Mr. John Stufflebean, Director
Department of Water Supply
County of Maui
Wailuku, Hawaii 96793

Dear Mr. Stufflebean:

SUBJECT: BILL 163 (2025), BILL 164 (2025), AND BILL 165 (2025), TO AMEND THE MAUI ISLAND PLAN'S DIRECTED GROWTH MAP C5 (PULEHU ROAD), AMEND THE WAILUKU-KAHULUI COMMUNITY PLAN DESIGNATION, AND CHANGE THE ZONING FOR 166.511 ACRES SITUATED AT KAHULUI, HAWAII (HO'ONANI VILLAGE) (DRIP-19)

The project representative's presentation notes that the proposed Ho'onani Village Mixed Use Development project would consist of 1,608 multi-family residential units. The site plan map further indicates the project's nine phases, with multi-family residential units occurring in phases one through six.

May I please request the following:

1. If all units were rented at 140 percent of Maui County's area median income and below, would this exempt the project from the County's Water Availability Policy? Why or why not?
2. The project also proposes commercial, office, retail, hospitality, and light industrial uses throughout various project phases. How would the County's Water Availability Policy apply if the project contains phases that contain non-residential components that may not address affordable housing needs?
