Esteemed Committee members, I have been a long term resident and a leader on Molokai. Please accept my testimony in SUPPORT of appointing Carl Adolpho III to the Molokai Planning Commission.

I have known Carl in personal and professional capacities for over five years.

I vouch for his engaged, honest behavior and his integrity. He has demonstrated thoughtful and reasonable engagement in the issues we've faced in the Molokai Community.

Please accept my recommendation with no reservations for his appointment.

Respectfully submitted with best regards,

Raymond J. Foster
