Aloha,

My name is David Jackson. I've been a westside resident 20 years, worked and lived on this side. I'm in favor of the Makila Farm subdivision because of the great housing and opportunities it provides.

- **I am in support of the adoption of the resolution approving Makila Farms with modifications.**
- **I DO NOT think it is necessary to wait for the West Maui Community Plan be updated (which could take another 2 years) before Makila Farms is approved.**

Sincerely,

David Jackson
