit which could gut the Clean Water Act would be much better spent upholding our State Constitution by ensuring that no pollutants reach the ocean from our wastewater facilities.

Mahalo for your consideration of my views which, as you can see, aren't restricted to Maui residents alone.

Sincerely,
Janice palma-glennie

Dear Maui County Clerk Maui County Council,

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities. Please settle the Lahaina Injections Wells case.

We MUST stop polluting our near shore oceans now, both in Lahaina and in Kihei. We must withdraw our Supreme Court case, and get to work on the vital tasks of protecting our near shore oceans, and the health of our citizens and visitors. This is soon going to make it into the news for tourism and this will cost us hundreds of millions of dollars in reduced tourism. Be Pono Now to Our Near Shore Oceans. Enough is Enough!

Every Council Member is on notice to take a stand for our people, our aina, and our oceans. Anyone on council who does not GET PONO and defend our island and her people by voting for settling the Supreme Court case will be decisively VOTED OUT in the next election. We are watching and we will REMEMBER how you voted and how you acted on this crucial ECONOMIC and MORAL issue. Failing to support the settling of our case out of the Supreme Court is a failure of your sworn Kuliana to protect our people and our precious island ecology. Now is the time to change this.

Sincerely,
Gerry Dameron
