Dear Chair Lee:

SUBJECT: 2025 ANNUAL GENERAL PLAN IMPLEMENTATION REPORT

Transmitted for your review is the Planning Director's annual report on the implementation and enforcement of Maui County's General Plan, as required pursuant to Section 8-8.5 of the Charter of the County of Maui and Section 2.80B.030 of the Maui County Code (MCC).

The General Plan, in broad terms, is a collection of long-range planning documents consisting of the Countywide Policy Plan, the Maui Island Plan, and nine Community Plans, all intended to guide the County's vision for the future. It contains a wide array of goals, objectives, and policies across various themes, as well as implementing actions intended to carry out the Plan's overall vision and intent.

This report provides an assessment of the County's progress towards implementation of the General Plan's 1,261 implementing actions, as reported by County departments, and examines the enforcement mechanisms available to the Planning Department in this regard. Attached as Exhibits 1-4 to this report are tables listing all General Plan implementing actions, organized by plan document, department, and plan area, along with the reported status of each action.

Dear Chair Lee:

SUBJECT: 2025 ANNUAL GENERAL PLAN IMPLEMENTATION REPORT

Transmitted for your review is the Planning Director's annual report on the implementation and enforcement of Maui County's General Plan, as required pursuant to Section 8-8.5 of the Charter of the County of Maui and Section 2.80B.030 of the Maui County Code (MCC).

The General Plan, in broad terms, is a collection of long-range planning documents consisting of the Countywide Policy Plan, the Maui Island Plan, and nine Community Plans, all intended to guide the County's vision for the future. It contains a wide array of goals, objectives, and policies across various themes, as well as implementing actions intended to carry out the Plan's overall vision and intent.

This report provides an assessment of the County's progress towards implementation of the General Plan's 1,261 implementing actions, as reported by County departments, and examines the enforcement mechanisms available to the Planning Department in this regard. Attached as Exhibits 1-4 to this report are tables listing all General Plan implementing actions, organized by plan document, department, and plan area, along with the reported status of each action.

OVERVIEW

2025 Report Updates

For reporting efficiency, this year’s report consolidates into one report what was in previous years submitted as two separate reports. Furthermore, additional tables and charts are included to provide a more comprehensive and user-friendly overview on the reporting of the General Plan’s implementing actions as provided by each County department. It is important to note that the report’s core content, specifically the attached implementing actions Exhibits 1-4, remains consistent with reporting from previous years. The attached Exhibits include:

- Exhibit 1:** Countywide Policy Plan Implementing Actions
- Exhibit 2:** Maui Island Plan Implementing Actions
- Exhibit 3:** Community Plan Implementing Actions by Department
- Exhibit 4:** Community Plan Implementing Actions by Plan Area

General Plan and Implementing Actions

The General Plan is composed of several comprehensive, long-range planning documents intended to guide the County toward the community’s vision of the future. These plans contain a wide array of goals, objectives, and policies across various themes, along with implementing actions designed to carry out those foundational elements developed through the community engagement process. The implementing actions are tasks, procedures, programs, or techniques that describe needs or efforts to carry out the intent of each plan. **Table 1** below identifies the General Plan documents and their total number of implementing actions.

Table 1: General Plan Implementing Actions		
Document	Adopted Year	Total Actions
Countywide Policy Plan	2012	82
Lāna‘i Community Plan	2016	152
Moloka‘i Island Community Plan	2018	220
Maui Island Plan	2012	305
West Maui Community Plan	2022	120
Wailuku-Kahului Community Plan	2002	96
Kihei-Makena Community Plan	1998	58

The Planning Department recognizes that some inconsistencies exist between the language contained within the body of the General Plan documents and the statements in the implementation action sections found at the end of each document. Where discrepancies occur, the Planning Department defers to the language contained in the individual plan's implementation sections.

County Department Status Reporting

The General Plan documents assign one County department as the lead agency for each implementing action, even though coordination of two or more County departments can and often must occur. Status reporting was completed by surveying the County departments on their progress in implementing each of their assigned action items within each plan. Departments reviewed a list of their assigned actions and indicated if the item was in one of the following four stages of implementation:

“C” for Completed: The action has been fully implemented.

“O” for Ongoing: The actions implementation is a sustained effort and underway.

“I” for In Progress: Implementation has begun but is not yet complete.

“N” for Not begun: Implementation has not yet started.

For those actions that fall under federal or state jurisdiction, or that involve private entities, the County may provide support or assistance; however, the County has no direct responsibility for these actions or authority to require their implementation. In determining the above-referenced stage of implementation (C-O-I-N) for these federal and state actions, the Planning Department reviewed relevant and available information and determined each status to the best of its ability.

Reflected in this year's report is the County's restructuring of the Department of Housing and Human Concerns into two independent departments. There has also been the recent formation of two new departments: the Department of 'Ōiwi Resources and Department of Agriculture. However, neither department has yet been assigned specific implementing actions and therefore neither is reflected in this report.

IMPLEMENTATING ACTIONS

Countywide Policy Plan

The Countywide Policy Plan (CWPP) establishes broad policies and objectives to guide the County toward its desired direction through 2030 and provides a policy framework for the respective island and community plans. Its implementing actions are generally broad in nature; therefore, unlike the implementing actions of the other general plan documents, they are not formally assigned to an individual department or agency and are thus assessed by the Planning Department using relevant and available information.

The CWPP contains 82 total implementing actions, attached as **Exhibit 1**. These actions are grouped by the CWPP’s core themes, also referred to as key strategies, which are identified in **Table 2** below, along with a summary of the overall status of these actions (in no order of priority). Of the 82 CWPP implementing actions, 49 (or 60%) are reported to have been completed or are ongoing. An additional 16 actions (or 20%) are in progress, and 17 (or 21%) have not begun.

Maui Island Plan

The Maui Island Plan (MIP) is a blueprint that provides direction for future growth, the economy, and social and environmental decisions on the island through 2030. The plan includes a Long-Range Implementation Program intended to identify priority programs, capital, and operational projects or initiatives to develop over the plan’s 20-year planning period. This program includes major Capital Improvement Program (CIP) projects that are derived from agency six-year CIP programs and long-range plans and should provide enough flexibility over the life of the MIP to allow for reprioritization, re-scoping, and adjustments to level of funding.

The MIP contains 305 total implementing actions, attached as **Exhibit 2**. The overall progress toward implementing these actions by department is summarized in **Table 3** below. Of the 305 MIP actions, 133 (or 43%) are reported to have been completed or are ongoing. An additional 117 actions (or 38%) are in progress, and 55 (or 18%) have not begun.

Community Plans

There are nine community plans, each tailored to a specific community planning area. The Kaho‘olawe Community Plan is excluded from this report as it is within the jurisdiction of the Kaho‘olawe Island Reserve Commission and there are no related County actions.

The community plans collectively contain 874 total implementing actions, attached as **Exhibits 3 and 4** and organized by Department and Plan Area, respectively. The overall progress toward implementing these actions by Department is summarized in **Table 4** below. Of the 874 implementing actions, 358 (or 41%) are completed or ongoing. An additional 305 actions (or 35%) are in progress, and 211 (or 24%) have not begun.

IMPLEMENTATION SUMMARY

Figure 1 summarizes the 2025 status of all 1,261 implementing actions across the CWPP, MIP, and Community Plans based on County Department responses. It indicates that:

- 78% of all actions have been completed or initiated to some extent.
- For 28% of actions, implementation is ongoing or continuous in nature, with actions integrated into routine operations and long-term efforts. These actions may never be considered “complete,” and so their ongoing status indicates successful implementation.

Figure 1 (below): 2025 Implementing Actions Status for the CWPP, MIP, and Community Plans.

- 35% of actions are in-progress and in varying stages of implementation, from first steps to near completion.
- 22% of actions have not been initiated or not begun. They may reflect circumstances such as the need for additional time due to recent plan adoption, authority limitations, resource constraints, or actions of lessor priority, among other factors.
- Overall, plan implementation occurs through a combination of completed actions, active initiatives, and ongoing efforts that together advance the goals and policies of the adopted plans. Continued annual review and auditing of plans and actions will help identify where actions may no longer be relevant, how they can be addressed through alternative means, or where adjustments are needed to better align with current priorities and conditions.

ENFORCEMENT

The Department of Planning (Department) is required by Charter of the County of Maui, Chapter 8, and MCC, Chapter 2.80B, to annually report on the implementation and enforcement of the General Plan. The following provides an overview of the Department’s enforcement abilities in this regard.

Overview

The Department’s ability to enforce implementation of the General Plan in its entirety is both limited in statutory authorities, and complex due to the voluminous number of goals, objectives, policies, and implementing actions. It is also important to understand that of the total 1,261 implementing actions identified within the Maui Island Plan and Community Plans, nearly 73 percent of all actions are assigned to other County departments or State agencies to further advance. In this context, the Department does not have authority over other County departments or State entities to “enforce” implementation of these actions.

There are limited mechanisms within MCC that are available to the Department to enforce implementation. However, Section 2.80B.030.B, MCC, requires that: “*All agencies shall comply with the general plan, and administrative actions by agencies shall conform to the general plan, except for ministerial permits or approvals...All community plans, zoning ordinances, and subdivision ordinances shall conform to the general plan.*” Considering this, the Department has a greater capability to ensure project-level consistency or conformance with the General Plan through various discretionary permit application reviews than it does to “enforce” implementation.

The remainder of this report provides a brief overview of the various means by which the Department can support the implementation enforcement of the General Plan.

Discretionary Permits

Discretionary permits, unlike ministerial permits, require the exercise of judgment based on established criteria or adopted standards, typically set by the MCC or the Hawai'i Revised Statutes (HRS). These permits require thorough analysis by the Department and often involve review by other County departments and State agencies. Although the Department may have the ability to independently act on certain permits, other permits require the review, recommendation, or approval by the appropriate planning commission, County Council, or both. It is then the responsibility of the Commission or Council to ensure consistency with the General Plan during their deliberations and final decisions.

The most common discretionary permits that require consistency with the General Plan are briefly summarized below.

1. **Special Management Area (SMA) Permits:** Required for certain projects deemed as a development within the SMA. Applications are reviewed in accordance with the State's Coastal Zone Management law set forth in HRS Chapter 205A, and within the SMA Rules for the Maui, Lāna'i, and Moloka'i Planning Commission's wherein the procedures established by HRS Chapter 205 are implemented.
2. **County Special Use Permits:** Required to carry out a land use or activity that is defined as a special use in the zoning code but is not automatically allowed as a permitted use in the applicable zoning district. Applications are reviewed in accordance with the requirements of Section 19.510.070, MCC.
3. **Changes of Zoning:** May be required when a property's proposed use is not allowed under the property's current zoning. The procedures for enacting a change of zoning are described in 19.510.040, MCC.
4. **Conditional Permits:** Provide a process for considering uses not expressly permitted in a zoning district when the proposed use is similar, related, or compatible with permitted uses and has unique characteristics or impacts whose effects on the surrounding environment cannot be determined until proposed for a specific location. The commission may "condition" the use to ensure it meets general and specific standards. Conditional Permits are reviewed under the requirements of Chapter 19.40, MCC.
5. **State Land Use Commission Special Use Permit:** Permit is required for "*unusual and reasonable*" land uses within the State Agricultural or Rural Districts that are not specifically listed as permissible uses under state law. Compliance with the General Plan is not specifically required, but the Department requires that applicants address the General Plan. Permits are reviewed in accordance with HRS Chapter 205-6.

Other Processes

1. **Subdivisions:** The approval of subdivision applications fall under the purview of the Department of Public Works, with reviews conducted by the Planning Department. Title 18, Subdivisions, Section 18.04.030.A, MCC, states in part: *“This title shall be applied and administered within the framework of the County general plan, community plans, land use ordinances, the Maui County Code, and other laws relating to the use of land. The director shall not approve any subdivision that is not consistent with the County general plan, community plans, State land use classification, and zoning.”*
2. **Direct Enforcement Actions:** While enforcing zoning or violations of SMA laws, corrective action may often require the approval of a discretionary permit. As described above, compliance with the General Plan is required before many discretionary permits may be granted. In cases where a specific land use violation cannot be brought into compliance with the General Plan, the activity must cease, or the structure(s) must be removed. Direct enforcement may also result from noncompliance of conditions imposed during a permits approval.
3. **Annual Capital Improvement Program (CIP):** As required by County Charter Section 8-8.3.7, Powers, Duties and Functions, the Department in collaboration with the Department of ‘Ōiwi Resources provides the Mayor’s Office with an annual analysis of the Mayor's proposed Capital Improvement Program (CIP). Section 2.80B.030.B, MCC states that: *“Preparation of County budgets and capital improvement programs shall implement the general plan to the extent practicable.”* Although not explicitly required, the Department reviews each project for consistency with the General Plan’s policies and actions.

