14. If so required by Agency, Grantee shall certify to Agency that any expendable or nonexpendable personal property purchased or acquired with funds received under this Contract will be used for victim assistance purposes before title in such property may vest in Grantee. Grantee shall submit a certification to Agency within thirty (30) days after the date this Contract terminates. If a certification is not provided by Grantee, title to any personal property purchased or acquired with funds received under this Contract shall vest in Agency and such personal property shall be delivered to the Agency in good

15. Grantee shall ensure that One hundred sixty-two thousand four hundred seventy and no/100 dollars (\$162,470.00) are available as matching funds to provide the services under this Contract. Grantee shall maintain records which clearly and accurately show the source, amount and the timing of match contributions. If, at the end of the Contract period, Agency determines that Grantee does not have the required matching contribution, Grantee shall return all of the federal portion of the project cost for which the Grantee does not have the required match.

D. PERSONNEL.

1. Grantee shall secure at its own expense all personnel required to perform the services required under this Contract. All such personnel shall not be considered employees of, or have any contractual relationship with the State of Hawaii unless Grantee is otherwise an agency of the State.

2. Grantee shall ensure that none of the work or services to be provided under this Contract shall be subcontracted or assigned without the prior written approval of Agency.

E. SUBCONTRACTS.

Grantee may provide some or all of the services required under this Contract by subcontract provided that Grantee secures the prior written consent of Agency. In the event Grantee enters into a subcontract with a private organization to perform any of the services or activities required under this Contract, Grantee agrees that the period of each subcontract shall not exceed the term of this Contract, and funds to the private organization will not be released unless and until the requirements set forth in applicable state law and implementing rules are complied with by the subcontractor. All subcontracts shall include provisions to ensure that Grantee is capable of satisfying the requirements of this Contract. All subcontracts shall be reduced to writing and shall include all provisions of this Contract required of Grantee.

F. SERVICES AS INDEPENDENT CONTRACTOR.

1. In the performance of the services required under this Contract, Grantee shall be an independent contractor with the authority to control and direct the performance and details of the work and services required under this Contract; however, Agency shall have the right to inspect work in progress to determine whether, in Agency's opinion, the work is being performed by Grantee in accordance with the provisions of this

Contract. All persons hired or used by Grantee shall be Grantee's agents and employees and Grantee shall be responsible for the accuracy, completeness, and adequacy of any and all work and services performed by its agents and employees. Furthermore, Grantee intentionally, voluntarily, and knowingly assumes the sole and entire liability if such liability is determined to exist, to its agents and employees or to third persons, for all loss, cost, damage or injury caused by Grantee's agents and employees in the course of their employment. The performance of work under this Contract alone shall not be construed as employment with the State of Hawaii and shall not entitle Grantee's agents and employees to vacation, sick leave, retirement, or other benefits directly afforded state employees by statutes. Grantee shall be responsible for payment of all applicable federal, state, and county fees which may become due and owing by the Grantee by reason of the Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments and taxes and (iii) general excise taxes. The Grantee also is responsible for obtaining all licenses, permits and certificates that may be required in order to perform this Contract.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

G. COMPENSATION.

1. Subject to continuing availability of funds, Agency agrees to pay Grantee, for services satisfactorily performed under this Contract, a sum not to exceed Six hundred forty-nine thousand eight hundred eighty and 00/100 dollars (\$649,880.00) to be spent for the purposes of this Contract. This sum represents any and all compensation to be paid to Grantee for any and all services it provides, and for any and all travel costs, materials, supplies, equipment, overhead, taxes, and other incidentals and operating expenses which it incurs or may incur in connection with this Contract.

2. It is covenanted and agreed by and between the parties hereto that, as to the portion of the obligation under this Contract to be payable out of federal funds, this Contract shall be construed to be an agreement to pay such portion to the Grantee only out of federal funds to be received from the federal government when the federal funds are so received and shall not be construed as a general agreement to pay such portion at all events out of any funds other than those which are received from the federal government.

H. METHOD OF PAYMENT.

1. All funds available for use under this Contract shall be subject to the allotment system as provided in Chapter 37, Hawaii Revised Statutes.

