Honorable Michael P. Victorino
Mayor, County of Maui
200 South High Street
Wailuku, HI 96793

For Transmittal to:

Honorable Yuki Lei Sugimura, Chair
Multimodal Transportation Committee
Maui County Council
200 South High Street
Wailuku, Maui, Hawaii 96793

APPROVED FOR TRANSMITTAL

Mayor Date 4/4/19

**SUBJECT: CONTRACT C6660 (HAWAIIAN DREDGING CONSTRUCTION COMPANY, INC.)
NORTH SHORE GREENWAY PHASE IV PROJECT (MT-12)**

Dear Chair Sugimura:

Thank you for your questions and concerns regarding the above project. Our responses to your questions are below:

- **What is the average elevation of the greenway?**

The average elevation of the greenway project is approximately 15-20 feet above sea level.

- **What is the cost-per-mile of the greenway?**

The cost-per-mile of the greenway project is approximately \$2.1 million. The project is approximately 0.81 miles (4,300 feet) long and the total construction price is \$1,726,200. A large portion of the cost is for the required retaining walls and the bridge structure crossing Kailua Stream.

- **What impact does the Department anticipate the greenway will have on vehicular traffic between Paia and Kahului?**

The greenway project provides a connection between Baldwin Park (Paia) and Spreckelsville, onto Kahului. The Department does not anticipate much change in the vehicular traffic due to this project.

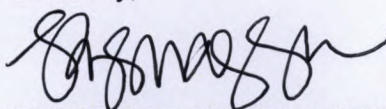

Hon. Yuki Lei Sugimura
North Shore Greenway Ph. IV

- ***Will the Department track the usage of the greenway and analyze the impact it has on vehicular traffic? If so, please explain how.***

The Department of Public Works has a portable electronic pedestrian and bicycle counter that could be used to periodically track the usage of the new pathway. We would need to partner with the State of Hawaii Department of Transportation to monitor the impacts to vehicular traffic on Hana Highway.

Thank you for sharing the Multimodal Transportation Committee's comments and concerns. Should you have any further questions, please feel free to contact me.

Sincerely,

ROWENA M. DAGDAG-ANDAYA
Acting Director of Public Works
