Subject: Prohibiting Commercial Activities at Hanakao'o Beach

Dear EACP committee,

My name is Mary Rosenthal, I'm a great Aunty to 6 children who paddle for Lahaina Canoe club and I'm pleading with you to prohibit commercial activities on Hanakao'o beach. Please keep this beach free from commercial activity so that not only my grandnieces and nephews, but all children and for the Westside canoe clubs could use freely, as so intended by our American right. We have so lost SO MUCH of the "old" west side, we swam at "canoe beach", Hanakao'o as kids, I had friends in the Canoe clubs-that is the reason why it's known as Canoe Beach, please don't let us lose Hanakao'o Canoe beach.

Thank you for your time, please think of the children that are affected by your choices in your thoughts, and please keep Canoe beach untouched by Commercial activities.
