Waiehu in Comparison to Wailua Municipal

Pictures of Wailua were taken on June 5th & 6th 2017

Decades of Weeds on Waiehu Greens

Brown spots are patches of weeds on the Bermuda grass greens

Wailua's Greens

Most of the greens, collars and approaches were in this condition

Comparing Fairways

Wailua Weed Free Fairway

Waiehu Weed Infested Fairway

Weeds Around Putting Green

Wailua Putting Green

Waiehu Putting Green

Signature Holes

Wailua #17 Green

Waiehu #6 Green

“ Converting the greens to seashore paspalum would be a great step forward to improving playing conditions and enhancing the aesthetics of the golf course. In turn creating Waiehu Municipal into the gem it was always meant to be. ”

For more information on Waiehu Municipal improvements please see the **USGA ON-SITE VISIT REPORT** from October 12, 2016.
