Dear Chair Lee:

SUBJECT: RESOLUTION APPROVING DISPOSITION (PARTIAL CANCELLATION) OF WATERLINE EASEMENT

Transmitted herewith is draft RESOLUTION APPROVING DISPOSITION (PARTIAL CANCELLATION) OF WATERLINE EASEMENT in the Maui Lani Phase 6 Subdivision Increment 5.

The purpose of the existing easement was so that the County of Maui, Department of Water Supply had a right and easement to construct, install, maintain, operate, repair, remove, replace, and reinstall waterlines. The subdivision layout was revised, due to the subdivider having to provide preservation areas. Therefore, the County of Maui does not anticipate installation of the waterline in the existing easement and is requesting approval to cancel the easement. Pursuant to Section 3.44.010, Maui County Code, this is considered a disposition of real property, which requires the authorization of the Council by resolution.

I respectfully request this matter be referred to the appropriate Council committee for review and action. Thank you for your attention in this matter. Should you have any questions, please contact me.

Sincerely,

John Stufflebean