Hana Community Plan (1994)	1	Maintain a civil defense coordinator position for Hana and establish emergency evacuation centers for remote centers of the region.				
Lanai Community Plan (2016)	2	Establish a Lāna`i-based community coordinator for County emergency operations. Develop a network of community volunteers to assist emergency responders. Improve disaster preparation, response time, and coordination among emergency-response agencies and the community.				
Lanai Community Plan (2016)	3	Implement the County of Maui Multi-Hazard Mitigation Plan 2010 and subsequent updates when consistent with the community plan.				
Lanai Community Plan (2016)	4	Seek information on and investigate sites that could contain hazardous waste and remediate when needed.				
Lanai Community Plan (2016)	5	Distribute information on hazard mitigation including: <ul style="list-style-type: none"> • Disaster planning, evacuation routes, formalized evacuation plans, and shelter location; • Steps for homeowners or businesses to strengthen and harden their buildings against disasters; • Fire prevention; and • Household and small business BMPs for the disposal of toxic and hazardous waste, including pharmaceuticals and heavy metals. 				
Lanai Community Plan (2016)	6	Evaluate the need for additional shelter space capable of withstanding hurricane force winds or other natural hazards, and identify potential locations. Provide sufficient back-up resources to ensure communication and emergency services are available during power outages. Evaluate the coverage of existing sirens.				
Lanai Community Plan (2016)	7	Identify critical infrastructure, lifelines, roads, and structures that are vulnerable to coastal hazards, such as sea-level rise. Develop a coordinated emergency response system that includes well-defined and mapped evacuation routes. Distribute emergency response information at camping sites and through school programs.				
Lanai Community Plan (2016)	8	Develop a post-disaster recovery and reconstruction plan to increase resilience.				
Lanai Community Plan (2016)	9	Provide information on opportunities to participate in discussions on the impacts that climate change may have on the community. <ul style="list-style-type: none"> • Conduct a Community Self-Assessment. 				
Lanai Community Plan (2016)	10	Develop detailed mapping of hazards and vulnerabilities risk assessment in the County of Maui Multi-hazard Mitigation Plan 2010.				
Lanai Community Plan (2016)	11	Improve emergency notification procedures along the east coast of the island.

Molokai Community Plan (2018)	12	Continue the development of Moloka`i Incident Command Post in coordination with County EMA.				
Molokai Community Plan (2018)	13	Identify and submit flood and pre-disaster mitigation projects that qualify for funding under the FEMA Pre-Disaster Mitigation Program, Hazard Mitigation Assistance Program, NFIP Severe Repetitive Loss Program, and other FEMA funded mitigation and NFIP grants consistent with the Maui County HMP.				
Molokai Community Plan (2018)	14	Develop programs and distribute materials for public outreach and education to better educate the community and visitors on disaster preparedness, response, hazard mitigation, multi-hazard risks and vulnerabilities, and post-disaster recovery. Target materials and programs that will provide information on steps to take to protect lives and strengthen property against natural and human-related disasters.				
Molokai Community Plan (2018)	15	Identify critical infrastructure, lifelines, roads, and structures that are vulnerable to coastal hazards, including SLR, and develop a more coordinated emergency response system of well-defined and mapped evacuation routes.				
Molokai Community Plan (2018)	16	Complete an inventory of vulnerable critical facilities and infrastructure. Include this information in the Maui County HMP for future mitigation project funding.				
Molokai Community Plan (2018)	17	Per the HMP, update the HAZUS-MH model to incorporate detailed data on State and County bridges located in Moloka`i.				
Molokai Community Plan (2018)	18	Evaluate, update and prioritize shelters on Moloka`i.				
Molokai Community Plan (2018)	19	Immediately seek funding and develop an implementation plan to move critical infrastructure and emergency services out of flood and tsunami inundation zones.				
Molokai Community Plan (2018)	20	Support the relocation of the Puko`o Fire Station on the East End of Moloka`i.				
Molokai Community Plan (2018)	21	Improve disaster warning systems, including more warning sirens in the Kaluako`i/Pāpōhaku area.				
Molokai Community Plan (2018)	22	Create access through Kulawai Loop from Kapukahelu beach to Maunaloa for emergency evacuation use.

Hana Community Plan (1994)	1	Incorporate the use of gray water, including household recycling, in the County's wastewater reuse strategy.				
Hana Community Plan (1994)	2	Prepare a wastewater system master plan for the Hana region.				
Kihei-Makena Community Plan (1998)	3	Continue to implement programs to reduce the reliance on injection wells for wastewater disposal.				
Lanai Community Plan (2016)	4	Relocate the Lāna`i WWTF if necessary because of the Lāna`i City Expansion.				
Lanai Community Plan (2016)	5	Develop a cost effective, environmentally sustainable solution to the landfill, which is nearing capacity.				
Lanai Community Plan (2016)	6	Coordinate with the landowner to develop a comprehensive wastewater functional plan for Lāna`i that addresses the long-term goals for maintenance and upgrading of facilities.				
Lanai Community Plan (2016)	7	Maintain an ongoing sewer inspection program for public and private multi-user systems to identify potential problems and forecast each system's residual life.				
Lanai Community Plan (2016)	8	Coordinate with the landowner to regularly update and implement the County's wastewater reuse plans.				
Lanai Community Plan (2016)	9	Study options for using biological sanitation treatment systems.				
Lanai Community Plan (2016)	10	Provide information on what can be recycled, where facilities are located, and when facilities are operated (hours and days). Develop and distribute educational materials to residents and businesses to encourage reduction, reuse, recycling efforts. Expand recycling options.				
Lanai Community Plan (2016)	11	Conduct an education program to discourage residents and tourists from dumping garbage, cars, and machinery in remote locations and locations other than the landfill or appropriate recycling sites.				
Lanai Community Plan (2016)	12	Develop regular programs for collection of hazardous, bulky, and metal waste, including vehicles, machinery, and appliances.

Lanai Community Plan (2016)	2	In consultation with landowners, use the existing system of roads and trails as firebreaks and construct small water storage reservoirs for fire suppression.				
Lanai Community Plan (2016)	3	Develop and construct fire, safety, and rescue services and facilities at Mānele.				
Lanai Community Plan (2016)	4	Identify critical infrastructure, lifelines, roads, and structures that are vulnerable to wildfires. Develop a coordinated emergency response system that includes well-defined and mapped evacuation routes. Provide training to develop volunteer emergency response and fire-fighting crews. Formalize current practices on the use of heavy equipment during fires.				
Lanai Community Plan (2016)	5	Provide necessary equipment, training, and staffing for ocean and water rescue services.				
Lanai Community Plan (2016)	6	Develop orientation and training about Lānaʻi health and social service locations, and street addresses, for new Fire Department staff.				
Lanai Community Plan (2016)	7	Work with homeowners, business owners, and landlords to visibly mark addresses on structures or properties for easy identification in case of emergencies. Update 911 system semi-annually with new addresses.				
Makawao-Pukalani-Kula Community Plan (1996)	8	Move ambulance service from Kula San to the Kula Fire Station.				
Molokai Community Plan (2018)	9	Identify critical infrastructure, lifelines, roads, and structures that are vulnerable to wildfires and develop a more coordinated emergency response system of well-defined and mapped evacuation routes. Formalize existing practices on the use of heavy equipment during fires.				
Molokai Community Plan (2018)	10	Develop a wildfire information campaign and signage to build public awareness of wildfire hazard. Improve community awareness of the human, economic, and environmental costs associated with wildfires caused by negligence or accident. Engage the community in creating and maintaining fire breaks.				
Molokai Community Plan (2018)	11	Develop an island wide fire risk and vulnerability assessment.				
Molokai Community Plan (2018)	12	Explore options for relocating Pukoʻo Fire Station to a location that is not vulnerable to flooding and tsunamis, and best meets the needs of East End residents.				
Molokai Community Plan (2018)	13	Support the staffing upgrade for the Pukoʻo Fire Station to meet the same national and Maui County minimum staffing levels as provided at the other fire stations in Maui County. Evaluate the results of the "Standards of Coverage" report and address recommended fire service needs.

Exterior materials should emphasize natural materials such as wood, with earth tone colors; c. Private open spaces should be provided and maintained for each unit; and d. Generously landscaped common areas should be provided.				
Makawao-Pukalani-Kula Community Plan (1996)	74	The Rural Kula lands in the Crater Road area shall have one-acre lots with one house per lot.				
Makawao-Pukalani-Kula Community Plan (1996)	75	The 3.75 acre DePonte parcel in Keokea shall be Rural with one-acre lots.				
Makawao-Pukalani-Kula Community Plan (1996)	76	The approximately 45-acre Gomes/Phillips subdivision shall be Rural with one-half acre lots.				
Makawao-Pukalani-Kula Community Plan (1996)	77	The .75 acre Tam parcel between the Lower Kula Road and the Kula Highway shall be accessed only by the Lower Kula Road.				
Makawao-Pukalani-Kula Community Plan (1996)	78	The commercial sites for, and adjacent to, the Ulupalakua Ranch Store and the Tedeschi Winery shall be zoned for Country Town Business.				
Makawao-Pukalani-Kula Community Plan (1996)	79	The .38 acre parcel which houses Maui Island Real Estate shall be used for "low impact" commercial operations(s) during daylight hours only.				
Makawao-Pukalani-Kula Community Plan (1996)	80	The 21 acre Malama Pacific property shall have an appropriate buffer and one row of Rural uses on the mauka side.				
Makawao-Pukalani-Kula Community Plan (1996)	81	New commercial development along Haleakala Highway in Pukalani should be discouraged out of concern over the impacts on traffic flow and the residential neighborhood. New commercial development along Makawao Avenue in Pukalani should be limited to professional services with minimal traffic and noise impacts.				
Makawao-Pukalani-Kula Community Plan (1996)	82	Analyze the zoning and subdivision ordinances to identify amendments which will facilitate and support the maintenance and development of diversified agricultural activities.				
Makawao-Pukalani-Kula Community Plan (1996)	83	Request a State Department of Agriculture-prepared master plan to support and expand agricultural activities in the Upcountry region.				
Makawao-Pukalani-Kula Community Plan (1996)	84	Seek funding to study the development potential of selected low-intensity service industry activities such as retreats, medical services, camps, cultural centers and education programs.				
Makawao-Pukalani-Kula Community Plan (1996)	85	Adopt zoning standards that establish varying minimum lot sizes to reflect different rural and agricultural land uses.

Makawao-Pukalani-Kula Community Plan (1996)	86	Utilize the land productivity inventory and assessment (i.e., Land Study Bureau "D" and "E" lands) to identify low productivity lands which may be suitable for housing development. Agricultural productivity criteria should consider agricultural productivity potential under irrigated conditions.				
Makawao-Pukalani-Kula Community Plan (1996)	87	Develop guidelines for rural cluster development and planned unit development as part of a comprehensive growth management and open space protection program.				
Makawao-Pukalani-Kula Community Plan (1996)	88	Expand and update the County Cultural Resource Management Program to identify significant cultural resources and provide recommendations for their protection and preservation.				
Makawao-Pukalani-Kula Community Plan (1996)	89	Develop and adopt an integrated energy functional plan for the County of Maui.				
Makawao-Pukalani-Kula Community Plan (1996)	90	Study and identify opportunities for developing alternative energy sources such as wind- and water-derived electricity in the Upcountry region.				
Makawao-Pukalani-Kula Community Plan (1996)	91	Develop and adopt guidelines for rural cluster developments.				
Makawao-Pukalani-Kula Community Plan (1996)	92	Prepare a progress report five years after the adoption of this plan for review by the public and Maui County Council describing the status of general and community plan implementation and actions taken to comply with same.				
Makawao-Pukalani-Kula Community Plan (1996)	93	Formulate and implement a directed and managed growth program, consistent with the adopted Makawao-Pukalani-Kula Community Plan and the Maui County General Plan.				
Makawao-Pukalani-Kula Community Plan (1996)	94	Continue the review of and modifications to permit management and processing procedures to improve operational efficiencies of regulatory processes.				
Makawao-Pukalani-Kula Community Plan (1996)	95	Continue and expand a pro-active County waste management strategy which includes reduction, recycling and reuse of solid waste and wastewater as major components.				
Makawao-Pukalani-Kula Community Plan (1996)	96	Adopt alternative subdivision standards, in regards to roadway widths, street lights, etc., that reflect the rural and agricultural character of the region. Such standards shall provide for sidewalks on one side of the street for County roads within a ¼-mile radius of developed or proposed school sites.				
Makawao-Pukalani-Kula Community Plan (1996)	97	Develop alternative subdivision standards for infrastructure which: (a) insure public health, safety and welfare; (b) are consistent with the desired lifestyle of the Native Hawaiian community; and (c) reduce construction costs.				
Makawao-Pukalani-Kula Community Plan (1996)	98	Develop appropriate street lighting standards for agricultural and rural areas.				
Molokai Community Plan (2018)	99	Compile GIS data and traditional ecological knowledge to map the highest value ecological areas and natural resources.

