RE: Support Makila Farms AH-1 (3)

Dear Tasha Kama, Chair - Housing Committee

My expectation is that this housing development gets approval. Looking at the numbers and all the developer has provided, it is completely at a superior level compared to other developments that have been built and are being built currently. The price point, the size and choices they are offering, going above and beyond for sustainable affordability and beatification of the area developed. This project is a working Maui residents dream. Please do the right thing for MAUI and allow them to create amazing affordable homes for our Ohana.

Thank you for your time,

Robert Monteiro Jr.
