Subject: Protect and Respect Hanaka'ō'ō Beach Park

I am emailing the committee because unfortunately I am not able to make it there in person but am rallying from afar and in spirit. I ask the committee to not only Protect and Save Hanaka'ō'ō Beach Park but more importantly Respect Hanaka'ō'ō Beach Park. There is a rich cultural history attached to this place on Maui. Many families and our Keiki gather and come together to celebrate the history of outrigger canoe traditions. Hanaka'ō'ō Beach Park is a place where athletes come together not just for athleticism but rather to practice and celebrate with one another a way of life. Again, I am asking the committee to take into consideration all of our voices and RESPECT Hanaka'ō'ō Beach Park and everything it stands for. Mahalo for listening.

Aloha,
Alison Uyehara