2. Payments to Grantee under this Contract shall be made in accordance with and subject to the following provisions:

a. Payments shall be made monthly upon receipt of Grantee's completed request for funds.

b. All payments shall be made in accordance with and subject to Chapter 40, Hawaii Revised Statutes, which specifies the accounting procedures and controls applicable to payments out of the Treasury of the State of Hawaii.

c. If an amount of reported expenditures is preliminarily determined by Agency to be inappropriate and unallowable, Agency may deduct an equivalent amount from the next payable installment and may withhold payment of the amount of the moneys equivalent to the questioned expenditures until later resolution of the discrepancy by audit or other means. If, after payment of the last installment, investigation and examination reveal additional expenditures that are determined by Agency to be inappropriate and unallowable, Agency may require that an equivalent amount of moneys be refunded to

Agency notwithstanding Agency's preliminary determination of appropriateness and allowability.

d. Failure to submit required reports by the applicable deadline will result in the withholding of payments until such time as the reports are received by Agency. Grantee shall continue to provide the services, programs and activities during the period that payments are being withheld.

I. INDEMNIFICATION.

1. It is strictly understood that the State of Hawaii shall in no way be held liable for any damages, cause of action or suits resulting from the acts, activities, or omissions of Grantee. Grantee shall indemnify and save harmless the State of Hawaii, Agency, and their officers, agents, and employees from and against any and all liability, loss, actions, claims, suits, damages, costs or expenses, including all attorneys' fees, and all claims, suits, and demands therefor, arising out of or resulting from the acts or omissions of Grantee, its officers, employees, agents, or subcontractors occurring during or in connection with the performance of Grantee's services under this Contract, or arising out of or resulting from breach of this Contract by Grantee. Grantee shall defend the State of Hawaii, Agency, and their officers, agents, and employees against any such action or claim unless

the action or claim involves an act or omission solely of Agency, its officers, agents, or employees.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

3. The County of Maui will indemnify to the State of Hawaii, Agency and their officers, agents, and employees to the extent permitted by law, and it is understood that payment is subject to approval by the county council/or city council, as the case may be.

J. CONFIDENTIAL MATERIAL.

Any information, data, report, record, summary, table, map, or study given to or prepared or assembled by Grantee under this Contract which is identified as proprietary or confidential information that Agency requests to be kept confidential shall be safeguarded by the Grantee and shall not be made available to any individual or organization other than any subcontractor to which the material may relate, without prior written approval of Agency. Grantee shall submit a completed Privacy Certification for review and approval prior to the expenditure of funds for the collection of identifiable research/statistical data. All information, data, or other material provided by the Grantee or the Agency shall be kept confidential only to the extent permitted by law. Grantee shall

comply with the requirements of Chapters 487J, 487N and 487R, Hawaii Revised Statutes as applicable.

K. COPYRIGHT AND PATENT.

The Agency shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the Grantee pursuant to this Contract, and all such material shall be considered "works made for hire." No summary, report, map, chart, graph, table, study or other documents or discovery, invention, or development produced in whole or in part with funds made available under this Contract shall be the subject of an application for copyright or patent by or on behalf of Grantee, its officers, agents, or its employees, or its subcontractors without prior written authorization from Agency. To the extent that any material, summary, report, map, chart, graph, table, study, or other documents, or discovery, invention, or development under this Contract is not recognized as a "work made for hire" as a matter of law, Grantee hereby assigns to the Agency any and all copyrights in and to the material.

L. MODIFICATION OF CONTRACT.

Any modification, alteration, amendment, or change to this Contract other than to the "Application For

Grant" (attached hereto as part of Exhibit "A") or to the period during which this Contract is in effect in Section B, including increases (subject to the availability of funds) or decreases in the amount of compensation, permitted by this Contract shall be made by written supplemental agreement to this Contract and executed by Grantee and the Attorney General or the Attorney General's designee. Modifications, alterations or changes to provisions of the "Application For Grant" may be requested by Grantee, approved by the Administrator of the Crime Prevention and Justice Assistance Division on Agency's behalf, and made by substituting or inserting the revisions in Exhibit "A." Modifications, alterations or changes to the period during which this Contract is in effect may be requested in writing by Grantee or Agency, up to forty-five (45) days before the Contract would otherwise terminate, and shall be effective as of the date approved by the Administrator of the Crime Prevention and Justice Assistance Division (if requested by Grantee) or Grantee (if requested by Agency) and made by attaching a party's written request with the other party's written approval thereon to this Contract. No oral modification, alteration, amendment, change, or extension of any term, provision or condition of this Contract shall be permitted.

M. CONFLICT OF INTEREST.

Grantee represents that it presently has no interest and promises that it shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the services under this Contract.

N. TERMINATION OF CONTRACT.

1. If, for any cause, Grantee refuses or fails to satisfactorily fulfill in a timely or proper manner its obligations under this Contract or any extension thereof, or if Grantee breaches any of the promises, terms or conditions of this Contract and, having been given reasonable notice of and opportunity to cure any such default, fails to take satisfactory corrective action within the time specified by Agency, Agency shall have the right to terminate this Contract by giving written notice to Grantee of such termination ten (10) calendar days before the effective date of such termination. The Grantee shall continue performance of the Contract to the extent it is not terminated. Notwithstanding termination of the Contract, and subject to any directions from the Agency, the Grantee shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Grantee in which the Agency has an interest.

