Aloha Yuki Lei,

I am writing to cast "my vote" toward confirming Gladys Baisa as the head of the Water Department. She has been a tremendous support to agriculture and in passionate service to the community in her multiple roles over the years. She stepped into a very difficult situation in the water department and, to my knowledge and observation, has done an awesome job.

Thank you also for your service to the community and your consideration on this matter.

Much aloha,

Eve Hogan
