Dear Chair Cochran:

**SUBJECT: MORATORIUM ON EXPORTING SAND, THE MAUI INLAND  
SAND RESOURCE QUANTIFICATION STUDY AND SAND  
MINING REGULATION (IEM-33)**

This is in reply to your letter dated July 19, 2017:

1. *Provide the number of permits issued during the last twelve months for resource extraction that included stockpiling of the resource.*

We do not issue permits for resource extraction.

2. *Identify how many of the permits included the stockpiling of sand.*

This is in reference to grading permits, our application does not require the applicant to state what type of material will be graded, therefore, we are unable to provide this information for sand only.

3. *Specify the amount of sand excavated and stockpiled per permit.*

Our grading permit application does not require the applicant to state what type of material will be graded, therefore, we are unable to provide this information for sand only.

4. *If you are able to identify the cumulative total amount of stockpiled sand currently available for all the permits please provide that information.*

Our grading permit application does not require the applicant to state what type of material will be graded, therefore, we are unable to provide this information for sand only.

If you have any questions, please contact us.

Sincerely,

DAVID C. GOODE  
Director of Public Works
