Subject: Manage tourism

To whomever it concerns

I am resident of Maui, I work at the hospital as a RN.
The last couple of weeks with increase of visitors, I am dismayed at the risk we are placing upon our community, and horrified at the amount of people at our beaches.

Hookipa is my local beach, and it is over run with people walking on the sand with shoes on(!!!!) to get the photo with the turtles and back to the car park.
They are not wearing masks. They are crowding the pavilion side of the beach.
Locals cannot sit there as there is a constant stream of people coming through.

I suggest that they are not allowed to park down by the beach, but can utilize the upper car park area.

Please help us to keep Maui special.

Aloha
Emma Barrett
