For Transmittal to:

Honorable Michael White, Chair  
and Members of the Maui County Council  
200 South High Street  
Wailuku, Hawaii 96793

Dear Chair White:

**SUBJECT: AMENDMENTS TO THE FISCAL YEAR 2018 BUDGET**

On behalf of the Department of Public Works, I am transmitting the attached proposed bills for the purpose of adding a \$450,000 appropriation in the Fiscal Year 2018 Budget under the Bond Fund for a capital project entitled, South Maui Drainline Repairs and increasing the appropriation for the Central Maui Drainline Repairs capital project by \$3,990,000.

Emergency drainline and related repairs are desperately needed at the following South Maui and Central Maui locations where corrugated metal pipes have deteriorated so severely that holes have opened up the pipe. Sinkholes have occurred in all the proposed project areas. These projects must be completed to avoid worsening conditions and additional sinkhole risks and to ensure adequate drainage infrastructure and safe roadway conditions for the area.

- \$450,000 to replace approximately 475 feet of drainline at Wailea Alanui Drive in South Maui.
- \$350,000 to replace approximately 700 feet of drainline on Molokai Akau Street in Kahului from the intersection of Onehee Avenue to Pohaku Street. The project also involves reconstruction of affected driveways, sidewalk repairs, and necessary adjustments to other utilities.
- \$1,500,000 to replace approximately 2,300 feet of drainline on Pohaku Street in Kahului from the intersection of Molokai Akau Street to the outlet at the Kahului Community Center. The project also involves repairs to an existing outlet structure, necessary adjustments to other utilities, resurfacing of the affected lane at Pohaku Street, and reconstruction of speed humps.

Honorable Michael White, Chair  
and Members of Maui County Council  
October 10, 2017  
Page 2

- \$420,000 to replace approximately 450 feet of drainline at Hiahia Place within the Oceanview Estates subdivision. The project also involves necessary adjustments to other utilities and resurfacing of the affected lane at Hiahia Place.
- \$1,200,000 to replace approximately 1,500 feet of drainline at Wailupe Drive and Analio Street within the Waiehu Heights subdivision. The project also involves necessary adjustments to other utilities, replacement of storm drain manholes, resurfacing of Wailupe Drive and the affected lane of Analio Street, and reconstruction of speed humps.
- \$520,000 to replace approximately 360 feet of drainline at the intersection of Alamaha Street and Wakea Avenue in the Kahului Industrial area. Involves dewatering of the site and repairs to the existing sidewalk.

The Department of Public Works requests that this budget amendment be considered as soon as possible. I respectfully request that this matter be referred to the appropriate Council committee for expeditious review, discussion and appropriate action.

Thank you for your attention in this matter. Should you have any questions, please feel free to contact me at Ext. 7212.

Sincerely,

LYNN A.S. ARAKI-REGAN  
Budget Director
