Aloha,

On behalf of the Hana Chapter of the Hawaii Farmers Union United and our approximately 75 active members who are farmers and farm supporters in East Maui, at our General Membership meeting held on Wednesday, October 3, our membership agreed on the following position regarding the Alexander & Baldwin long term water lease draft EIS:

The Hana Chapter opposes any water lease without a clear farm plan showing specific need for water usage.

Sincerely,

Matthew Van Paepeghem  
President, Hana Chapter, Hawaii Farmers Union United
