9. Grantee assures Agency that if it is required to formulate an Equal Employment Opportunity Program in accordance with 28 C.F.R. §§ 42.301 et seq. it will submit a certification to Agency that a current program is on file.

10. Grantee shall maintain accounting procedures and practices acceptable to Agency, and books, records, documents and other evidence which sufficiently, accurately and properly reflect all direct and indirect expenditures and all interest or other income earned as the result of funds provided pursuant to this Contract. Grantee shall ensure that its own books, records, and documents are available for inspection, reviews or audits at all reasonable times by Agency or the United States Department of Justice. In addition, Grantee shall prepare and submit to the Agency reports in such form and at

such times as Agency or the Office on Violence Against Women may require. Grantee shall submit quarterly financial reports fifteen (15) calendar days after the end of each calendar quarter. Grantee shall submit monthly request for funds and cash balance reports fifteen (15) calendar days after the end of each month. The final fiscal reports must be received by Agency within sixty (60) days after the date this Contract terminates or unless mandated earlier by Agency. Records and financial accounts shall be retained by the Grantee and shall be accessible to Agency and the United States Department of Justice for at least three years after Agency's grant with the Office on Violence Against Women is closed.

11. The final drawdown for funds must be received by Agency within thirty (30) days after the date this Contract terminates.

12. Any funds provided to Grantee under this Contract which are unencumbered on the date this Contract terminates shall be returned to Agency; all funds provided under this Contract which are encumbered but not disbursed within sixty (60) days after this Contract terminates shall be returned to Agency.

13. Grantee shall submit progress reports as required for the Act funds to Agency as stipulated under Part

IV. of the Application for Grant, Attachments, Acceptance of VAWA Special Conditions.

14. If so required by Agency, Grantee shall certify to Agency that any expendable or nonexpendable personal property purchased or acquired with funds received under this Contract will be used for criminal justice purposes before title in such property may vest in Grantee. Grantee shall submit a certification to Agency within thirty (30) days after the date this Contract terminates. If a certification is not provided by Grantee, title to any personal property purchased or acquired with funds received under this Contract shall vest in Agency and such personal property shall be delivered to the Agency in good working order upon expiration or sooner termination of this Contract.

15. Grantee shall ensure that Seventeen thousand six hundred seventy-four dollars (\$17,674.00) are available as matching funds to provide the services under this Contract. Grantee shall maintain records which clearly and accurately show the source, amount and the timing of match contributions. If, at the end of the Contract period, Agency determines that Grantee does not have the required matching contribution, Grantee shall return all of the federal portion of the project cost for which Grantee does not have the required match.

D. PERSONNEL.

1. Grantee shall secure at its own expense all personnel required to perform the services required under this Contract. All such personnel shall not be considered employees of, or have any contractual relationship with the State of Hawaii unless Grantee is otherwise an agency of the State.

2. Grantee shall ensure that none of the work or services to be provided under this Contract shall be subcontracted or assigned without the prior written approval of Agency.

E. SUBCONTRACTS.

Grantee may provide some or all of the services required under this Contract by subcontract provided that Grantee secures the prior written consent of Agency. In the event Grantee enters into a subcontract with a private organization to perform any of the services or activities required under this Contract, Grantee agrees that the period of each subcontract shall not exceed the term of this Contract, and funds to the private organization will not be released unless and until the requirements set forth in applicable state law and implementing rules are complied with by the subcontractor. All subcontracts shall include provisions to ensure that Grantee is

capable of satisfying the requirements of this Contract. All subcontracts shall be reduced to writing and shall include all provisions of this Contract required of Grantee.

F. SERVICES AS INDEPENDENT CONTRACTOR.

1. In the performance of the services required under this Contract, Grantee shall be an independent contractor with the authority to control and direct the performance and details of the work and services required under this Contract; however, Agency shall have the right to inspect work in progress to determine whether, in Agency's opinion, the work is being performed by Grantee in accordance with the provisions of this Contract. All persons hired or used by Grantee shall be Grantee's agents and employees and Grantee shall be responsible for the accuracy, completeness, and adequacy of any and all work and services performed by its agents and employees. Furthermore, Grantee intentionally, voluntarily, and knowingly assumes the sole and entire liability if such liability is determined to exist, to its agents and employees or to third persons, for all loss, cost, damage or injury caused by Grantee's agents and employees in the course of their employment. The performance of work under this Contract alone shall not be construed as employment with the State of Hawaii and shall not entitle Grantee's agents and employees to

