Aloha Honorable Councilmembers:

I am an authorized Community Cat Colony Manager with the Maui Humane Society. I am writing in **opposition** to the bill proposing to make it unlawful to feed feral cats.

As many have testified, spaying, neutering, vaccinating and *feeding* feral cats is not only the only *humane* approach to this human-caused problem, but also the only sensible and effective and *lawful* one. I know that many others have testified with citations to research and Maui laws, so I won't repeat their efforts. Suffice it to say that I expect the council who represents We the People to make decisions based on the overwhelming amount of testimony that opposes this ill-conceived bill.