Molokai Community Plan (2018)	100	Complete and regularly maintain a GIS inventory of cultural, archaeological and historic resources and trails assembled from existing inventories and databases to be used for project review.				
Molokai Community Plan (2018)	101	Identify other significant cultural property types, including rural historic landscapes and traditional cultural properties, and take action to include appropriate sites on the National Register of Historic Places.				
Molokai Community Plan (2018)	102	Establish archaeological and historic districts where high concentrations of historic sites exist.				
Molokai Community Plan (2018)	103	Provide education and incentives to encourage property owners to nominate structures and sites to the State and National Register of Historic Places.				
Molokai Community Plan (2018)	104	Explore options to protect cultural sites listed in Appendix 3.3.				
Molokai Community Plan (2018)	105	Encourage the Governor to appoint members to the Moloka'i Island Burial Council so that regular hearings by this body may resume.				
Molokai Community Plan (2018)	106	Provide educational training to applicable County agencies on the role that the County permit process plays in historic preservation.				
Molokai Community Plan (2018)	107	Educate property owners regarding the need to prevent damage to, or destruction of, historic and cultural sites.				
Molokai Community Plan (2018)	108	Develop BMPs for land and development uses to protect identified priority view corridors or viewsheds.				
Molokai Community Plan (2018)	109	Complete the visual inventory, analysis, and mapping of key scenic view corridors, ridgelines, and viewsheds.				
Molokai Community Plan (2018)	110	Develop and implement the Scenic Roadway Corridors Management Plan and Design Guidelines.				
Molokai Community Plan (2018)	111	Provide educational workshops for design consultants and developers on scenic resource BMPs.				
Molokai Community Plan (2018)	112	Integrate scenic resource planning into natural and heritage resources strategies and plans.				
Molokai Community Plan (2018)	113	Map SLR projections for specific geographic areas on Moloka'i, utilizing data from the NOAA Digital Coast SLR and Coastal Flooding Impacts Viewer. Map other climate-related coastal hazard areas.				
Molokai Community Plan (2018)	114	Continue work with FEMA to update FIRMs that incorporate best available information on climate change and SLR.				
Molokai Community Plan (2018)	115	Implement additional CRS activities to improve class ratings and discounts on flood insurance premiums.

Molokai Community Plan (2018)	116	Conduct erosion analysis of Moloka`i's shoreline to determine rate of erosion and use the results to determine setback calculations that also factor in incremental effects of SLR.				
Molokai Community Plan (2018)	117	Coordinate with Federal, State and County agencies to obtain current SLR information and maps. Plan phased relocation of critical structures and roadways. Plan long-term strategic retreat of buildings. Identify priority planning areas where resources and planning efforts should be focused. Identify how and where to use adaptation strategies such as retreat, accommodation, and protection.				
Molokai Community Plan (2018)	118	Support development of a cultural archive of the kūpuna's knowledge of traditional hazard mitigation practices.				
Molokai Community Plan (2018)	119	Adopt a comprehensive zoning map for Moloka`i. Conduct a comprehensive review of interim zoned lands to identify and adopt zoning that is consistent with the Plan.				
Molokai Community Plan (2018)	120	Amend the zoning code to facilitate the development of mixed-use, pedestrian-oriented communities.				
Molokai Community Plan (2018)	121	Implement County responsibilities under Part III, Chapter 205, HRS to designate and establish IAL and the incentives therein.				
Molokai Community Plan (2018)	122	Review the SMA boundary and make changes as necessary to comply with the objectives and policies defined Section 205A-2, HRS, and incorporate best available information on Climate Change and SLR.				
Molokai Community Plan (2018)	123	Research and review poor or highly sloped agricultural lands for conversion to different designations.				
Molokai Community Plan (2018)	124	Study viable options for transitioning Moloka`i's commercial and population center away from the threat of SLR and coastal inundation.				
Molokai Community Plan (2018)	125	Research and develop a climate change policy and adaptation plan to address rising sea levels and beachfront housing and development.				
Molokai Community Plan (2018)	126	Adopt a "Traditional Land Use" (TLU) Overlay into the Community Plan Designations. The County PD should look at existing Community Plan Designations and County Zoning in Mana`e and recommend zoning adjustments based on current land use suitability analysis methods, as well as on the community recommendations included in the Mana`e GIS Mapping Project (COM, 2008) and the Traditional and Cultural Practices Report for Mana`e (OHA, 2016).				
Molokai Community Plan (2018)	127	Research and conduct viable options to alleviate tax burdens on kuleana land owners, potentially by basing assessments on actual use rather than potential use value. Also, review Section 3.48.554, MCC, for possible amendments.				
Molokai Community Plan (2018)	128	Amend the zoning code to allow a greater variety of housing types to address affordability, including mixed-use, mixed housing types, co-housing, prefabricated homes, and small lots.				
Molokai Community Plan (2018)	129	Establish a cap on Transient Vacation Rentals and Short-Term Rental Homes.

Molokai Community Plan (2018)	130	Amend the 1993 Design Guidelines For Country Town Business Districts Molokai Hawai'i				
Molokai Community Plan (2018)	131	Develop sub-area development plans for Kaunakakai, Maunaloa, Kaluako'i Kualapu'u / Ho'olehua, and the East End of Moloka'i.				
Molokai Community Plan (2018)	132	Develop a pedestrian linkage between Malama Park and Kaunakakai through streetscape improvements.				
Molokai Community Plan (2018)	133	Develop practicable incentives for Moloka'i businesses and property owners to implement sub-area development plan projects designed to preserve, maintain, and enhance buildings, structures, sites, viewpoints, pedestrian ways, and streets.				
Molokai Community Plan (2018)	134	Conduct a study to improve walkability in Kaunakakai.				
Molokai Community Plan (2018)	135	Review and update Chapter 16.26B, MCC, relating to indigenous architecture, as appropriate.				
Molokai Community Plan (2018)	136	Investigate options to share the cost of BCT guideline requirements for infrastructure upgrades among all Kaunakakai businesses, such as an Assessment District, so that renovations are economically feasible.				
Molokai Community Plan (2018)	137	Develop and implement a trail, greenway, and open space access plan that utilizes old agriculture roads and trails, where appropriate.				
Molokai Community Plan (2018)	138	Integrate a parking study with parking mitigation measures appropriate for Moloka'i into a Kaunakakai Revitalization and Beautification Plan. Explore the concept of centralized parking in Kaunakakai and utilize areas such as the former Molokai Electric Company's Kaunakakai Facility.				
Molokai Community Plan (2018)	139	Amend development regulations to ensure the construction of adequate parking with pathways near public shoreline access points.				
Molokai Community Plan (2018)	140	Adopt a beach/mountain access dedication ordinance using Transfer of Development Rights addressed in Chapter 46, HRS, if appropriate, to improve access along the shoreline and mountains.				
Molokai Community Plan (2018)	141	Provide the MoPC with the Planning Director's annual status reports as described in Chapter 2.80B, MCC.				
Molokai Community Plan (2018)	142	Provide training to the MoPC on all applicable laws providing the legal framework agencies must follow when engaging in decision making that may impact Native Hawaiian traditional and customary practices. Fulfill new requirement for a Native Hawaiian Cultural Expert on the Moloka'i Planning Commission.				
Molokai Community Plan (2018)	143	Adopt recommendations made in the Mana'e GIS Mapping Project (2008) where appropriate. (see footnote p.161)				
Molokai Community Plan (2018)	144	Support the nomination of appropriate sites to the State and National Registers of Historic Places, including re-nominating all sites that were dropped from the State Register of Historic Places in 1979, if appropriate.

Molokai Community Plan (2018)	145	Ensure that traditional and culturally significant lands are conserved, preserved, and protected by supporting designations to protect and preserve traditional lands under the DLNR conservation regulations, through County zoning, or other appropriate methods, including the creation of a Traditional Land Use Overlay.				
Molokai Community Plan (2018)	146	Review land use policies for all coastal areas, wetlands, and systems engineered for kalo cultivation to preserve those lands for their cultural and environmental purpose.				
Molokai Community Plan (2018)	147	Provide appropriate access to the grove at Kukui o Lanikaula.				
Molokai Community Plan (2018)	148	Nominate important sites to the State Register of Historic Places where appropriate.				
Molokai Community Plan (2018)	149	Support designations to protect and preserve traditional and culturally significant lands under the DLNR conservation regulations during the County zoning process, or other appropriate methods, including the creation of a Traditional Land Use Overlay.				
Molokai Community Plan (2018)	150	Explore appropriate action to limit the height of new buildings on the West End to a maximum of 35 feet.				
Molokai Community Plan (2018)	151	Explore appropriate action to require large-scale commercial developers to conduct a social impact assessment for any proposed development, identifying potential impacts on the community and proposed mitigative measures.				
Molokai Community Plan (2018)	152	Survey of wildlife on Moloka'i should be continued into the West End area with documentation of traditional lands.				
Molokai Community Plan (2018)	153	Establish a community-supported cap on TVRs and STRHs for the West End.				
Paia-Haiku Community Plan (1995)	154	Review, amend and adopt, as appropriate, zoning ordinances, including but not limited to a Rural Light Industrial zoning classification.				
Paia-Haiku Community Plan (1995)	155	Develop and implement a directed and managed growth plan and strategies to guide and coordinate future development with the availability of public infrastructure.				
Paia-Haiku Community Plan (1995)	156	Update the County's socio-economic database.				
Paia-Haiku Community Plan (1995)	157	Prepare a report describing the status of general and community plan implementation.				
Paia-Haiku Community Plan (1995)	158	Require development projects to identify all archaeological and cultural sites and resources, including traditional accesses, located within or adjacent to the project area as part of initial project studies.				
Paia-Haiku Community Plan (1995)	159	Expand the Community Plan boundary a minimum of 1,000 feet above the selected roadway alignment.

Wailuku-Kahului Community Plan (2002)	192	Formulate special plans and studies to implement recommendations of the Community Plan. These would include water development and distribution, housing, local and regional circulation, drainage, solid waste and recycling, sewage disposal and treatment, human services, recreation, public safety and other special plans and studies as required.				
Wailuku-Kahului Community Plan (2002)	193	Initiate a study of minimum lot sizes in agricultural zones which will encourage viable farm operations and discourage conversion to other uses.				
Wailuku-Kahului Community Plan (2002)	194	Establish zoning district classifications to implement the land use recommendations in the Community Plan, including but not limited to Service Business/Single Family Residential (SBR), Business/Multi-Family (BMF) and Business/Industrial (BI).				
Wailuku-Kahului Community Plan (2002)	195	Establish a direct control overlay district at Kahului Airport in order to ensure use compatibility and appropriate design and construction standards.				
Wailuku-Kahului Community Plan (2002)	196	Develop and adopt an integrated energy functional plan for the County of Maui, including but not limited to, strategies for energy conservation, reuse of treated waste water, recycling, reduction in the use of fossil fuels, public education and awareness, and other strategies and actions related to transportation and utilities, housing, environment, urban design and economic activity.				
Wailuku-Kahului Community Plan (2002)	197	Identify energy saving measures for all community buildings and facilities.				
Wailuku-Kahului Community Plan (2002)	198	Implement a unified landscape planting theme along Ka`ahumanu Avenue from Kahului to Wailuku and along other major public roadways.				
Wailuku-Kahului Community Plan (2002)	199	Establish a Wailuku Town Design District with adopted design guidelines.				
West Maui Community Plan (2022)	200	Conduct a feasibility study on managed retreat of at-risk developments in West Maui, to include an analysis of alternatives and interim steps to achieve managed retreat, identify incentives for proactive retreat, and support developing programmatic environmental documents to assist in implementing managed retreat.				
West Maui Community Plan (2022)	201	Coordinate the establishment of special improvement districts and community facilities districts for areas in West Maui threatened by coastal hazards, meeting appropriate criteria set by the County Council, such as committing to implement managed retreat programs as the long-term plan.				
West Maui Community Plan (2022)	202	Work with affected property owners to create and implement beach management plans for beach cells in West Maui, and conduct any necessary environmental assessments.				
West Maui Community Plan (2022)	203	Develop an inventory of natural and cultural resources and practices impacted by sea level rise, along with preservation plans.				
West Maui Community Plan (2022)	204	Evaluate shoreline access locations to be impacted by sea level rise, and identify solutions to preserve shoreline access.				
West Maui Community Plan (2022)	205	Propose amendments to the Special Management Area (SMA) boundaries to account for sea level rise and other hazards, as well as other SMA criteria.