vacation, sick leave, retirement, or other benefits directly afforded state employees by statutes. Grantee shall be responsible for payment of all applicable federal, state, and county fees which may become due and owing by the Grantee by reason of the Contract, including but not limited to (i) income taxes, (ii) employment related fees, assessments and taxes and (iii) general excise taxes. The Grantee also is responsible for obtaining all licenses, permits and certificates that may be required in order to perform this Contract.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

G. COMPENSATION.

1. Subject to continuing availability of funds, Agency agrees to pay Grantee, for services satisfactorily performed under this Contract, a sum not to exceed Fifty three thousand twenty-two dollars (\$53,022.00) to be spent for the purposes of this Contract. This sum represents any and all compensation to be paid to Grantee for any and all services it provides, and for any and all travel costs, materials, supplies, equipment, overhead, taxes, and other incidentals and operating expenses which it incurs or may incur in connection with this Contract.

2. It is covenanted and agreed by and between the parties hereto that, as to the portion of the obligation under this Contract to be payable out of federal funds, this Contract shall be construed to be an agreement to pay such portion to the Grantee only out of federal funds to be received from the federal government when the federal funds are so received and shall not be construed as a general agreement to pay such portion at all events out of any funds other than those which are received from the federal government.

H. METHOD OF PAYMENT.

1. All funds available for use under this Contract shall be subject to the allotment system as provided in Chapter 37, Hawaii Revised Statutes.

2. Payments to Grantee under this Contract shall be made in accordance with and subject to the following provisions:

a. Payments shall be made monthly upon receipt of Grantee's completed request for funds.

b. All payments shall be made in accordance with and subject to Chapter 40, Hawaii Revised Statutes, which specifies the accounting procedures and controls applicable to payments out of the Treasury of the State of Hawaii.

c. If an amount of reported expenditures is preliminarily determined by Agency to be inappropriate and unallowable, Agency may deduct an equivalent amount from the next payable installment and may withhold payment of the amount of the moneys equivalent to the questioned expenditures until later resolution of the discrepancy by audit or other means. If, after payment of the last installment, investigation and examination reveal additional expenditures that are determined by Agency to be inappropriate and unallowable, Agency may require that an equivalent amount of moneys be refunded to Agency notwithstanding Agency's preliminary determination of appropriateness and allowability.

d. Failure to submit required reports by the applicable deadline will result in the withholding of payments until such time as the reports are received by Agency. Grantee shall continue to provide the services, programs and activities during the period that payments are being withheld.

I. INDEMNIFICATION.

1. It is strictly understood that the State of Hawaii shall in no way be held liable for any damages, cause of action or suits resulting from the acts, activities or omissions of Grantee. Grantee shall indemnify and save harmless the State of Hawaii, Agency, and their officers, agents, and employees

from and against any and all liability, loss, actions, claims, suits, damages, costs or expenses, including all attorneys' fees, and all claims, suits, and demands therefor, arising out of or resulting from the acts or omissions of Grantee, its officers, employees, agents, or subcontractors occurring during or in connection with the performance of Grantee's services under this Contract, or arising out of or resulting from breach of this Contract by Grantee. Grantee shall defend the State of Hawaii, Agency, and their officers, agents, and employees against any such action or claim unless the action or claim involves an act or omission solely of Agency, its officers, agents, or employees.

2. This section shall not be applicable if Grantee is an agency of the State of Hawaii.

3. The County of Maui will indemnify to the extent permitted by law, and that payment is subject to approval by the county council.

J. CONFIDENTIAL MATERIAL.

Any information, data, report, record, summary, table, map, or study given to or prepared or assembled by Grantee under this Contract which is identified as proprietary or confidential information that Agency requests to be kept confidential shall be safeguarded by the Grantee and shall not

be made available to any individual or organization other than any subcontractor to which the material may relate, without prior written approval of Agency. Grantee shall submit a completed Privacy Certification for review and approval prior to the expenditure of funds for the collection of identifiable research/statistical data. All information, data, or other material provided by the Grantee or the Agency shall be kept confidential only to the extent permitted by law. Grantee shall comply with the requirements of Chapters 487J, 487N and 487R, Hawaii Revised Statutes as applicable.

