**Subject:** Hoomana Spa and Cultural Education Center

I am writing to the county committee today to show my deep, heart felt support for Jeana Naluai owner of Hawaiian Spa Maui LLC DBA Ho'omana Spa to operate a Hawaiian Spa and Cultural Education Center on agricultural property at 1550 Piihoho Road.

The heart of this woman and her ohana is of the purest and her intention is as pure. I have known Jeana for 17 years and this vision of creating a space to heal and educate people by traditional Hawaiian methods has also been her driving force.

This family loves the island of Maui and has created a special community of healers and cultural pride for the traditions of ancient Hawaii.

Please grant them the permit to continue the work and good will that they are perpetuating to the world.

Sincerely,  
Morningstar Peake