West Maui Community Plan (2022)	206	Obtain funding for additional sea level rise exposure modeling incorporating local data to use in vulnerability assessments of critical infrastructure and facilities in the event of six feet or more of sea level rise.				
West Maui Community Plan (2022)	207	Update and implement the Traffic Impact Fee Study and proposed ordinances.				
West Maui Community Plan (2022)	208	Propose amendments to the County Historic District Ordinances to allow existing hotels, prohibit new vacation rentals, and phase out existing vacation rentals that are not hotels or inns. Phasing out could be accomplished by counting vacation rentals towards short-term rental home permit caps or by attrition.				
West Maui Community Plan (2022)	209	Propose amendments to expand the boundaries of the Historic Districts to include both sides of Front Street, from Shaw Street to the southern terminus of Front Street, once new transient vacation rentals are prohibited.				
West Maui Community Plan (2022)	210	Expand the boundaries of the Historic Districts, and propose companion amendments to the National Historic Landmark District, should new cultural assets be identified.				
West Maui Community Plan (2022)	211	Develop a cultural overlay map identifying the location of important historical events, known burial sites and archaeological resources, and known above-ground resources. Create a cultural overlay district to protect cultural assets and establish an efficient review process for property owners.				
West Maui Community Plan (2022)	212	Propose amendments to the Maui County Code to prohibit new development within gulches as identified in Figure 2.3, and within wetlands, and implement a 100-foot buffer around gulches, wetlands, and streams where no structures will be allowed.				
West Maui Community Plan (2022)	213	Inform property owners with swimming pools within the SMA of Policy 2.3.6, prohibiting draining of pool water directly to the ocean.				
West Maui Community Plan (2022)	214	Develop new design guidelines for Lāhainā Town that provide detailed guidance on the following: rehabilitation of historic buildings, additions to historic buildings, construction of new buildings, landscape and streetscape elements, and treatment of archaeological properties and cultural sites.				
West Maui Community Plan (2022)	215	Create a County Historic District officer position or ensure that enforcement personnel are sufficiently trained to be responsible for enforcement and education in the Lāhainā Historic Districts.				
West Maui Community Plan (2022)	216	Obtain funding, design, and build a canoe hale structure for storage of canoes at the proposed Hanaka'ō'ō Beach mauka expansion.				
West Maui Community Plan (2022)	217	Work with the State Department of Land and Natural Resources to document and map existing government trails and identify missing links to improve connectivity and function, with the ultimate goal of developing an active and usable network of public trails throughout West Maui.				
West Maui Community Plan (2022)	218	Initiate changes in zoning based on community plan designations for growth areas identified as high priority for 100 percent affordable housing.				
West Maui Community Plan (2022)	219	Propose legislation to amortize the short-term occupancy list and phase out short-term rental use to make more housing units available for long-term occupancy.

Hana Community Plan (1994)	1	Limit the height of man-made walls to avoid visual obstruction of coastal areas and scenic mauka areas.				
Hana Community Plan (1994)	2	Review and modify, as appropriate, the existing Maui County building code and subdivision code, to promote reduction in home construction costs.				
Hana Community Plan (1994)	3	Develop and implement appropriate "rural standards" for public facilities and privately sponsored building improvements, roadways and subdivisions.				
Hana Community Plan (1994)	4	Improve sidewalks and roads within residential areas to ensure safe passage for pedestrians and vehicular traffic.				
Hana Community Plan (1994)	5	Develop appropriate and achievable rural standards for infrastructural improvements.				
Hana Community Plan (1994)	6	Provide a back-up electrical generator which will provide power to the Hana region during periods of electrical power outages.				
Hana Community Plan (1994)	7	Provide energy services to Kipahulu.				
Hana Community Plan (1994)	8	Prepare a Pi'ilani Highway management plan which identifies: (1) features to be preserved; (2) signage requirements; (3) maintenance requirements; and (4) traffic management.				
Hana Community Plan (1994)	9	Improve Hana Highway to allow safe passage of two-way vehicular traffic.				
Hana Community Plan (1994)	10	Improve Pi'ilani Highway as an alternative route to Hana while protecting and preserving the integrity of natural landforms and historic structures in remote areas.				
Kihei-Makena Community Plan (1998)	11	Use energy-efficient street lights; develop agricultural/rural light standards				
Kihei-Makena Community Plan (1998)	12	Provide landscaped buffer areas between Piilani Highway and adjacent communities to mitigate highway noise and to reduce the visual impact of development. Both Piilani Highway and South Kihei Road shall be landscaped to achieve a parkway character.				
Kihei-Makena Community Plan (1998)	13	Develop incentives and requirements for energy-efficient building design and site development practices.				
Kihei-Makena Community Plan (1998)	14	Plan, design and construct a new Road "C".				
Kihei-Makena Community Plan (1998)	15	Plan, design and construct appropriate sections of a new North-South Collector Road, from Uwapo Road to Keonekai Road.				
Kihei-Makena Community Plan (1998)	16	Plan, design and construct a new Road "B".

Kihei-Makena Community Plan (1998)	17	Plan, design and construct a new Road "A".				
Kihei-Makena Community Plan (1998)	18	Undertake a complete flood analysis for the Kihei area and formulate a regional drainage master plan.				
Lanai Community Plan (2016)	19	Reduce sediment and nutrient loads from entering coastal waters by assisting landowners, upon request, to construct small-scale water retention, or bioretention, projects that control surface flows and increase aquifer recharge.				
Lanai Community Plan (2016)	20	Develop a toolbox of BMPs, such as the use of green infrastructure, to mitigate sediment and pollutant runoff.				
Lanai Community Plan (2016)	21	Work with the State to develop code and regulation changes to allow graywater reuse systems for home garden irrigation and toilet flushing as long as the system meets County and State safety standards. Provide educational materials to encourage residential use.				
Lanai Community Plan (2016)	22	Develop a long-range land transportation master plan for Lāna`i, which utilizes a complete streets approach to roadway design, establishes specific roadway standards, and includes a pedestrian plan for Lāna`i City.				
Lanai Community Plan (2016)	23	Establish who has jurisdiction/ownership and responsibility over Old Government Road.				
Lanai Community Plan (2016)	24	Develop restrictions for commercial trucks and buses exceeding 6,000 pounds Gross Vehicle Weight (GVW) to established routes through Lāna`i City pending the construction of a bypass road.				
Lanai Community Plan (2016)	25	Develop a comprehensive stormwater management plan. Emphasize natural systems drainage where possible.				
Lanai Community Plan (2016)	26	Build dispersion and retention methods to address dirt runoff from dirt roads.				
Lanai Community Plan (2016)	27	Implement Kō`ele PD and Lāna`i City Master Drainage Plans.				
Lanai Community Plan (2016)	28	Inspect and, if necessary, repair stormwater drainage swales and culverts in Lāna`i City and remove blockages from drains and channels.				
Lanai Community Plan (2016)	29	Select options for implementing LED lighting to save energy and provide a more point-like light source.				
Makawao-Pukalani-Kula Community Plan (1996)	30	As a condition of subdivision approval for non-agricultural lots, require that lot owners execute agreements which preclude legal action being brought against nearby farmers on issues relating to agricultural operations/nuisances.				
Makawao-Pukalani-Kula Community Plan (1996)	31	Revise the subdivision ordinance to require bona-fide agricultural use for agricultural subdivisions.

Makawao-Pukalani-Kula Community Plan (1996)	32	Maintain Makawao Avenue and Baldwin Avenue as the primary roadways serving Makawao Town center.				
Makawao-Pukalani-Kula Community Plan (1996)	33	Eliminate as a capital improvement project, the planning, design and funding for the Makena-Ulupalakua connector road.				
Makawao-Pukalani-Kula Community Plan (1996)	34	Construct pedestrian, equestrian and bikeway facilities which connect major origin and destination points. Such facilities include: a. Pedestrian/equestrian/bikeway routes which link Makawao Town center, Eddie Tam Memorial Gym, Kalama Intermediate School, and continuing along Makani Road to Haleakala Highway; b. Pedestrian/equestrian/bikeway routes which link Pukalani residential areas with the Pukalani Community Center, Pukalani Elementary School, and the Pukalani Terrace Center, along Pukalani Street from Haleakala Highway to the Pukalani Country Club, with a future extension to the Kulamalu project; and c. Pedestrian/bikeway route along the Pukalani Bypass and Kula Highway from Makani Road to Ulupalakua.				
Makawao-Pukalani-Kula Community Plan (1996)	35	Provide continuous sidewalks and encourage protective overhangs along Baldwin and Makawao Avenues.				
Makawao-Pukalani-Kula Community Plan (1996)	36	Provide continuous sidewalks along Lower Kula road within Waiakoa Village, from the Kula Community Center to Calasa Road.				
Makawao-Pukalani-Kula Community Plan (1996)	37	Develop and implement alternate rural standards for public facilities and privately sponsored building improvements, roadways and subdivisions.				
Makawao-Pukalani-Kula Community Plan (1996)	38	Improve the safety of Omaopio and Pulehu Roads.				
Makawao-Pukalani-Kula Community Plan (1996)	39	Establish an additional roadway connection to Haleakala Highway from Pukalani Terrace through the 65 acre single-family area located north of and adjacent to the existing Pukalani Terrace residential subdivision. The alignment of this new roadway shall not displace existing residences.				
Makawao-Pukalani-Kula Community Plan (1996)	40	Provide roadway shoulder improvements to improve bicycling safety, but do not detract from the rural atmosphere.				
Makawao-Pukalani-Kula Community Plan (1996)	41	Provide safe bicycle routes along Makani Road from Makawao through the new Pukalani Terrace subdivision and along Kula Highway from Makani Road to Keokea.				
Makawao-Pukalani-Kula Community Plan (1996)	42	Prepare an Upcountry master plan for equestrian trails, bikeways and pedestrian ways, including a capital improvements program which can be funded by Federal, State and County monies.				
Makawao-Pukalani-Kula Community Plan (1996)	43	Prepare a roadway master plan for the Upcountry region, including the development of appropriate road standards for rural areas.

Makawao-Pukalani-Kula Community Plan (1996)	44	Establish a "park and ride" site(s) in the Upcountry area. Sites should be identified to facilitate carpooling to Wailuku-Kahului and to Kihei-Makena.				
Makawao-Pukalani-Kula Community Plan (1996)	45	Improve Kealaloa Avenue, particularly at its intersection with Haleakala Highway, to facilitate movement of heavy weight vehicles. Once such improvements are constructed, heavy weight vehicles providing service to Haleakala Dairy and Ranch shall be prohibited access from Makawao Avenue and Lower Kealaloa Avenue. Any improvements shall preserve the scenic qualities of the route to the greatest extent possible.				
Makawao-Pukalani-Kula Community Plan (1996)	46	Adopt standards and regulations for the use of solar water heating, low flush toilets and other conservation fixtures in new building construction.				
Makawao-Pukalani-Kula Community Plan (1996)	47	Use energy efficient street lights and develop appropriate street lighting standards for agricultural and rural areas.				
Makawao-Pukalani-Kula Community Plan (1996)	48	Rewrite the existing Maui County Building Code and subdivision code to reduce home construction costs in rural and remote areas and to ensure that development is compatible with the Upcountry area.				
Makawao-Pukalani-Kula Community Plan (1996)	49	Consider development of rules which would allow the use of house trailers for temporary residential use while construction of permanent residence is in progress. Such use would be allowed only for a period of (2) two years from issuance of the building permit.				
Makawao-Pukalani-Kula Community Plan (1996)	50	Explore modifications to building and subdivision codes and standards such as minimum lot sizes, and compact parking ratios which will reduce the ultimate cost of housing.				
Molokai Community Plan (2018)	51	Develop a toolbox of green infrastructure BMPs and conduct workshops for consultants, designers, developers, and builders.				
Molokai Community Plan (2018)	52	Develop educational materials addressing heritage and natural resources impacts from unpermitted ground altering activities; disseminate educational materials widely, including to private landowners and visitors; provide instructions for reporting unpermitted activities. Train Moloka'i Development Services Administration (DSA) personnel to immediately respond to complaints.				
Molokai Community Plan (2018)	53	Support wildfire mitigation activities such as green belts around subdivisions and vegetation control around power poles that will minimize risk of wildfire susceptibility to properties and subdivisions.				
Molokai Community Plan (2018)	54	Develop and adopt small town street design standards that are appropriate for Moloka'i and within Department of Public Works' standards.				
Molokai Community Plan (2018)	55	Develop incentives to promote the use of sustainable green building and development practices.				
Molokai Community Plan (2018)	56	Develop a comprehensive stormwater management plan that emphasizes use of natural systems drainage where possible.

Molokai Community Plan (2018)	57	Build dispersion and retention facilities to address dirt-road runoff.				
Molokai Community Plan (2018)	58	Implement the Kaunakakai Master Drainage Plan.				
Molokai Community Plan (2018)	59	Inspect, maintain, and if necessary, repair or install new stormwater drainage swales and culverts and remove blockages from drains and channels.				
Molokai Community Plan (2018)	60	Prepare a GIS database to inventory existing stormwater infrastructure.				
Molokai Community Plan (2018)	61	Evaluate older swales and drains for current functioning and restore, if needed. Add natural drainage storage and filtration to supplement existing system.				
Molokai Community Plan (2018)	62	Encourage appropriate Federal and State agencies and private landowners to improve or restore historic wetlands that help to mitigate impacts from stormwater drainage systems.				
Molokai Community Plan (2018)	63	Complete the Kaunakakai drainage system.				
Molokai Community Plan (2018)	64	Reconstruct culverts to 100-year flood specifications on all County roads.				
Molokai Community Plan (2018)	65	Prepare a plan for an integrated multi-modal transportation system with "Complete Streets" that serve automotive, public transit, bicycle, pedestrian, wheelchairs, and other land transportation modes.				
Molokai Community Plan (2018)	66	Support additional access routes located around Kaunakakai to facilitate access to and from town.				
Molokai Community Plan (2018)	67	Explore the possibility of the County acquiring privately owned roads on Moloka'i.				
Molokai Community Plan (2018)	68	Fund and construct a public parking area in Kaunakakai to relieve existing parking requirements on businesses wishing to expand or improve.				
Molokai Community Plan (2018)	69	Complete a site selection study to identify a location for a new cemetery.				
Molokai Community Plan (2018)	70	Explore the feasibility of the County taking over the maintenance of the roads on the West End.				
Paia-Haiku Community Plan (1995)	71	Maintain drainage ways, swales and spillways.				
Paia-Haiku Community Plan (1995)	72	Undertake more frequent resurfacing and repair, and widening of road shoulders in dangerous sections, in order to improve road conditions.