K. COPYRIGHT AND PATENT.

The Agency shall have complete ownership of all material, both finished and unfinished, which is developed, prepared, assembled, or conceived by the Grantee pursuant to this Contract, and all such material shall be considered "works made for hire." No summary, report, map, chart, graph, table, study or other documents or discovery, invention, or development produced in whole or in part with funds made available under this Contract (collectively and individually "material") shall be the subject of an application for copyright or patent by or on behalf of Grantee, its officers, agents, or its employees, or its subcontractors without prior written authorization from Agency. To the extent that any material, summary, report, map,

chart, graph, table, study, or other documents, or discovery, invention, or development under this Contract is not recognized as a "work made for hire" as a matter of law, Grantee hereby assigns to the Agency any and all copyrights in and to the material.

L. MODIFICATION OF CONTRACT.

Any modification, alteration, amendment, or change to this Contract other than to the "Application For Grant" (attached hereto as part of Exhibit "A") or to the period during which this Contract is in effect in Section B, including increases (subject to the availability of funds) or decreases in the amount of compensation, permitted by this Contract shall be made by written supplemental agreement to this Contract and executed by Grantee and the Attorney General or the Attorney General's designee. Modifications, alterations or changes to provisions of the "Application For Grant" may be requested by Grantee, approved by the Administrator of the Crime Prevention and Justice Assistance Division on Agency's behalf, and made by substituting or inserting the revisions in Exhibit "A." Modifications, alterations or changes to the period during which this Contract is in effect may be requested in writing by Grantee or Agency, up to forty-five (45) days before the Contract would otherwise terminate, and shall be effective as of

the date approved by the Administrator of the Crime Prevention and Justice Assistance Division (if requested by Grantee) or Grantee (if requested by Agency) and made by attaching a party's written request with the other party's written approval thereon to this Contract. No oral modification, alteration, amendment, change, or extension of any term, provision or condition of this Contract shall be permitted.

M. CONFLICT OF INTEREST.

Grantee represents that it presently has no interest and promises that it shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the services under this Contract.

N. TERMINATION OF CONTRACT.

1. If, for any cause, Grantee refuses or fails to satisfactorily fulfill in a timely or proper manner its obligations under this Contract or any extension thereof, or if Grantee breaches any of the promises, terms or conditions of this Contract and, having been given reasonable notice of and opportunity to cure any such default, fails to take satisfactory corrective action within the time specified by Agency, Agency shall have the right to terminate this Contract by giving written notice to Grantee of such termination ten (10) calendar

days before the effective date of such termination. The Grantee shall continue performance of the Contract to the extent it is not terminated. Notwithstanding termination of the Contract, and subject to any directions from the Agency, the Grantee shall take timely, reasonable, and necessary action to protect and preserve property in the possession of the Grantee in which the Agency has an interest.

2. Furthermore, Agency may terminate this Contract without statement of cause at any time by giving written notice to Grantee of such termination at least thirty (30) calendar days before the effective date of such termination.

3. In the event of termination of either type, all finished or unfinished documents, reports, summaries, lists, charts, graphs, maps, or other written material prepared by Grantee, under this Contract shall, at the option of Agency, become Agency's property and, together with all information, data, reports, records, maps, and other materials (if any) provided to Grantee by Agency, shall be delivered and surrendered to Agency on or before the effective date of termination.

4. Grantee shall be entitled to receive only such compensation as shall have been satisfactorily earned prior to the effective date of termination. Agency shall determine

the amount of work satisfactorily completed and the amount of compensation satisfactorily earned. If the termination is for cause, any other provisions to the contrary notwithstanding, Grantee shall not be relieved of liability to Agency for damages sustained by Agency because of any breach by Grantee of this Contract.

O. WAIVER.

The failure of the Agency to insist upon strict compliance with any term, provision, or condition of this Contract shall not constitute or be deemed to constitute a waiver or relinquishment of the Agency's right to enforce the same in accordance with this Contract. It is expressly understood and agreed that no waiver granted by Agency on account of any violation of any promise, term or condition of this Contract shall constitute or be construed in any manner as a waiver of the promise, term or condition or of the right to enforce the same as to any other or further violation.

