**To:** HHT Committee  
**Subject:** Save Front Street Apartments

I would like to send testimony pleading for my home at Front Street Apartments in LAHAINA to remain affordable> My family has lived here for the last 10 years and we cannot afford the current market rental rate. I am a single mother and trying to pay my bills and pay rent and feed my family will be virtually impossible.

Please help keep our affordable housing!!

Thank you,

Elizabeth Clapper
