Subject: Riki Hokama's Bill 6.04.041

Hello Riki Hokama,

I am contacting you to let you know that even visitors to your wonderful island thinks your

Bill 6.04.041 to make it criminal to starve any animal is inhumane. I spend 2 months a year on your island as a timeshare owner and love every minute there, but this idea is not acceptable. The Maui Humane Society works very hard to do their best to spay and neuter the feral cats, and dogs too. I know there are a lot of feral cats, but they didn't ask to be born and don't deserve to suffer from starvation, (we don't do that to our homeless humans). Please rethink your idea and maybe spend your energy working with the Maui Humane Society instead of against it.

Thank you, Nancy Barnes

Hello Kelly King, I wanted you to have a copy of the letter I sent to Riki Hokama so you know the feelings of others. Thank you, Nancy Barnes