Paia-Haiku Community Plan (1995)	73	Construct sidewalks with landscaping in the commercial areas of Paia and Haiku, so as to retain their existing characters.				
Paia-Haiku Community Plan (1995)	74	Require archaeological field checks before issuance of building and grading permits for properties located in gulches.				
Paia-Haiku Community Plan (1995)	75	Provide a stop sign on Haiku Road at its intersection with West Kuiaha Road, so that West Kuiaha Road becomes a through street.				
Paia-Haiku Community Plan (1995)	76	Adopt standards and regulations for the use of solar heating, low flush toilets and other conservation fixtures in new building construction.				
Paia-Haiku Community Plan (1995)	77	Adopt standards for housing design and construction to reduce energy and water consumption.				
Paia-Haiku Community Plan (1995)	78	Revise building, subdivision and roadway standards appropriate for rural areas to maintain its character, and reduce cost of developments.				
Wailuku-Kahului Community Plan (2002)	79	Maintain drainage ways, swales and spillways.				
Wailuku-Kahului Community Plan (2002)	80	Update and implement the Department of Transportation's Maui Long Range Planning Study: Island wide Plan and other traffic master plans to implement the Community Plan. The improvements to the regional roadway network should include but not be limited to the following:				
Wailuku-Kahului Community Plan (2002)	81	Maui Lani: Extend Lono Avenue, Kamehameha Avenue, and Onehee Street into the Maui Lani Project District.				
Wailuku-Kahului Community Plan (2002)	82	Maui Lani: Provide interconnections with the Maui Lani roadway Highway, Honoapi'ilani Highway, and Waiale Drive in order to provide maximum flexibility for the additional traffic to be generated by Maui Lani and to reduce its impact on adjoining existing neighborhoods.				
Wailuku-Kahului Community Plan (2002)	83	Maui Lani: The Lono Avenue extension should proceed the Kamehameha Avenue and Onehee extensions. If Maui Lani does not proceed in a timely manner, the County should proceed with the Lono Avenue extension.				
Wailuku-Kahului Community Plan (2002)	84	Maui Lani: Upgrade Mahalani Street, Kamehameha Avenue, Onehee Avenue and Lono Avenue to County collector road standards.				
Wailuku-Kahului Community Plan (2002)	85	Maui Lani: Plan the Maui Lani Parkway as an arterial road.				
Wailuku-Kahului Community Plan (2002)	86	Kahului: Improve Dairy Road between Kuihelani Highway and Keolani Place.				
Wailuku-Kahului Community Plan (2002)	87	Kahului: Improve major intersections to accommodate increased traffic volumes, including turning lanes, signals, and other improvements, including but not limited to the corridors of Kamehameha, Puunene and Wakea Avenues.

Wailuku-Kahului Community Plan (2002)	88	Kahului: Improve existing roadway systems within the Kahului Light Industrial area and accessing Kahului Airport to facilitate egress/ingress and to provide for the safe and convenient flow of traffic.				
Wailuku-Kahului Community Plan (2002)	89	Kahului: Improve Lower Main Street.				
Wailuku-Kahului Community Plan (2002)	90	Wailuku: Establish additional major routes between Kahului and Wailuku by utilizing the major road systems of the Maui Lani and C. Brewer Project Districts with connections to Honoapi'ilani and Kuihelani Highways and Waiale Road.				
Wailuku-Kahului Community Plan (2002)	91	Wailuku: Extend Mahalani Street as a through connection between Kaahumanu Avenue and Waiale Road. This extension shall be preceded by or developed concurrently with a second roadway access to Maui Memorial Hospital.				
Wailuku-Kahului Community Plan (2002)	92	Wailuku: Establish a new Wailuku through road connecting Honoapi'ilani and Kahekili Highways, utilizing the existing Waiale Road right-of-way, the old cane haul road, as well as the major roads in the Piihana Project District.				
Wailuku-Kahului Community Plan (2002)	93	Wailuku: Establish a new access road to serve the existing and proposed golf courses to alleviate through traffic in Waihe'e town.				
Wailuku-Kahului Community Plan (2002)	94	Wailuku: Provide left turn lanes on Lower Main Street between Mill Street and Waiale Drive.				
Wailuku-Kahului Community Plan (2002)	95	Wailuku: Facilitate or expedite the connection of Waiale Drive to Kuikahi Drive.				
Wailuku-Kahului Community Plan (2002)	96	Wailuku: Improve Waiale Drive and plan for a future connection to the Honoapi'ilani Highway south of Waikapu.				
Wailuku-Kahului Community Plan (2002)	97	Other: Acquire and maintain Waiko Road as public vehicular right-of-way.				
Wailuku-Kahului Community Plan (2002)	98	Other: In addition to other roadway improvements, implement other alternatives for improving traffic circulation in the region through signalization, one-way streets, prohibiting on-street parking and heavy-weight vehicles, and establishing time controls.				
Wailuku-Kahului Community Plan (2002)	99	Other: Provide a second roadway access connecting to the Maui Memorial Hospital.				
Wailuku-Kahului Community Plan (2002)	100	Provide incentives to promote the use of alternative energy sources.				
Wailuku-Kahului Community Plan (2002)	101	Develop procedures and regulations to streamline government review and approval for housing projects. This should result in cost reductions by expediting the time required for implementation.				
Wailuku-Kahului Community Plan (2002)	102	Revise zoning, building and housing codes to allow for specialized elderly housing projects.

Wailuku-Kahului Community Plan (2002)	103	Provide a second roadway access to Maui Memorial Hospital. This access should precede or be concurrent with the extension of Mahalani Street.				
Wailuku-Kahului Community Plan (2002)	104	Streamline the land use, building permit and subdivision processes through means such as consolidated public hearings and concurrent processing of applications.				
Wailuku-Kahului Community Plan (2002)	105	Update and implement a drainage master plan for the planning region.				
Wailuku-Kahului Community Plan (2002)	106	Adopt standards and regulations for the use solar heating, low flush toilets and other conservation fixtures in new building construction.				
Wailuku-Kahului Community Plan (2002)	107	Develop incentives and requirements for energy efficient building design and site development practices through various approaches, including modifications to building codes and zoning and subdivision ordinances.				
Wailuku-Kahului Community Plan (2002)	108	Establish ordinances to designate heavy weight commercial traffic routes to relieve traffic impacts on residential neighborhoods and the traditional town center.				
Wailuku-Kahului Community Plan (2002)	109	Study traffic patterns and circulation at intersections adjacent to school sites prior to road construction to ensure safe access.				
Wailuku-Kahului Community Plan (2002)	110	Implement the Department of Transportation Bikeway Master Plan and the County Bikeway Plan.				
Wailuku-Kahului Community Plan (2002)	111	Implement related actions specified in the Transportation section of the Community Plan related to roadways, pedestrian and bikeway improvements.				
Wailuku-Kahului Community Plan (2002)	112	Provide pedestrian and bicyclist amenities within Wailuku Town, including shaded rest stops, bicycle parking, trash receptacles and public restroom facilities.				
West Maui Community Plan (2022)	113	Propose amendments to the building, fire, and zoning codes that promote resilient structures and communities.				
West Maui Community Plan (2022)	114	Identify and implement temporary safety measures such as signage and lane shifts to alert the public of dangerous road conditions due to sea level rise and climate change, especially during extreme high tides or large surf in the area.				
West Maui Community Plan (2022)	115	Update the Lāhainā Town Drainage Master Plan with consideration given to Low Impact Development solutions, and develop an implementation plan.				
West Maui Community Plan (2022)	116	Support the implementation of flood control projects and siltation basins mauka of Honoapiʻilani Highway, including the remaining phases of the Lāhainā Watershed Project, to address problem areas.				
West Maui Community Plan (2022)	117	Maintain a current inventory of drainage facilities in West Maui for use in developing long-term plans to address stormwater issues.				
West Maui Community Plan (2022)	118	Improve stormwater management systems along Lower Honoapiʻilani Road to minimize stormwater runoff to the ocean.

West Maui Community Plan (2022)	119	Prioritize regular maintenance and clearing of sediment basins in West Maui.				
West Maui Community Plan (2022)	120	Implement the County's Storm Water Management Plan in West Maui with consideration of Low Impact Development objectives.				
West Maui Community Plan (2022)	121	Educate the public on existing policies related to maintenance of drainageways.				
West Maui Community Plan (2022)	122	Propose amendments to the Maui County Code to require permeable surfaces or other Low Impact Development standards to be used in new or redeveloped parking lots and streets, to mitigate runoff and help with groundwater recharge.				
West Maui Community Plan (2022)	123	Develop guidelines and incentives for landowners to retain stormwater runoff and include more permeable surfaces on their property.				
West Maui Community Plan (2022)	124	Retrofit existing streets with pedestrian and bike facilities, where appropriate, throughout West Maui neighborhoods and commercial areas, including along Lower Honoapi'ilani Highway from Kahana to Nāpili.				
West Maui Community Plan (2022)	125	Provide multiple convenient and safe pedestrian crossings on Keawe Street mauka of Honoapi'ilani Highway.				
West Maui Community Plan (2022)	126	Develop and implement a Lāhainā Town Master Plan to integrate land use and multimodal transportation planning that includes a mobility and circulation study, considerations for relocation of the transit hub, and creation of a bus transit corridor on Honoapi'ilani Highway through Lāhainā Town.				
West Maui Community Plan (2022)	127	Promote travel demand management strategies such as staggered start times and Intelligent Transportation Systems (ITS) message signs to reduce congestion on Honoapi'ilani Highway and the Lāhainā Bypass.				
West Maui Community Plan (2022)	128	Complete the West Maui Greenway multi-use path to provide a safe, off-road path for walking and bicycling between parks, neighborhoods, and businesses.				
West Maui Community Plan (2022)	129	Implement Safe-Routes-to-Schools and Safe-Routes-to-Parks projects throughout West Maui.				
West Maui Community Plan (2022)	130	Redesign mauka-makai streets in Lāhainā Town to enhance pedestrian and bicycle movement, including enhanced sidewalk facilities, bicycle lanes, shade trees, planters, and street furniture, with particular attention to Lāhaināluna Road, mauka of Honoapi'ilani Highway.				
West Maui Community Plan (2022)	131	When intersections are required, encourage safe, pedestrian-friendly intersections along the planned Lāhainā Bypass Road, with priority given to kuleana access, and safe passage of agricultural equipment and vehicles, where appropriate.				
West Maui Community Plan (2022)	132	Propose updates to the subdivision and zoning code to expand the types of multimodal facilities associated with new development and to require roadway and multimodal connectivity among existing and future developments. Updates to include different types of sidewalks or walkways to provide flexibility in building the pedestrian network.

Kihei-Makena Community Plan (1998)	33	Establish and maintain a monitoring program for nearshore waters.				
Kihei-Makena Community Plan (1998)	34	Develop and implement a strategy for dunes protection.				
Kihei-Makena Community Plan (1998)	35	Consider a third elementary school site of approximately 20 acres in the north of Kihei.				
Kihei-Makena Community Plan (1998)	36	Enhance the classroom learning environment through such measures as the installation of air-conditioning and ceiling fans.				
Kihei-Makena Community Plan (1998)	37	Require the construction of a playground and physical education facilities south of Lokelani Intermediate School.				
Kihei-Makena Community Plan (1998)	38	Require the Department of Education to provide and maintain a landscaped buffer between Pi'ilani Highway and Kihei School and Lokelani Intermediate Schools.				
Kihei-Makena Community Plan (1998)	39	Plan and locate a site for a high school to serve the Kihei region.				
Lanai Community Plan (2016)	40	Update the WUDP demand analysis to account for new growth areas. Monitor and implement the updated WUDP.				
Lanai Community Plan (2016)	41	Develop and implement a comprehensive watershed protection plan that would plant more trees and foliage on Lana'ihale and other areas to maximize fog drip and recharge the aquifer.				
Lanai Community Plan (2016)	42	Develop and continue to support public and quasi-public partnerships to protect and restore the island's watershed and maximize aquifer recharge.				
Lanai Community Plan (2016)	43	Evaluate the status of available water resources on the island, if CWRM identifies major flaws in the monthly water status reports.				
Lanai Community Plan (2016)	44	Develop and implement a water rate structure that encourages conservation.				
Lanai Community Plan (2016)	45	Continue to improve landscape planting and irrigation guidelines that encourage drought-tolerant plants and water conserving-irrigation systems.				
Lanai Community Plan (2016)	46	Continue to implement leak detection and repair programs.				
Lanai Community Plan (2016)	47	Cover the 15 MG brackish reservoir to reduce evaporation by the end of June 2017.

