Aloha,

Please do not zone private parking at Keawakapu. Please do not take public parking away from our Ohana as we use this parking daily to enjoy the beach, beach walks, access to the water and a place where we can meet friends and family. It would be a shame to rezone another area locals have come to find as a place we can go without the mainland type of governing every opportunity to create more revenue for the non locals.

Please do not allow this to pass.

Thank you kindly.

Mahalo,

Kelly Craig
