Aloha, Councilmember Yuki Lei Sugimura,  
I live in a residential neighborhood in Pukalani. Earlier this year, a neighbor began to raise roosters. First it was two, now up to 4. It is disturbing when trying to sleep and sometimes comes into our yards and digs holes. I tried to locate information regarding roosters and chickens in residential areas on Maui and was not able to locate that information.

What is the ordinance on having roosters/chickens in residential areas? What can be done about this?

Thank you,  
Linda Coleon
