Mr. Michael Miyamoto, Director
Department of Environmental Management
County of Maui
Wailuku, Hawaii 96793

Dear Mr. Miyamoto:

**SUBJECT: DEPARTMENT OF ENVIRONMENTAL
MANAGEMENT, SOLID WASTE AND WASTEWATER
RECLAMATION DIVISIONS, FISCAL YEAR 2020 PRE-
BUDGET PRESENTATION (WAI-30(2))**

At its meeting of March 11, 2019, the Water and Infrastructure Committee received a presentation from the Wastewater Division Chief on the Wastewater Division's programs, projects, priorities, and goals as it pertains to the Fiscal Year 2020 Budget.

The Wastewater Division Chief informed the Committee the Division follows a notification procedure in the event of a sewer spill, including posting of warning signs and notifying the State Department of Health. Your Committee expressed concern about Parks and Ocean Safety personnel being unaware of sewer spills in the vicinity of the beach parks at which they are working.

Please consider adding to the Division's notification procedure, notification to the Department of Parks and Recreation and the Department of Fire and Public Safety so that the appropriate personnel are aware of sewer spills near beach parks at which they are working.
