Please indicate why you are interested in serving and what skills you may have to contribute:

I wish to volunteer on the Maui Planning Commission to try and make a positive contribution to the people of Maui by listening and learning from the diverse expertise existing on Maui and helping to make recommendations that are consistent with State and County policies and goals, and which ultimately benefit all the people of Maui.

As a 25-year resident of West Maui, I have become familiar with Maui's planning and growth processes (Island Plan, Community Plan, role of the Planning Commission). I have participated in many Maui County Council, Maui Planning Commission, and CPAC meetings, sometimes as a testifier, sometimes as a resource. This experience, combined with my strong background in marine science (PhD work was done at Olowalu), permaculture (regenerative farming), and Living Buildings (regenerative green building design) could help to provide alternative expertise that may be lacking on the Commission. Having served on various local committees, I have a good working understanding of the issues Maui is facing including threats to natural resources, our affordable housing crisis, our sustainable tourism concerns, our potable and wastewater management challenges, food security concerns, and a great concern for the deteriorating quality of life for most Maui residents. I hope to apply this experience in guiding recommendations.

My interest in serving on the police commission is to be apart of a process to re-establish the faith and trust in the Police Chief and the Department.

I have been apart of the Lahainaluna Athletic Program for over 30 years which has allowed me to be a trusted member of the Lahaina Community. I grew up on Moloka'i and have deep ties to the Kanaka Maoli of Maui Nui. My skill would be to provide a voice from the Kanaka Maoli of Maui especially the Lahaina District that has not been represented since Sharon Sylva.
