RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

We support this project and wish for your support too.

Affordable housing is one the biggest issues for our island, especially here on the west side. Working families deserve a home to live in and own. We don't need more condominiums, and unaffordable rentals are driving people from the island.

Greg Brown's project has responsibly covered all the bases.

This project must be approved and as quickly as possible approve more similar projects on the west side.

Our community deserves real homes with real space and real opportunity to raise our families and pets and gardens.

Thank you in advance for your support. ☼

Sincerely,  
Wendy
