

ORDINANCE NO. _____

BILL NO. 74 (2018)

A BILL FOR AN ORDINANCE ESTABLISHING CHAPTER 20.40A, MAUI COUNTY CODE, DECLARING A CONTINUED MORATORIUM ON SAND MINING OF CENTRAL MAUI INLAND SAND

BE IT ORDAINED BY THE PEOPLE OF THE COUNTY OF MAUI:

SECTION 1. Chapter 20.40, Maui County Code, was repealed on July 19, 2018, which was six months after the effective date of Ordinance 4804 (2018), pursuant to Section 20.40.070, Maui County Code. The Council wishes to continue the moratorium on sand mining of Central Maui Inland Sand because the purpose of Ordinance 4804 (2018) has not been met, namely: 1) an ordinance regulating the mining, extracting, or removing of inland sand was not adopted, and 2) the Maui Inland Sand Resource Quantification Study (2006) was not updated.

SECTION 2. Title 20, Maui County Code, is amended by adding a new chapter to be appropriately designated and to read as follows:

“Chapter 20.40A

**MORATORIUM ON SAND MINING
OF
CENTRAL MAUI INLAND SAND**

Sections:

20.40A.010 Purpose.

20.40A.020 Definitions.

20.40A.030 Moratorium on sand mining of central Maui inland sand.

- 20.40A.040 Penalty.
- 20.40A.050 Administrative rules.
- 20.40A.060 Adjustment by council.
- 20.40A.070 Term.
- 20.40A.080 Moratorium area map.

20.40A.010 Purpose. The purpose of this chapter is to declare a moratorium on mining of central Maui inland sand to conduct further analysis required to establish regulations for mining inland sand to protect Maui's environment and limited natural resources and prevent the disturbance of Hawaiian historical, cultural, or archaeological sites, and unmarked human burial sites. The Maui Inland Sand Resource Quantification Study (2006) found the remaining inland sand inventory is limited to approximately 970,000 tons. Given the finite nature of this important natural resource, it is necessary to limit and regulate the mining of inland sand until such time as: 1) an ordinance regulating the mining, extracting, or removing of inland sand is adopted, and 2) the Maui Inland Sand Resource Quantification Study (2006) is updated.

20.40A.020 Definitions. Whenever used in this chapter, the following words shall have the meaning indicated:

"Central Maui inland sand" means inland sand classified Qdo by USGS located within the area shown on the map set forth in section 20.40A.080.

"Director" means the director of public works.

"Inland sand" means "sand", as defined in section 20.08.020 of this title, located inland (mauka) from the "shoreline area", as defined in section 205A-41, Hawaii Revised Statutes.

"Lot" shall have the same meaning as set forth in section 19.04.040 of this code.

"Qdo" means older dune deposits (Holocene and Pleistocene).

"Sand mining" means extraction and removal of sand from a lot, except for the following:

1. Activities required to comply with county, state, or federal regulations.
2. Activities related to land management for agriculture, landscaping, and related uses as described in subsection 20.08.030(C) of this title where no inland sand is transported outside the same lot.
3. Activities conducted pursuant to a valid permit issued prior to January 19, 2018.

20.40A.030 Moratorium on sand mining of central Maui inland sand. Notwithstanding provisions in title 19 and chapter 20.08 of this code, no person shall conduct sand mining of central Maui inland sand.

20.40A.040 Penalty. A. Any person who violates any provision of this chapter or rules relating thereto shall, for each day of violation, or portion thereof, be subject to a fine not exceeding \$1,000. In addition, that person shall be liable for any costs incurred by the County to correct the violation. In lieu of, or in addition to, enforcement by criminal prosecution, the director may prosecute violations administratively pursuant to 19.530.030 of this code or any other provision or rule adopted hereafter.

B. The remedies provided for in this chapter shall be cumulative and not exclusive. Nothing in this chapter shall impair the right of the County to seek enforcement by criminal prosecution, administrative proceeding, if any, or civil action, including filing suit for damages or injunction as provided by law.

20.40A.050 Administrative rules. The director may adopt administrative rules to implement this chapter.

20.40A.060 Adjustment by council. The council may, by resolution approved by two-thirds of its members, authorize a waiver of any provision of this chapter. To qualify for a waiver, the council must find:

A. The proposed activity would not affect a "burial site", as defined in section 6E-2, Hawaii Revised Statutes.

B. The proposed activity does not conflict with the purposes of this chapter.

20.40A.070 Term. The ordinance codified in this chapter shall be repealed upon council's determination that the purposes established in section 20.40A.010 have been satisfied, or December 31, 2018, whichever is sooner. The council may, by resolution, extend the term prior to the repeal of this ordinance upon a finding that the purposes established in section 20.40A.010 have not been satisfied.

20.40A.080 Moratorium area map. The lots subject to the requirements and restrictions of this chapter are identified by tax map key number and shown on the following map. The area identified as "central Maui inland sand," as shown on the map, controls; all or part of a lot may be affected by the moratorium.
