RE: Support Makila Farms!

Dear Chair Kama,

My name is Leslie Leopoldino. I am a strong supporter of the Makila Farms Project because I want to see the younger generation be able to afford homes. These past 30 years I have lived here and worked in construction I have heard about developers building affordable homes for our younger generation and it never passes through. Housing here on Maui is expensive and I believe this developer is doing everything that need to be required to build these homes. I would like to see this project be approved and don't want to be disappointed.

I do not want the West Maui Community Planning Action Committee (CPAC) to delay this or any other project that has any affordable housing in West Maui. We are in housing crisis mode.