2. Furthermore, Agency may terminate this Contract without statement of cause at any time by giving

written notice to Grantee of such termination at least thirty (30) calendar days before the effective date of such termination.

3. In the event of termination of either type, all finished or unfinished documents, reports, summaries, lists, charts, graphs, maps, or other written material prepared by Grantee, under this Contract shall, at the option of Agency, become Agency's property and, together with all information, data, reports, records, maps, and other materials (if any) provided to Grantee by Agency, shall be delivered and surrendered to Agency on or before the effective date of termination.

4. Grantee shall be entitled to receive only such compensation as shall have been satisfactorily earned prior to the effective date of termination. Agency shall determine the amount of work satisfactorily completed and the amount of compensation satisfactorily earned. If the termination is for cause, any other provisions to the contrary notwithstanding, Grantee shall not be relieved of liability to Agency for damages sustained by Agency because of any breach by Grantee of this Contract.

O. WAIVER.

The failure of the Agency to insist upon strict compliance with any term, provision, or condition of this

Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the Agency's right to enforce the same in accordance with this Contract. It is expressly understood and agreed that no waiver granted by Agency on account of any violation of any promise, term or condition of this Contract shall constitute or be construed in any manner as a waiver of the promise, term or condition or of the right to enforce the same as to any other or further violation.

P. DISPUTES; GOVERNING LAW; VENUE.

Any dispute concerning a matter of fact arising under this Contract or any subcontract, which is not disposed of by mutual agreement within fifteen (15) calendar days, shall be decided by the Attorney General, or the Attorney General's duly designated representative, who shall reduce the decision to writing and mail or otherwise furnish a copy of the decision to Grantee. The decision of such person shall be final and conclusive. Pending final decision of such dispute, Grantee shall proceed diligently with the performance of this Contract in accordance with Agency's request. The validity of this Contract and any of its terms or provisions, as well as the rights and duties of the parties to this Contract, shall be governed by the laws of the State of Hawaii. Except as otherwise provided in this Section, any action to enforce this

Contract or for breach of this Contract shall be brought only in a State court of competent jurisdiction in Honolulu, Hawaii.

Q. ADDITIONAL CONDITIONS.

Additional conditions may be imposed upon Grantee by reducing them to writing and designating them as exhibits to this Contract. Any such exhibit shall be attached hereto and thereby incorporated herein.

this Contract.

In 2017, Maui County Prosecutors received 80 sex assault cases and 441 domestic violence cases, which includes child abuse/sex assault cases. In 2018, an increase of 581 domestic violence cases was reported with 400 of those cases being from Wailuku. Domestic Violence cases reported among the neighboring islands included (130) in Lahaina, (27) in Moloka'i, (11) in Lana'i, and (13) Hana with (13) domestic violence cases. The Department reports a total of 85 sex assault cases, one of those cases being the first sex trafficking case for Maui Prosecutors. There were a total of 1,819 Felony cases received by Maui Prosecutors, such cases included strangulation, robbery, and homicide cases. This does not account for unreported crimes that are due to language barriers, undocumented status, limited resources, fear of law enforcement and the lack of knowledge regarding services to crime victims. The United States Census Bureau lists the 2017 population for Maui County as 166,260. Currently, there are 8 victim witness counselors whose caseload range from 50 to 375 cases. One counselor has an active caseload of 376 plus with 75% of the cases in domestic violence and sex assault. Property crime is also on the rise, with over 175 cases last year compared to 160 cases the year before. No counselors are assigned to property crime cases unless victim support is requested by a deputy prosecutor. Due to the overwhelming number of person's crime, property crime victims lack victim service support. With only 8 victim/witness counselors to cover all three islands, there definitely is a need for more help with victims of crime. Continued VOCA funding will assist the Dept. of the Prosecuting Attorney in hiring victim witness counselors and improve resources and services to victims of crime throughout the County.

The Project will address some of the special needs of crime victims, particularly in the areas of domestic violence, sexual assault/sex trafficking, child physical and sexual abuse, homicide, property crime and provide victim notification in geographical isolated areas such as Hana, Lanai, and Molokai. For the Hana District, which is on the island of Maui, it takes at least 2 hours of travel to Hana due to winding roads (approximately 50 miles) and 2 hours to return to Central Maui. Most of the victims/witnesses in Hana do not have transportation of their own nor access to public transportation. At least 90% of services are provided through mail or by phone. Although Molokai and Lanai are part of the Maui County, these islands are separated by waters and there is no face-to-face contact with victims/witnesses until the day of the trial.

