RE: Support Makila Farms!

Dear Chair Kama,

My name is Revatua Kemiche. I have lived on Maui for 2 years. I work construction for 2 years. I am supporting the Makila Farms Work Force Project as I think that it would be great for me and other families to have the opportunity to get one, two, three, or four bedroom homes. When I first moved here I moved into an apartment with my wife and we had a roommate. All 3 of us living there we could not afford the rent there, so my wife and I moved with my mother in law. We have been trying to find our own place but the rent and housing is so expensive we can't afford it. After looking at the Makila Farms Project I believe that this would be a perfect place to live and affordable too! I have read so many positive things and I would like for this project to go through so I can get a home that is affordable for me!

I do not want the West Maui Community Planning Action Committee (CPAC) to delay this or any other project that has any affordable housing in West Maui. We are in housing crisis mode.

Thank you,

Revatua Kemiche
