July 13, 2016

Dear Mayor Arakawa:

Please accept this as my resignation on the cost of government commission. I have tried to work the meeting time into my schedule, however the mid morning time is difficult, as I must close my office to attend.

I had hoped there would be coverage but my associate is working out of his home during this time.

I am still working with Mike to find a more time appropriate commission and am interested in the police commission if an opening occurs.

Thank you for giving me the opportunity to participate in Maui county government for the last two and one half years. This group is doing work of substantial value to the county, such as last year, when we recommended a completed grant review to determine if the completed grant matched the application and was independently audited for value to the community.

I look forward to finding a committee with hours easier to work in my time frame.

Best regards always,
Gayle

Gayle Long, RWMA®