There is a definite need of emergency housing which consists of relocation expenses for our crime victims, especially domestic violence victims. We will determine eligibility by visiting victim's financial expenses/obligations as well as exploring other resource assistance they have currently obtained due to their victimization. Victim will only be allowed to utilize one VOCA funding assistance from an agency.

These needs consist of (a) victim/witness counselors who will make contact with victims and become a liaison between our office, law enforcement, and community crime victim service providers. In 2017 Victim Witness counselors provided over 2,200 outreach services to victims of crimes and referred over 2,725 victims of crime to other agencies for assistance (b) 24-hour crisis hotline for sexual assault victims in Lanai and Hana. Last year, Child Family Services

provided all crisis services to over 7,100 victims in the community including those calling into the hotline. However, CFS lacks personnel to provide in depth therapeutic services to sex assault victims in Hana and Lanai as reported by CFS and call-ins to Victim Witness Division. (c) 24-hour crisis hotline for domestic violence victims in Maui, Lanai and Hana. Women Helping Women through its shelter and program for victims of family violence provided emergency housing for over 350 women and children last year (estimated 8,500 bed days) and received over 6,150 crisis and informational calls from the community through their crisis hotline. However, WHW lacks personnel in these area to provide in depth domestic violence counseling to domestic violent victims in areas such as Molokai and Hana as reported by community and call ins into WHW and Victim Witness Division. (d) Counseling and emotional support within the criminal justice system for victims and their families on all three islands. Last year Victim Witness Division in the Prosecutors Department served over 4,600 victims of crime with 1,700 cases being of sex assault and domestic violence victims. Services included registration of victims with VINELink, a victim notification program, assisting victims with Crime Victim Compensation application and other connections to crime victim assistance programs. A total of over 1,200 victims were assisted in filling out Crime Victim Compensation forms and over 700 victims/witnesses were provided court accompaniment.

All of these numbers are only estimates of a far greater incidence of violent crimes. To improve as well as expand services to persons requires increased resources beyond present staffing. The Victim/Witness Assistance Division of the Department of the Prosecuting Attorney provides services to over 4,500 persons annually, mostly victims of violent felonies such as children and women who are sexually assaulted or victims of intra-familial abuse, or homicide survivors. With the assistance of Child Family Services and Women Helping Women, Dept. of the Prosecuting Attorney Victim Witness Division are able to provide these crucial services. Unfortunately, in addition to many crimes being unreported, visitors visiting Maui also become victims of crime and leaves Maui to return home without adequate services. Our office has collaborated with Visitor Aloha Society of Hawaii (VASH) and the Maui Hotel & Lodging Association to offer our visitors services for when they return for their court hearings.

In addition to the services provided to our crime victims and their safety, many may have no knowledge regarding the responsible or post-conviction services. Victim will be linked with VINELink, a notification system that victims register and be notified of responsible's movement while incarcerated. Upon written request of the victim, Victim Witness counselor will continue to provide court hearing proceedings and accompany victim to any hearings such as minimum term hearing and parole hearings. Victim witness counselor could also be a liaison to the victim and the probation/parole officer for the safety of the victim.

Victims of crime experience a number of feelings after being attacked, including helplessness, trauma, self-blame, and depression. In addition to these reactions, they often do not have the knowledge of what to do next, or what community resources are available to assist them with their healing. The scope of the problem is county-wide that includes three islands, Maui, Lanai and Molokai including the remote rural areas of Hana. It touches upon every aspect of the criminal justice system from the incidence and reporting of the crime through prosecution, including networking with numerous agencies to aid in the process of recovery for the victim. The continuation of VOCA funding for the victim witness counselor positions as well as to Women Helping Women and Child Family Services will allow for the crime victim services to

continue and the ability to provide a liaison between the victim and the community services needed for the healing/safety of the victim.

#### **J. PROBABILITY TO IMPROVE THE CRIMINAL JUSTICE SYSTEM AND SUSTAINABILITY PLAN**

VOCA funds allows our office to provide victim services to three islands, Maui, Lanai and Molokai. It permits us to expand resources to underserved communities and reach remote areas such as Hana in providing services. Through VOCA funds, victims/witnesses of crime are able to attend and participate in minimum term hearings as well as to speak at sentencing. Without the assistance of VOCA funds many victims and witnesses on the other two islands as well as the remote area of Hana would not be able to participate in the criminal justice system.