P. DISPUTES; GOVERNING LAW; VENUE.

Any dispute concerning a matter of fact arising under this Contract or any subcontract, which is not disposed of by mutual agreement within fifteen (15) calendar days, shall be decided by the Attorney General, or the Attorney General's duly

designated representative, who shall reduce the decision to writing and mail or otherwise furnish a copy of the decision to Grantee. The decision of such person shall be final and conclusive. Pending final decision of such dispute, Grantee shall proceed diligently with the performance of this Contract in accordance with Agency's request. The validity of this Contract and any of its terms or provisions, as well as the rights and duties of the parties to this Contract, shall be governed by the laws of the State of Hawaii. Except as otherwise provided in this Section, any action to enforce this contract or for breach of this Contract shall be brought only in a State court of competent jurisdiction in Honolulu, Hawaii.

Q. ADDITIONAL CONDITIONS.

Additional conditions may be imposed upon Grantee by reducing them to writing and designating them as exhibits to this Contract. Any such exhibit shall be attached hereto and thereby incorporated herein.

APPLICATION FOR S.T.O.P. VIOLENCE AGAINST WOMEN GRANT

PART II. DESCRIPTION OF PROJECT

Note: This form does not provide spell check.

A. THE PROBLEM

The county of Maui consists of three islands and the Maui Police Department consists of six Districts: District 1: Wailuku, District 2: Lanai, District 3: Hana, District 4: Lahaina, District 5: Molokai and District 6: Kihei.

The island of Maui had a total of 28,403 domestic violence incidents and 70 harassment by stalking incidents from 2012- November 2016. During that time frame there have been a total of 12 domestic violence homicides.

Currently there are 4 Detectives in Lahaina District, 4 Detectives in Kihei District and these Detectives are responsible for both Property Crimes and Crimes Against Persons investigations.

The main District, Wailuku District has a 4 Crimes Against Persons Detectives, 14 Property Crimes Detectives, 3 Sexual Assault Detectives and 1 Domestic Violence Sergeant/Detective and 2 Domestic Violence Investigators.

Due to the small amount of Crimes Against Persons Detectives in the Wailuku District, Detectives from outer Districts are summoned to assist Wailuku District in large Crimes Against Persons incidents.

Research done with Maui Police Department's Plans & Training Division revealed that during the time frame of 2012- November 2016 revealed the following count of homicide training and stalking training:

<u>Year</u>	<u>Homicide</u>	<u>Stalking</u>
2012	0	0
2013	2	1
2014	5	0
2015	3	1
2016	6	1
Total	16	3

All of these trainings were not specifically for domestic violence stalking or domestic violence stalking training and not offered to patrol officers, Field Training Officers, Patrol Sergeants or the Domestic Violence Unit. Research also revealed the listed trainings were only attended by Crimes Against Persons Detectives.

Currently the Domestic Violence Unit does not play a major role in the domestic violence based homicide investigations due to the primary investigator will always be a Crimes Against Persons Detective. The Domestic Violence Unit is not utilized due to they have not received specialized training for domestic violence based homicide investigations.

Per the Office of the Prosecuting Attorney, the dispositions of the 12 domestic violence homicides are as follows:

2012

1. Pending
2. Dismissed

2013

3. Guilty - Murder

2014

4. Classified as Missing Person
5. Pending

2015

6. Pending
7. Pending
8. Pending
9. Guilty - (Attempted Murder)

2016

10. Pending
11. Murder/Suicide
12. Pending

Per <https://ncadv.org>, National Coalition Against Domestic Violence”:

“A study of intimate partner homicides found that 20% of victims were not the intimate partners themselves, but family members, friends, neighbors, persons who intervened, law enforcement responders, or bystanders.

72% of all murder-suicides involve an intimate partner; 94% of the victims of these murder suicides are female.”

In order to understand that not all homicides are investigated in the same manner is to understand the difference between the stranger and non-stranger crime.

Per <https://bjs.gov>, Bureau of Justice Statistics:

“Stranger” is a classification of the victim's relationship to the offender for crimes involving direct contact between the two. Incidents are classified as involving strangers if the victim identifies the offender as a stranger, did not see or recognize the offender, or knew the offender only by sight.”