Lanai Community Plan (2016)	49	Continue planning, exploration, testing, and development of alternative water resources, such as a desalination plant.				
Lanai Community Plan (2016)	50	Prohibit the use of high-level aquifer water for golf course irrigation purposes, consistent with the Water Use and Development Plan for Lāna`i and as provided for by law.				
Lanai Community Plan (2016)	51	Provide high-speed internet throughout the island.				
Lanai Community Plan (2016)	52	Provide cell phone service all around the island for complete coverage.				
Lanai Community Plan (2016)	53	Provide more wireless "hot spots" in Lāna`i City and Mānele PD.				
Makawao-Pukalani-Kula Community Plan (1996)	54	Provide additional elementary schools, as required and establish a student enrollment limit of 700 for each school.				
Makawao-Pukalani-Kula Community Plan (1996)	55	Provide a new intermediate school when enrollment at Kalama Intermediate School reaches 1,200. The new intermediate school would serve students from Pukalani and Kula, with Kalama Intermediate School serving students from Makawao and Haiku.				
Makawao-Pukalani-Kula Community Plan (1996)	56	Construct permanent school buildings to replace existing temporary classrooms.				
Makawao-Pukalani-Kula Community Plan (1996)	57	Give priority consideration to the "no-build" alternative of the proposed Upcountry-Kihei Highway. If built, establish an alignment for the Upcountry-Kihei Connector road which provides a connection to Haleakala Highway near its intersection with Hali`imaile Road.				
Makawao-Pukalani-Kula Community Plan (1996)	58	Prohibit vehicular access onto the Pukalani Bypass Highway. Access should be from Makani Road, Makawao Avenue or Haleakala Highway.				
Makawao-Pukalani-Kula Community Plan (1996)	59	Conduct a regional land resource assessment to identify areas suitable for revegetation and reforestation with native plant species.				
Makawao-Pukalani-Kula Community Plan (1996)	60	Implement a forest planting program to achieve a goal of an additional 10,000 acres of forested land to enhance the Makawao-Pukalani-Kula region's natural environment (e.g., watershed recharge, soil erosion mitigation). Encourage agencies and educational institutions to increase instructional programs in organic farming and integrated pest management.				
Makawao-Pukalani-Kula Community Plan (1996)	61	Explore the establishment of general hospital services at Kula San Hospital.				
Makawao-Pukalani-Kula Community Plan (1996)	62	Develop an upcountry public safety center centrally located in Pukalani which will provide facilities for comprehensive health and emergency services, and a police substation.

Paia-Haiku Community Plan (1995)	63	Undertake more frequent resurfacing and repair, and widening of road shoulders in dangerous sections, in order to improve road conditions.				
Paia-Haiku Community Plan (1995)	64	Provide landscape buffering along the makai side of the proposed Alternate Road and along the makai and mauka edges of the sugar mill area and in a manner that does not detract from scenic vistas.				
Wailuku-Kahului Community Plan (2002)	65	Acquire a minimum of 10 acres of land for expansion of Maui Memorial Hospital as soon as possible.				
Wailuku-Kahului Community Plan (2002)	66	Study circulation patterns at school sites.				
Wailuku-Kahului Community Plan (2002)	67	Re-establish school bus routes and stops to minimize impacts on residential neighborhoods and provide sheltered stops where appropriate.				
Wailuku-Kahului Community Plan (2002)	68	Study traffic patterns and circulation at intersections adjacent to school sites prior to road construction, to ensure safe access.				
Wailuku-Kahului Community Plan (2002)	69	Update and implement the Department of Transportation's Maui Long Range Planning Study: Island wide Plan and other traffic master plans to implement the Community Plan. The improvements to the regional roadway network should include but not be limited to the following: Maui Lani: Provide interconnections with the Maui Lani roadway network to Kuihelani Highway, Honoapi'ilani Highway, and Waiale Drive in order to provide maximum flexibility for the additional traffic to be generated by Maui Lani and to reduce its impact on adjoining existing neighborhoods.				
Wailuku-Kahului Community Plan (2002)	70	Kahului: Improve major intersections to accommodate increased traffic volumes, including turning lanes, signals, and other improvements, including but not limited to the corridors of Kamehameha, Pu'unene and Wakea Avenues.				
Wailuku-Kahului Community Plan (2002)	71	Kahului: Construct the planned Airport Access Road.				
Wailuku-Kahului Community Plan (2002)	72	Kahului: Improve existing roadway systems within the Kahului Light Industrial area and accessing Kahului Airport to facilitate egress/ingress and to provide for the safe and convenient flow of traffic.				
Wailuku-Kahului Community Plan (2002)	73	Kahului: Improve Kahului Beach Road between Ka'ahumanu Avenue and Waiehu Beach Road/Lower Main Street.				
Wailuku-Kahului Community Plan (2002)	74	Wailuku: Establish additional major routes between Kahului and Wailuku by utilizing the major road systems of the Maui Lani and C. Brewer Project Districts with connections to Honoapi'ilani and Kuihelani Highways and Waiale Road.				
Wailuku-Kahului Community Plan (2002)	75	Other: Improve Honoapi'ilani Highway south of Kuihelani Highway.				
Wailuku-Kahului Community Plan (2002)	76	Other: Improve Kuihelani Highway from Pu'unene Avenue to the future Maui Lani Parkway and plan for the continuation of such improvements to Honoapi'ilani Highway.

PLANNING	26	Undertake a comprehensive zoning program to implement the Makawao-Pukalani-Kula Community Plan Land Use Map in order to phase out "Interim" zoning within 18 months of the adoption of this plan.				
PLANNING	27	Formulate and implement a comprehensive directed and managed growth program, consistent with the adopted Makawao-Pukalani-Kula Community Plan and the Maui County General Plan. This would include methodologies such as rural cluster guidelines, farm trusts, phased development in accordance with available infrastructure, the development of urban growth boundaries, transfer of development rights and open space easements.				
PLANNING	28	For areas along the Pukalani Bypass Highway and along Kula Highway, provide for a 50-foot open space buffer (i.e., no structures) on each side of the highway pavement. Vehicular access onto the Pukalani Bypass Highway should be prohibited. Access should be from Makani Road, Makawao Avenue or Haleakala Highway.				
PLANNING	29	As a condition of zoning for Hui No'eau property, limit public/quasi-public uses to those uses directly related to art display, education, performance, crafting and ancillary activities.				
PLANNING	30	Support the project district zoning and commercial development of the old Crook Estate in Makawao as follows: approximately two acres for commercial development along Makawao and Baldwin Avenues to a depth of 200 feet, with the remaining land to be divided between park/open space and elderly housing.				
PLANNING	31	Determine the need for an additional school site(s) within the planning region at the time of LUC boundary amendments and/or zoning applications for additional housing projects. Special consideration should be given in this regard to additional housing in Hali'imaile Town.				
PLANNING	32	Require the dedication to the County of a 3-acre park at Kealahou at the time of single-family zoning and Rural land use classifications are granted by the Raymond von Tempsky property mauka of Kula Highway.				
PLANNING	33	Require that the development and dedication of the 15.01 acre park, and the development of the 5.11 acre public/quasi public area and 5 acre multi family/elderly housing in the vicinity of the proposed Kulamalu development along Kula Highway be undertaken concurrently with the development of the 20 acre commercial site. The commercial site shall be Country Town Business at the time of zoning.

PLANNING	42	The 21 acre Malama Pacific property shall have an appropriate buffer and one row of Rural uses on the mauka side.				
PLANNING	43	New commercial development along Haleakala Highway in Pukalani should be discouraged out of concern over the impacts on traffic flow and the residential neighborhood. New commercial development along Makawao Avenue in Pukalani should be limited to professional services with minimal traffic and noise impacts.				
PLANNING	44	Analyze the zoning and subdivision ordinances to identify amendments which will facilitate and support the maintenance and development of diversified agricultural activities.				
PLANNING	45	Request a State Department of Agriculture-prepared master plan to support and expand agricultural activities in the Upcountry region.				
PLANNING	46	Seek funding to study the development potential of selected low-intensity service industry activities such as retreats, medical services, camps, cultural centers and education programs.				
PLANNING	47	Adopt zoning standards that establish varying minimum lot sizes to reflect different rural and agricultural land uses.				
PLANNING	48	Utilize the land productivity inventory and assessment (i.e., Land Study Bureau "D" and "E" lands) to identify low productivity lands which may be suitable for housing development. Agricultural productivity criteria should consider agricultural productivity potential under irrigated conditions.				
PLANNING	49	Develop guidelines for rural cluster development and planned unit development as part of a comprehensive growth management and open space protection program.				
PLANNING	50	Expand and update the County Cultural Resource Management Program to identify significant cultural resources and provide recommendations for their protection and preservation.

PLANNING	51	Develop and adopt an integrated energy functional plan for the County of Maui.				
PLANNING	52	Study and identify opportunities for developing alternative energy sources such as wind- and water-derived electricity in the Upcountry region.				
PLANNING	53	Develop and adopt guidelines for rural cluster developments.				
PLANNING	54	Prepare a progress report five years after the adoption of this plan for review by the public and Maui County Council describing the status of general and community plan implementation and actions taken to comply with same.				
PLANNING	55	Formulate and implement a directed and managed growth program, consistent with the adopted Makawao-Pukalani-Kula Community Plan and the Maui County General Plan.				
PLANNING	56	Continue the review of and modifications to permit management and processing procedures to improve operational efficiencies of regulatory processes.				
PLANNING	57	Continue and expand a pro-active County waste management strategy which includes reduction, recycling and reuse of solid waste and wastewater as major components.				
PLANNING	58	Adopt alternative subdivision standards, in regards to roadway widths, street lights, etc., that reflect the rural and agricultural character of the region. Such standards shall provide for sidewalks on one side of the street for County roads within a ¼-mile radius of developed or proposed school sites.				
PLANNING	59	Develop alternative subdivision standards for infrastructure which: (a) insure public health, safety and welfare; (b) are consistent with the desired lifestyle of the Native Hawaiian community; and (c) reduce construction costs.

PUBLIC WORKS	68	Develop and implement alternate rural standards for public facilities and privately sponsored building improvements, roadways and subdivisions.				
PUBLIC WORKS	69	Improve the safety of Omaopio and Pulehu Roads.				
PUBLIC WORKS	70	Establish an additional roadway connection to Haleakala Highway from Pukalani Terrace through the 65 acre single-family area located north of and adjacent to the existing Pukalani Terrace residential subdivision. The alignment of this new roadway shall not displace existing residences.				
PUBLIC WORKS	71	Provide roadway shoulder improvements to improve bicycling safety, but do not detract from the rural atmosphere.				
PUBLIC WORKS	72	Provide safe bicycle routes along Makani Road from Makawao through the new Pukalani Terrace subdivision and along Kula Highway from Makani Road to Keokea.				
PUBLIC WORKS	73	Prepare an Upcountry master plan for equestrian trails, bikeways and pedestrian ways, including a capital improvements program which can be funded by Federal, State and County monies.				
PUBLIC WORKS	74	Prepare a roadway master plan for the Upcountry region, including the development of appropriate road standards for rural areas.				
PUBLIC WORKS	75	Establish a "park and ride" site(s) in the Upcountry area. Sites should be identified to facilitate carpooling to Wailuku-Kahului and to Kihei-Makena.				
PUBLIC WORKS	76	Improve Kealaloa Avenue, particularly at its intersection with Haleakala Highway, to facilitate movement of heavy weight vehicles. Once such improvements are constructed, heavy weight vehicles providing service to Haleakala Dairy and Ranch shall be prohibited access from Makawao Avenue and Lower Kealaloa Avenue. Any improvements shall preserve the scenic qualities of the route to the greatest extent possible.

FEDERAL, STATE, OTHER	95	Construct permanent school buildings to replace existing temporary classrooms.				
FEDERAL, STATE, OTHER	96	Give priority consideration to the "no-build" alternative of the proposed Upcountry-Kihei Highway. If built, establish an alignment for the Upcountry-Kihei Connector road which provides a connection to Haleakala Highway near its intersection with Hali`imaile Road.				
FEDERAL, STATE, OTHER	97	Prohibit vehicular access onto the Pukalani Bypass Highway. Access should be from Makani Road, Makawao Avenue or Haleakala Highway.				
FEDERAL, STATE, OTHER	98	Conduct a regional land resource assessment to identify areas suitable for revegetation and reforestation with native plant species.				
FEDERAL, STATE, OTHER	99	Implement a forest planting program to achieve a goal of an additional 10,000 acres of forested land to enhance the Makawao-Pukalani-Kula region's natural environment (e.g., watershed recharge, soil erosion mitigation). Encourage agencies and educational institutions to increase instructional programs in organic farming and integrated pest management.				
FEDERAL, STATE, OTHER	100	Explore the establishment of general hospital services at Kula San Hospital.				
FEDERAL, STATE, OTHER	101	Develop an upcountry public safety center centrally located in Pukalani which will provide facilities for comprehensive health and emergency services, and a police substation.

