Dear Maui County Clerk Maui County Council,

I write to demand that Maui County officials seek to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

It is unfathomable that this case has continued, given our rhetoric about sustainability, protecting human health, and our dependence on tourist dollars which require that sewage doesn't get into our ocean.

The County of Maui should not be doing anything that jeopardizes the Clean Water Act. The money, effort, and time should be spent ensuring no pollutants reach the ocean from our wastewater facilities. This is a NO BRAINER.

Sincerely,

Dear Maui County Clerk Maui County Council,

I support the County seeking to settle the Lahaina Injection Well case (HAWAII WILDLIFE FUND, ET AL. V. COUNTY OF MAUI, RELATING TO THE CLEAN WATER ACT) as per CC 19-225,

The County of Maui should not be spending money attempting to gut the Clean Water Act. Instead, the money should be spent ensuring no pollutants reach the ocean from our wastewater facilities.

Sincerely,  
Veronica Rizzolo