"Non-stranger" is a classification of a crime victim's relationship to the offender. An offender who is either related to, well known to, or casually acquainted with the victim is a nonstranger."

First responding patrol officers will always establish the relationships of the parties involved. The level of danger in a "stranger" type of crime against person is present, yet there is no relationship, emotional connection, bond or history with the victim. Whereas the level of danger for a "non-stranger" type of crime against person is elevated when the offender is a family member, sibling, marriage partner or former spouse/intimate/dating partner.

The offender in the "non-stranger" crime against a person knows the victims on a personal, intimate and emotional level. The offender will know the victim's family members, their likes/dislikes and is enabled access to the victim. The offender has a variety of ways to control the victim, may it be physical, psychological means or technological control via text/voice/email.

This will lead us into understanding what the definition of stalking is and why is it important for the first responding patrol officers to understand what events, may they be minor and not physically violent, yet nonconsensual and constant, creating the element of fear in a victim. The following portray Harassment by Stalking incidents documented by Maui Police Department and the Office of the Prosecuting Attorney dispositions:

2012

-8 incidents documented by MPD
-1 incident Prosecuted
-3 incidents declined Prosecution

2013

-16 incidents documented by MPD
-1 incident Prosecuted
-2 incidents declined Prosecution

2014

-20 incidents documented by MPD
-3 incidents Prosecuted

2015

-12 incidents documented by MPD
-1 incident declined Prosecution

2016

-14 incidents documented by MPD
-2 incidents pending screening

Per <http://ncadv.org>, "What is Stalking?" National Coalition Against Domestic Violence":

"Stalking is defined by law by the federal government. When an abuser acts in such a way as to intentionally create a fear or harm or death for the victim, that is stalking. This could take the form of a fear of harm, injury or death for themselves, a relative, or any third party. Abusers who use stalking to terrorize and threaten create substantial emotional distress for their victims, family members and third parties."

Per <https://ncjrs.gov>, U.S. Department of Justice":

"Stalking generally refers to harassing or threatening behavior that an individual engages in repeatedly, such as following a person, appearing at a person's home or place of business, making harassing phone calls, leaving written messages or objects, or vandalizing a person's property. These actions may or may not be accompanied by a credible threat of serious harm, and they may or may not be precursors to an assault or murder."

Per <https://ncadv.org>, National Coalition Against Domestic Violence":

"1 in 7 women and 1 in 18 men have been stalked by an intimate partner during their lifetime to the point in which they felt very fearful or believed that they or someone close to them would be harmed or killed."

So therefore, understanding the basic differences in the types of crimes against persons, the training for specific domestic violence stalking and domestic violence homicides will be beneficial to the first responding patrol officers, patrol supervisors, Crimes Against Persons Detectives and Domestic Violence Unit to understand the concepts of violent crimes against women that may lead to homicide.

In regards to required recruit school instruction, DVU will present every recruit class with (24) hours of Domestic Violence Training and scenarios. Once the recruit has completed the field training portion of their training, DVU will present in-service trainings in addition to Annual Recall information from the Prosecutors regarding new or amended DV laws.

On many occasions, the Prosecutors Office will call the Domestic Violence Unit immediately for an in-custody arrest for the DV Investigators to re-contact the Victim or return to the scene due to valuable evidence, victim/witness statements and information is required to charge a felony offense or upgrade a misdemeanor offense to a felony status. This being so, often reveal follow-ups conducted a day, or a weekend later have resulted with many victims uncooperative and valuable evidence removed or destroyed.

Several discussions with patrol officers, Field Training Officers, Patrol Sergeants and a Patrol Captain, agree that formal domestic violence stalking and domestic violence homicide training will be highly beneficial not only to the Patrol Division but to the community as a whole.

Several discussions with the Domestic Violence Unit and Crimes Against Persons Detectives have been overall positive whereas both units support each other that formal training for DVU will be greatly beneficial to the Detectives and expedite the lengthy process required to a complete investigation for Prosecutors to seek successful prosecution.