ENVIRONMENTAL MANAGEMENT	1	Develop and implement a comprehensive waste management and recycling plan for the region.				
ENVIRONMENTAL MANAGEMENT	2	Explore feasibility of extending sewer service to unserved areas as part of comprehensive sewer system planning.				
ENVIRONMENTAL MANAGEMENT	3	Investigate the feasibility of constructing a waste water treatment facility for Central Maui area to service the future needs of population growth. Locations to be investigated include the airport area, the Puunene sugar mill area, and other areas east of Kuihelani Highway. Site conditions to be evaluated shall include, but not be limited to, potential odor problems with surrounding neighborhoods, corrosive environments, effluent disposal, groundwater contamination and project costs.				
ENVIRONMENTAL MANAGEMENT	4	As part of a County-wide waste management study, pursue the feasibility of utilizing resource recovery systems.				
FIRE & PUBLIC SAFETY	5	Study the feasibility of establishing fire and police protection facilities in the proposed Project Districts within the region.				
HOUSING	6	Develop a comprehensive housing strategy for low and moderate income groups involving government and private industry cooperation that provides an adequate supply of housing for the various strata of income. This approach would combine the resources of Federal, State, County, and private enterprise to improve the availability of rental and ownership housing targeted to various need groups. Anti-speculation and specification of a percentage of low and moderate income units in major projects are tools which should be considered as part of an overall housing program.				
HOUSING	7	Develop programs to encourage housing rehabilitation in older residential areas. This would designate target areas where low interest loans, grants and flexible code regulations not related to public health, safety and welfare would be available to homeowners.				
DEPARTMENT OF MANAGEMENT	8	Develop and adopt an integrated energy functional plan for the County of Maui, including but not limited to, strategies for energy conservation, reuse of treated waste water, recycling, reduction in the use of fossil fuels, public education and awareness, and other strategies and actions related to transportation and utilities, housing, environment, urban design and economic activity.				
DEPARTMENT OF MANAGEMENT	9	Identify energy saving measures for all community buildings and facilities.

MAYOR'S OFFICE	10	Facilitate public access to information through the use of computers, microfiche/microfilm readers, and other tutorial services in County agencies.				
MAYOR'S OFFICE	11	Maintain the War Memorial Complex for public parking and recreational use only.				
MAYOR'S OFFICE	12	Place high priority on the planning, design and construction of a multi-level parking facility at the Wailuku Municipal Parking Lot with potential opportunities for mixed use development, such as residential, commercial, park and other public uses.				
MAYOR'S OFFICE	13	Prepare and implement, as soon as possible, a plan for a multi-purpose community center in the planning district and the upgrading of the Kahului Community Center.				
MAYOR'S OFFICE	14	Establish an additional government complex with adequate public parking in a central location.				
PARKS & RECREATION	15	Undertake a site selection study for a permanent fairgrounds site that encourages year-round use.				
PARKS & RECREATION	16	Undertake a regional park master plan study to identify the needs and potential sites for expanded passive and active recreational uses in the planning region.				
PARKS & RECREATION	17	Prepare and implement, as soon as possible, a plan for a major regional multi-purpose center to service the entire planning district.				
PARKS & RECREATION	18	Investigate the need for an additional community center in Kahului and/or the upgrading and expansion of the existing Kahului Community Center.				
PARKS & RECREATION	19	Update and implement a plan for Keopuolani Park.

PLANNING	21	Prepare a progress report five years after the adoption of this plan for review by the public and Maui County Council describing the status of General Plan and Community Plan implementation and actions taken to comply with same.				
PLANNING	22	Develop, compile and disseminate information on new energy technologies, policies, and programs relevant to the community's economy and environment.				
PLANNING	23	Establish a Service Business/Residential (SBR) zoning district to implement the Community Plan policies.				
PLANNING	24	Amend the County's Subdivision ordinance to allow for the long term subleasing of portions of large agricultural parcels for diversified agricultural uses without requiring subdivision.				
PLANNING	25	Formulate and adopt a regional landscape planting master plan, including standards for implementation in conjunction with private and public projects.				
PLANNING	26	Update the County Cultural Resources Management Plan to further identify specific and significant cultural resources in the region and provide strategies for preservation and enhancement.				
PLANNING	27	Develop procedures and regulations to streamline government review and approval for housing projects. This should result in cost reductions by expediting the time required for implementation.				
PLANNING	28	Streamline the land use, building permit and subdivision processes through means such as consolidated public hearings and concurrent processing of applications.				
PLANNING	29	Adopt a beach-mountain access dedication ordinance pursuant to Chapter 46, HRS. This should be done as part of an island-wide comprehensive mountain and beach access study.				
PLANNING	30	Evaluate and modify present zoning and subdivision ordinances to incorporate the land use and design guidelines as well as other recommendations incorporated herein.				
PLANNING	31	Re-evaluate the composition, role and boundaries of the Wailuku Redevelopment Agency to support its mission for the revitalization and enhancement of this district and explore ways to coordinate planning for Wailuku Town.

DEPARTMENT OF MANAGEMENT	1	Conduct a detailed vulnerability assessment of all existing County infrastructure and facilities in West Maui that are within the State-recognized SLR-XA, and subject to other coastal hazards. Coordinate with the State on key State infrastructure and facilities such as highways and schools.				
DEPARTMENT OF MANAGEMENT	2	Integrate the State-recognized SLR-XA into West Maui capital improvement planning for all County departments and public facilities.				
DEPARTMENT OF MANAGEMENT	3	Incorporate appropriate sites on the ascription list in Appendix F into a cultural overlay established by the Council through a public process.				
DEPARTMENT OF MANAGEMENT	4	Amend the administrative rules of all applicable County boards and commissions to require meetings in West Maui throughout the entire decision-making process for issues or development in West Maui, or allow participation via teleconference or videoconference so that West Maui residents can more easily participate.				
ENVIRONMENTAL MANAGEMENT	5	Work with the State Department of Health, Clean Water Branch to identify next steps in addressing the impact of sea level rise on on-site disposal systems (i.e., cesspool and septic systems), and develop remediation plans.				
ENVIRONMENTAL MANAGEMENT	6	Identify and encourage potential new users of recycled water, including parks, golf courses, and agriculture, and expand recycled water storage and conveyance systems in West Maui to increase the reuse of recycled water.				
ENVIRONMENTAL MANAGEMENT	7	Study and implement disposal methods and strive to eliminate the use of underground injection control wells, to transition to environmentally sound methods of wastewater disposal and promote beneficial use of wastewater effluent.				
ENVIRONMENTAL MANAGEMENT	8	Improve odor control at the Lāhainā Wastewater Reclamation Facility and pump stations.				
ENVIRONMENTAL MANAGEMENT	9	Propose amendments to the Maui County Code to allow for increased use of gray water for approved purposes in West Maui.				
ENVIRONMENTAL MANAGEMENT	10	Identify locations and develop or partner to create recycling drop-off centers that would collect and transfer all viable recyclables and regulated (EPA and DOH) materials such as green waste, appliances, e-waste, tires, and lead-acid batteries.				
FINANCE	11	Propose revisions to the real property tax structure to incentivize long-term rental and owner-occupancy of housing units, and to discourage short-term rental use.

FIRE & PUBLIC SAFETY	13	Propose amendments to the Maui County Code to require developments to incorporate defensible space around structures and communities and require on-going maintenance of defensible spaces. Maui Fire Department recommendations for creating and maintaining defensible space must be easily accessible online.				
FIRE & PUBLIC SAFETY	14	Propose amendments to the Maui County Code to require landowners of large vacant land in high fire hazard areas to prepare and carry out a fuel management plan and ensure it will not impact historic properties.				
FIRE & PUBLIC SAFETY	15	Build a new fire station along Honoapi'ilani Highway, south of Lāhainā and mauka of the sea level rise exposure area, extreme tsunami inundation zone, erosion hazard line, and SMA, to address increased call volume and improve emergency response time in that area.				
FIRE & PUBLIC SAFETY	16	Develop a plan to provide fire protection for homes on kuleana lands.				
HOUSING	17	Propose amendments to Chapter 2.97, Maui County Code, to improve the County's fast-track process to include sidewalks, multi-use paths, and access to public transit in affordable housing projects.				
HOUSING	18	Obtain funding and implement the expansion and capacity of proven housing programs that help residents attain sustainable housing.				
HUMAN CONCERNS	19	Develop a strategic plan to address and prevent houselessness.				
HUMAN CONCERNS	20	Encourage the development of a wide array of housing and service options for seniors, including affordable options that provide for a continuum of care.				
MAYOR'S OFFICE	21	Develop or partner to create resiliency hubs throughout the West Maui community.

MAYOR'S OFFICE	22	Create open space in areas sensitive to flooding and around native forests as a protective buffer both for the forest and development.				
MAYOR'S OFFICE	23	Create a marketing program aimed at visitors to use multimodal transportation options for West Maui travel, including bus, shuttle, taxi, rideshare, bicycling, and walking to encourage a "car-free stay".				
MAYOR'S OFFICE	24	Install pedestrian and bicycle wayfinding signage in Lāhainā Town that reflect the host culture incorporating 'Ōlelo Hawai'i, including maps, directional signs, moku signage, smartphone applications, and public art.				
MAYOR'S OFFICE	25	Identify opportunities to partner with larger employers such as hotels, to sponsor bus passes, shuttles, ferry passes, rideshare, or other shared ride programs to connect employees to jobs.				
MAYOR'S OFFICE	26	Support and expand funding for citizen science and environmental restoration programs in West Maui.				
MAYOR'S OFFICE	27	Continue and expand collaborative ecosystem restoration efforts between nonprofits, private entities, and County agencies.				
MAYOR'S OFFICE	28	Obtain funding and other support for Coral Reef Alliance's stream gulch vegetation restoration and high flow diversion pond construction at Wahikuli Stream, mauka of Hanaka'ō'ō Beach Park, to reduce sediment that reaches the ocean and create cultural, educational, and recreational opportunities.				
MAYOR'S OFFICE	29	Implement recommended actions that are within the County's jurisdiction from the West Maui Mountains Watershed Management Plan and the U.S. Army Corps of Engineers West Maui Watershed Study, when complete.				
MAYOR'S OFFICE	30	Maintain funding and implementation of Lāhainā's Clean & Safe Program as part of the proposed Parking Action Plan to include revenue generation.				
MAYOR'S OFFICE	31	Obtain funding and install ahupua'a signs throughout West Maui.				
MAYOR'S OFFICE	32	Work with resorts in Kā'anapali to provide shared parking and shuttle services during canoe races, especially state races, at Hanaka'ō'ō Beach, or develop off-site parking and shuttle services.

MAYOR'S OFFICE	33	Obtain funding and implement cultural and educational programs to perpetuate Hawaiian heritage.				
MAYOR'S OFFICE	34	Develop and implement a West Maui Agriculture Strategic Plan.				
MAYOR'S OFFICE	35	Support best practices for tourism management in West Maui to protect the residents' quality of life, and the area's environment, culture, and character.				
MAYOR'S OFFICE	36	Develop and implement an economic development strategy of diversification for West Maui and coordinate with the Department of Planning on required land use changes to implement the strategy.				
MAYOR'S OFFICE	37	Support farmers through increased funding for education and investment.				
MAYOR'S OFFICE	38	Create programming, marketing, and investment to assist the community in developing a food hub, to help farmers and makers of value-added products with production and distribution, and to increase the number of locally made products bought and sold in the community.				
EMERGENCY MANAGEMENT	39	Develop a community-based disaster preparedness plan for West Maui.				
EMERGENCY MANAGEMENT	40	Develop a long-term post-disaster recovery and reconstruction plan for West Maui.				
EMERGENCY MANAGEMENT	41	Obtain annual funding for maintenance of a GIS database of all emergency management infrastructure and collection of post-incident monitoring data.				
EMERGENCY MANAGEMENT	42	Identify and maintain a current inventory of additional emergency shelter facilities that include storage of supplies and are located in the safest identifiable areas given the risk of natural or human-made disasters.				
EMERGENCY MANAGEMENT	43	Identify additional emergency evacuation routes to access West Maui and isolated neighborhoods.

EMERGENCY MANAGEMENT	44	Develop and implement a more robust and extensive communications system with alternative backup systems for use during emergencies.				
EMERGENCY MANAGEMENT	45	In the event of an emergency, alert the public of dangerous road conditions, closures, hazards, or disasters by implementing appropriate safety measures such as temporary staging of electronic messaging signs on either side of the Honoapi'ilani Highway, near D.T. Fleming Beach Park, and in Waihe'e.				
PARKS & RECREATION	46	Prepare and implement an acquisition strategy for parks in West Maui, considering potential sea level rise and climate change.				
PARKS & RECREATION	47	Prepare a management plan, with review by the Cultural Resources Commission, for County-controlled properties in County Historic District No. 1, to provide for the long-range stewardship of these sites and protect their historical and cultural significance. Consider the installation of a flagpole at Kamehameha Iki Park for King Kamehameha's Royal Standard.				
PARKS & RECREATION	48	Establish a code of conduct for visitor use of County parks with cultural sites in West Maui and install signs explaining the code of conduct at appropriate locations.				
PARKS & RECREATION	49	Identify County parks and properties in West Maui that have historical, cultural, or environmental significance and install interpretive signs incorporating 'Ōlelo Hawai'i explaining this information at appropriate locations. Encourage the development of new cultural parks.				
PARKS & RECREATION	50	Create an off-road motor vehicle park in an area that will not damage critical watersheds or native forests, and encourage landowners to decommission existing off-road motor vehicle trails in areas that damage watersheds or native forests.				
PARKS & RECREATION	51	Develop parks management policies and practices to ensure park usage aligns with the Department of Parks and Recreation's vision, and does not threaten the parks' environmental or cultural integrity or create safety issues.				
PARKS & RECREATION	52	Obtain funding, design, and build additional County facilities that augment the Lāhainā Civic Center.				
PARKS & RECREATION	53	Obtain funding and prepare an acquisition strategy for Park/Open Space areas identified on the Community Plan Map for parks and recreational facilities in West Maui. The strategy will address planning, development, acquisition, and maintenance of park and open space areas, with a priority on beach park expansion.

