Chair Paltin, please find attached two exhibits I would like to reference for tomorrow's briefing to your committee. The exhibits, in order of presentation are:

1. Exhibit One – Concept plan referenced in zoning ordinance 19.90A,
2. Exhibit Two – Current concept plan developed through implementation of conditions of approval. I am working on getting a better version for your use and will send as soon as received.

Thank you and please advise if there are any issues with this transmittal.