B. GOALS AND OBJECTIVES

Patrol officers who attended requested suggestions for another conference and stated they would like to sit on their own panel, address questions from the female survivors, create a video of what a patrol officers experience when they approach a domestic violence incident, have the female survivors experience wearing a bullet proof vest, the weight of a duty belt and sit in a patrol car and overall have the opportunity to explain why police do what they do when on a scene. Forty-four (44) police personnel, to include patrol, Field Training Officers, Patrol Sergeants, Detectives, Fire and Medic Personnel from across the state, will participate in a two-day training on domestic violence homicide investigative strategies, specifically aquatic domestic violence homicides. One hundred percent (100%) of participants will report an increased knowledge about how to investigate specifically aquatic domestic violence homicides.

The Project Director is pending information from FBI Agent Edwin Nam and Honolulu FBI Agent Tia Hoffer, former Supervisor of the Behavior Analysis Unit regarding confirmation for a presenter on domestic violence stalking and domestic violence homicide. Eighty-five percent (85%) of participants will report an increase in knowledge about how to investigate specifically domestic violence stalking and homicide investigations.

3. Thirty (30) police personnel, to include, patrol, Field Training Officers and Patrol Sergeants will participate in a one-day training conference in August 2017, titled "Her Voice" hosted by Parents And Children Together and DVU on trauma informed policing. Eighty-five percent (85%) of the participants will report an increase in knowledge about trauma informed policing and domestic violence victims. The training conference will also inform patrol officers of resources available for patrol officers exposed to secondary trauma while investigating domestic violence homicide incidents.

4. The DVU clearance rate of follow-up investigations due to incomplete initial investigations will be higher than 97% in the year 2016:

- 152 domestic violence related incidents were assigned to the Domestic Violence investigators in 2016.

- 148 of this incidents were cleared and forwarded to the Prosecutors Officer for review.

I. PROBABILITY TO IMPROVE THE CRIMINAL JUSTICE SYSTEM

Sustaining ongoing collaboration and training efforts amongst law enforcement personnel and community partners will enable MPD to continue utilizing victim-centered approaches to victims

of domestic violence stalking and domestic violence homicides throughout Maui County. The project activities will enable law enforcement personnel to work together from the patrol level to the detective level and enable these units to build effective working relationships internally and with community partners.

In addition, the law enforcement personnel will learn best practices for responding to victims and investigating domestic violence incidents. From the first responding patrol officer to the experienced homicide detective will gain additional strategic techniques on how to properly investigate a domestic violence stalking or domestic violence homicide investigation. The patrol officers will gain additional investigative techniques on how to preserve scenes and evidence for the detectives to complete the investigation.

In October 2016, Andrea Zaferes, an Aquatic Forensic Homicide Investigator presented at MPD's CID Conference: Strangulation, Sexual Assault and Homicide Conference". MPD has requested her to return due to her training had never been heard of by police personnel from Maui, Kauai and Hawaii. Evaluations completed by attendees revealed the information shared was very valuable. In November 2016, Kauai Police Department requested information for Andrea Zaferes to present for KPD in 2017.

Domestic violence stalking and homicide training will allow first responding patrol officers, patrol sergeants be cognizant of victims who may report these incidents. The patrol officers will be able to understand that although the acts being reported may appear harmless at first, it will allow them to have a broader understanding that the goal of stalking is to instill fear in the victim. The patrol officers will be able to identify that the acts of stalking may or may not be a precursor to a physical assault or homicidal act.

Collaborating with Parents And Children Together to co-host the second "Her Voice" Conference will continue to build the foundation of trust and respect for the female survivors of domestic violence and law enforcement. The Conference will allow both survivors and patrol officers to meet and openly discuss concerns and issues regarding law enforcement's approach to not only domestic violence incidents, but to understand the mindset of women who have survived.

Through collaborative and networking efforts of all police personnel and Prosecutors, the agencies will solidify prosecution against those who commit violent crimes against women. Law enforcement and Prosecutors will sustain collaboration efforts by applying new knowledge and applications when investigating domestic violence stalking, domestic violence homicides and aquatic homicides.

ACCEPTANCE OF VAWA SPECIAL CONDITIONS
(for Government Contracts)

The undersigned Grantee understands and agrees, on behalf of its agency that:

1. **Applicability of Part 200 Uniform Requirements**

Grantee agrees to comply with the financial and administrative requirements set forth in 2 C.F.R. Part 200 and the current edition of the Department of Justice (DOJ) Grants Financial Guide.

Grantee agrees to comply with the applicable audit requirements of 2 C.F.R. Part 200 or OMB Circular A-133, and further understands and agrees that funds may be withheld, or other related requirements may be imposed, if outstanding audit issues (if any) are not satisfactorily and promptly addressed as further described in the audit requirements and current edition of the DOJ Grants Financial Guide.

2. **Grantee shall submit a Semi-Annual Progress Report to the CPJAD every six (6) months following the calendar year. The progress reports are to cover activities that the Grantee has completed during that reporting period. The semi-annual reporting periods and due dates are:**

- January 1 through June 30 Due July 15
- July 1 through December 31 Due January 15

A Final Progress Report is due 30 days after the project end date and should report cumulatively on the entire project period. The appropriate report form will be provided to each project by CPJAD (AG/CPJAD #20). The report shall contain information describing progress, accomplishments, activities, changes, and problems during the report period and any additional information specified by the CPJAD.

3. **The annual STOP report required by OVW shall be submitted to CPJAD by February 1 unless mandated earlier by CPJAD.**

4. **Funds Subcontracted to Faith Based Organizations**

Grantee shall comply with the applicable requirements of 28 C.F.R. Part 38, the Department of Justice regulation governing "Equal Treatment for Faith Based Organizations" (the "Equal Treatment Regulation"). The Equal Treatment Regulation provides in part that Department of Justice grant awards of funding may not be used to fund any inherently religious activities, such as worship, religious instruction, or proselytization. Recipients of grants may still engage in inherently religious activities, but

such activities must be separate in time or place from the Department of Justice funded program, and participation in such activities by individuals receiving services from the grantee or a sub-grantee must be voluntary. The Equal Treatment Regulation also makes clear that organizations participating in programs funded by the Department of Justice are not permitted to discriminate in the provision of services on the basis of a beneficiary's religion. Notwithstanding any other special condition of this award, faith-based organizations may, in some circumstances, consider religion as a basis for employment. See http://www.ojp.gov/about/ocr/equal_fbo.htm.

5. Reporting Potential Fraud, Waste, and Abuse, and Similar Misconduct

Grantee shall promptly refer to the DOJ OIG any credible evidence that a principal, employee, agent, contractor, subgrantee, subcontractor, or other person has either 1) submitted a false claim for grant funds under the False Claims Act; or 2) committed a criminal or civil violation of laws pertaining to fraud, conflict of interest, bribery, gratuity, or similar misconduct involving grant funds. Potential fraud, waste, abuse, or misconduct should be reported to the OIG by:

Mail: Office of the Inspector General

7. Training(s)/Conference(s) Compliance

Grantee agrees to comply with all applicable laws, regulations, policies, and guidance (including specific cost limits, prior approval and reporting requirements, where applicable) governing the use of federal funds for expenses related to conferences, meetings, trainings, and other events. Information on pertinent laws, regulations,

policies, and guidance is available in the DOJ Grants Financial Guide Conference Cost Chapter.

Grantee understands and agrees that any training or training materials developed or delivered with funding provided under this award must adhere to the OVW Training Guiding Principles for Grantees and Sub-grantees, available at <http://www.ovw.usdoj.gov/grantees.html>

8. Duplicate Award of Federal Funds

Grantee agrees that if it currently has an open award of federal funds or if it receives an award of federal funds other than this CPJAD award, and those award funds have been, are being, or are to be used, in whole or in part, for one or more of the identical cost items for which funds are being provided under this CPJAD award, the grantee will promptly notify, in writing, the assigned Criminal Justice Planning Specialist for this CPJAD award, and, if so requested by CPJAD, seek a budget or project narrative modification to eliminate any inappropriate duplication of funding. Further, the Grantee agrees and understands that any duplicative funding that cannot be re-programmed to support non-duplicative activities within the program's statutory scope will be deobligated from this award and returned to CPJAD.

9. Information Technology Compliance

Grantee agrees that – (a) No award funds may be used to maintain or establish a computer network unless such network blocks the viewing, downloading, and exchanging of pornography, and (b) Nothing in subsection (a) limits the use of funds necessary for any Federal, State, tribal, or local law enforcement agency or any other entity carrying out criminal investigations, prosecution, or adjudication activities.

10. VAWA Federal Eligibility Requirements

Grantee shall comply with the federal eligibility requirements established by the Violence Against Women and Department of Justice Reauthorization of 2013 (<http://www.usdoj.gov/ovw/regulations.htm>) and the effective edition of the DOJ Grants Financial Guide in order to receive STOP Program funds.

11. Civil Rights Provision

Grantee shall comply with civil rights provisions prohibiting the excluding, denying benefits to, or discriminating against any person on the basis of actual or perceived race, color, religion, national origin, sex, gender identity, sexual orientation, or disability in any program or activity funded in whole or in part by OVW.

12. Nondisclosure of Confidential or Private Information

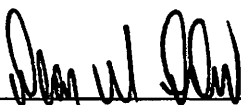

Grantee shall comply with provisions of 42 U.S.C. 13925(b)(2), nondisclosure of confidential or private information, which includes creating and maintaining documentation of compliance, such as policies and procedures for release of victim information. Grantee shall also ensure that any subgrantees meet these requirements.

13. Restrictions and Certifications Regarding Non-Disclosure Agreements and Related Matters

No Grantee or subgrantee under this award, or entity that receives a contract or subcontract with any funds under this award, may require any employee or contractor to sign an internal confidentiality agreement or statement that prohibits or otherwise restricts, or purports to prohibit or restrict, the reporting (in accordance with law) of waste, fraud, or abuse to an investigative or law enforcement representative of a federal department or agency authorized to receive such information.

INSTRUCTIONS

Completing the Certification Form

Compliance with the Equal Employment Opportunity Plan (EEOP) Requirements

The federal regulations implementing the Omnibus Crime Control and Safe Streets Act (Safe Streets Act) of 1968, as amended, require some recipients of financial assistance from the U.S. Department of Justice subject to the statute's administrative provisions to create, keep on file, submit to the Office for Civil Rights (OCR) at the Office of Justice Programs (OJP) for review, and implement an Equal Employment Opportunity Plan (EEOP). *See* 28 C.F.R. pt. 42, subpt. E. All awards from the Office of Community Oriented Policing Services (COPS) are subject to the EEOP requirements; many awards from OJP, including awards from the Bureau of Justice Assistance (BJA), the Office of Juvenile Justice and Delinquency Prevention (OJJDP), and the Office for Victims of Crime (OVC) are subject to the EEOP requirements; and many awards from the Office on Violence Against Women (OVW) are also subject to the EEOP requirements. If you have any questions as to whether your award from the U.S. Department of Justice is subject to the Safe Streets Act's EEOP requirements, please consult your grant award document, your program manager, or the OCR.

Recipients should complete *either* Section A *or* Section B *or* Section C, not all three. If recipient completes Section A *or* C and sub-grants a single award over \$500,000, in addition, please complete Section D.

Section A

The regulations exempt some recipients from all of the EEOP requirements. Your organization may claim an exemption from all of the EEOP requirements if it meets any of the following criteria: it is a nonprofit organization, an educational institution, a medical institution, or an Indian tribe; *or* it received an award under \$25,000; *or* it has less than fifty employees. To claim the complete exemption from the EEOP requirements, complete Section A.

Section B

Although the regulations require some recipients to create, maintain on file, and implement an EEOP, the regulations allow some recipients to forego submitting the EEOP to the OCR for review. Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business; *and* (2) have fifty or more employees; *and* (3) have received a single grant award of \$25,000 or more, but less than \$500,000, may claim the limited exemption from the submission requirement by completing Section B. In completing Section B, the recipient should note that the EEOP on file has been prepared within twenty-four months of the date of the most recent grant award.

Section C

Recipients that (1) are a unit of state or local government, an agency of state or local government, or a private business, *and* (2) have fifty or more employees, *and* (3) have received a single grant award of \$500,000 or more, must prepare, maintain on file, *submit to the OCR for review*, and implement an EEOP. Recipients that have submitted an EEOP Utilization Report (or in the process of submitting one) to the OCR, should complete Section C.

Section D

Recipients that (1) receive a single award over \$500,000; *and* (2) subaward a single award of \$500,000 or more must provide a list; including, name, address and DUNS # of each such sub-recipient by completing Section D.