PARKS & RECREATION	54	Work with other public agencies to develop a coordinated strategy to address sea level rise at beach parks in West Maui.				
PARKS & RECREATION	55	Plan, develop, and maintain the 50 acres of land identified as Park/Open Space on the Community Plan Map north of Pulelehua, referenced in Areas of Change as Kahana Mauka.				
PLANNING	56	Conduct a feasibility study on managed retreat of at-risk developments in West Maui, to include an analysis of alternatives and interim steps to achieve managed retreat, identify incentives for proactive retreat, and support developing programmatic environmental documents to assist in implementing managed retreat.				
PLANNING	57	Coordinate the establishment of special improvement districts and community facilities districts for areas in West Maui threatened by coastal hazards, meeting appropriate criteria set by the County Council, such as committing to implement managed retreat programs as the long-term plan.				
PLANNING	58	Work with affected property owners to create and implement beach management plans for beach cells in West Maui, and conduct any necessary environmental assessments.				
PLANNING	59	Develop an inventory of natural and cultural resources and practices impacted by sea level rise, along with preservation plans.				
PLANNING	60	Evaluate shoreline access locations to be impacted by sea level rise, and identify solutions to preserve shoreline access.				
PLANNING	61	Propose amendments to the Special Management Area (SMA) boundaries to account for sea level rise and other hazards, as well as other SMA criteria.				
PLANNING	62	Obtain funding for additional sea level rise exposure modeling incorporating local data to use in vulnerability assessments of critical infrastructure and facilities in the event of six feet or more of sea level rise.				
PLANNING	63	Update and implement the Traffic Impact Fee Study and proposed ordinances.

PLANNING	64	Propose amendments to the County Historic District Ordinances to allow existing hotels, prohibit new vacation rentals, and phase out existing vacation rentals that are not hotels or inns. Phasing out could be accomplished by counting vacation rentals towards short-term rental home permit caps or by attrition.				
PLANNING	65	Propose amendments to expand the boundaries of the Historic Districts to include both sides of Front Street, from Shaw Street to the southern terminus of Front Street, once new transient vacation rentals are prohibited.				
PLANNING	66	Expand the boundaries of the Historic Districts, and propose companion amendments to the National Historic Landmark District, should new cultural assets be identified.				
PLANNING	67	Develop a cultural overlay map identifying the location of important historical events, known burial sites and archaeological resources, and known above-ground resources. Create a cultural overlay district to protect cultural assets and establish an efficient review process for property owners.				
PLANNING	68	Propose amendments to the Maui County Code to prohibit new development within gulches as identified in Figure 2.3, and within wetlands, and implement a 100-foot buffer around gulches, wetlands, and streams where no structures will be allowed.				
PLANNING	69	Inform property owners with swimming pools within the SMA of Policy 2.3.6, prohibiting draining of pool water directly to the ocean.				
PLANNING	70	Develop new design guidelines for Lāhainā Town that provide detailed guidance on the following: rehabilitation of historic buildings, additions to historic buildings, construction of new buildings, landscape and streetscape elements, and treatment of archaeological properties and cultural sites.				
PLANNING	71	Create a County Historic District officer position or ensure that enforcement personnel are sufficiently trained to be responsible for enforcement and education in the Lāhainā Historic Districts.				
PLANNING	72	Obtain funding, design, and build a canoe hale structure for storage of canoes at the proposed Hanakaʻōʻō Beach mauka expansion.				
PLANNING	73	Work with the State Department of Land and Natural Resources to document and map existing government trails and identify missing links to improve connectivity and function, with the ultimate goal of developing an active and usable network of public trails throughout West Maui.				
PLANNING	74	Initiate changes in zoning based on community plan designations for growth areas identified as high priority for 100 percent affordable housing.

PLANNING	75	Propose legislation to amortize the short-term occupancy list and phase out short-term rental use to make more housing units available for long-term occupancy.				
PLANNING	76	Identify and propose amendments to remove existing barriers in laws, rules, and processes that prohibit the construction of safe, sanitary, and affordable on-farm employee housing for farmworkers, with special consideration given to non-permanent, modular housing solutions.				
PLANNING	77	Prepare a feasibility study and implement recommendations for repurposing or conversion of commercial and industrial buildings into multi-use residential areas.				
PLANNING	78	Propose amendments to the zoning code to increase density for infill developments outside of the shoreline setback or sea level rise exposure areas and the Historic Districts, to reduce urbanization of agricultural and open space lands.				
PLANNING	79	Develop a monitoring, enforcement, and public reporting system to ensure increased transparency and compliance with conditional zoning.				
POLICE	80	Identify and implement appropriate safety improvements such as traffic controls to improve the use of Kahekili Highway and Honoapi'ilani Highway as alternate routes for West Maui during times of emergency.				
PUBLIC WORKS	81	Propose amendments to the building, fire, and zoning codes that promote resilient structures and communities.				
PUBLIC WORKS	82	Identify and implement temporary safety measures such as signage and lane shifts to alert the public of dangerous road conditions due to sea level rise and climate change, especially during extreme high tides or large surf in the area.				
PUBLIC WORKS	83	Update the Lāhainā Town Drainage Master Plan with consideration given to Low Impact Development solutions, and develop an implementation plan.				
PUBLIC WORKS	84	Support the implementation of flood control projects and siltation basins mauka of Honoapi'ilani Highway, including the remaining phases of the Lāhainā Watershed Project, to address problem areas.				
PUBLIC WORKS	85	Maintain a current inventory of drainage facilities in West Maui for use in developing long-term plans to address stormwater issues.

PUBLIC WORKS	86	Improve stormwater management systems along Lower Honoapi'ilani Road to minimize stormwater runoff to the ocean.				
PUBLIC WORKS	87	Prioritize regular maintenance and clearing of sediment basins in West Maui.				
PUBLIC WORKS	88	Implement the County's Storm Water Management Plan in West Maui with consideration of Low Impact Development objectives.				
PUBLIC WORKS	89	Educate the public on existing policies related to maintenance of drainageways.				
PUBLIC WORKS	90	Propose amendments to the Maui County Code to require permeable surfaces or other Low Impact Development standards to be used in new or redeveloped parking lots and streets, to mitigate runoff and help with groundwater recharge.				
PUBLIC WORKS	91	Develop guidelines and incentives for landowners to retain stormwater runoff and include more permeable surfaces on their property.				
PUBLIC WORKS	92	Retrofit existing streets with pedestrian and bike facilities, where appropriate, throughout West Maui neighborhoods and commercial areas, including along Lower Honoapi'ilani Highway from Kahana to Nāpili.				
PUBLIC WORKS	93	Provide multiple convenient and safe pedestrian crossings on Keawe Street mauka of Honoapi'ilani Highway.				
PUBLIC WORKS	94	Develop and implement a Lāhainā Town Master Plan to integrate land use and multimodal transportation planning that includes a mobility and circulation study, considerations for relocation of the transit hub, and creation of a bus transit corridor on Honoapi'ilani Highway through Lāhainā Town.				
PUBLIC WORKS	95	Promote travel demand management strategies such as staggered start times and Intelligent Transportation Systems (ITS) message signs to reduce congestion on Honoapi'ilani Highway and the Lāhainā Bypass.				
PUBLIC WORKS	96	Complete the West Maui Greenway multi-use path to provide a safe, off-road path for walking and bicycling between parks, neighborhoods, and businesses.

PUBLIC WORKS	97	Implement Safe-Routes-to-Schools and Safe-Routes-to-Parks projects throughout West Maui.				
PUBLIC WORKS	98	Redesign mauka-makai streets in Lāhainā Town to enhance pedestrian and bicycle movement, including enhanced sidewalk facilities, bicycle lanes, shade trees, planters, and street furniture, with particular attention to Lāhaināluna Road, mauka of Honoapiʻilani Highway.				
PUBLIC WORKS	99	When intersections are required, encourage safe, pedestrian-friendly intersections along the planned Lāhainā Bypass Road, with priority given to kuleana access, and safe passage of agricultural equipment and vehicles, where appropriate.				
PUBLIC WORKS	100	Propose updates to the subdivision and zoning code to expand the types of multimodal facilities associated with new development and to require roadway and multimodal connectivity among existing and future developments. Updates to include different types of sidewalks or walkways to provide flexibility in building the pedestrian network.				
PUBLIC WORKS	101	Establish a regional network of multi-use bicycle and pedestrian paths and protected bike lanes in West Maui.				
PUBLIC WORKS	102	Establish a short-term plan to protect key roadways from sea level rise and storm events, to provide alternatives that prevent shoreline armoring as the default emergency action.				
PUBLIC WORKS	103	Work in partnership with the State Department of Transportation to prioritize and facilitate realignment of Honoapiʻilani Highway out of the coastal hazard zone, and manage public lands makai of the realigned highway as wetlands, public parks, and open space.				
PUBLIC WORKS	104	Coordinate the creation of a Transportation Improvement District, per the 2018 Parking Action Plan, to manage parking in Lāhainā Town and reinvest paid parking revenues in local transportation improvements such as a transit hub, improved bus service, street improvements, multi-use paths, and sidewalks.				
PUBLIC WORKS	105	Install street signs identifying traditional Hawaiian street names in County Historic District No. 1.				
PUBLIC WORKS	106	Propose amendments to the Maui County Code to include Low Impact Development requirements on new and redevelopment projects.

MAYOR'S OFFICE	65	Promote and include visitors and community members in public involvement events and restoration projects.				
MAYOR'S OFFICE	66	Increase support of all Lāna`i based nonprofit organizations seeking additional funding sources for community stewardship.				
MAYOR'S OFFICE	67	Create an economic development position, specializing in rural communities, to address Lāna`i's economic development challenges and opportunities.				
MAYOR'S OFFICE	68	Identify, target, and recruit new industries and businesses, such as TV and film production-post-production, agricultural operations, aquaculture, and information technology.				
MAYOR'S OFFICE	69	Cultivate entrepreneurship through small business training and loan programs; partner with MEO'S Small Business Development Program to provide workforce development and business education workshops on Lāna`i.				
MAYOR'S OFFICE	70	Develop a tourism strategic plan to guide diversification of Lāna`i's tourism sector.				
MAYOR'S OFFICE	71	Assess alternative shipping options, including utilizing the ferry as a small cargo carrier between Maui and Lāna`i.				
MAYOR'S OFFICE	72	Work with inter-island airlines to keep airfares affordable and service frequency adequate to accommodate the needs of Lāna`i visitors, residents, and businesses.				
MAYOR'S OFFICE	73	Work with inter-island shippers and the Public Utilities Commission to keep shipping costs affordable and service frequency adequate.				
MAYOR'S OFFICE	74	Work with the State Department of Transportation (HDOT) to implement improvements at Kaumālapa`u Harbor and Mānele Small Boat Harbor (MSBH).

MAYOR'S OFFICE	75	Work with the HDOT to expedite enhancement and improvement of the airport.				
MAYOR'S OFFICE	76	Develop an agriculture strategic plan for Lāna`i focusing on both larger agri-businesses and small farms.				
MAYOR'S OFFICE	77	Provide business courses to farm owners and agricultural entrepreneurs; educate them about state and federal loan and grant opportunities.				
MAYOR'S OFFICE	78	Establish agricultural education and vocational programs at the community college and high school.				
MAYOR'S OFFICE	79	Identify funding sources for Lāna`i's community-development organizations.				
MAYOR'S OFFICE	80	Create a smart grid that would allow for integration of additional renewable energy sources.				
MAYOR'S OFFICE	81	Install charging stations powered by renewable energy to support the use of electric vehicles on the island.				
MAYOR'S OFFICE	82	Explore options for growing, manufacturing, and producing biodiesel, biomass, and other biofuel sources.				
MAYOR'S OFFICE	83	Advocate for increased barge service to and from Lāna`i if the population significantly increases and economic development warrants.				
MAYOR'S OFFICE	84	Advocate for increased ferry service if the population significantly increases and economic development warrants.				
MAYOR'S OFFICE	85	Study and evaluate options for shipping fuel to the island in order to reduce costs.				
MAYOR'S OFFICE	86	Develop workforce development program internships.				
PARKS & RECREATION	87	Develop a master plan for the island's parks, recreational facilities, and programs. Survey residents to identify their recreational needs.

PARKS & RECREATION	88	Assist with the preparation of a Dole Park master plan that improves and preserves the park's recreational, urban design, and social functions.				
PARKS & RECREATION	89	Develop an action-sport facility such as a skateboard park, roller derby facility, or bicycle-motocross (BMX) track.				
PARKS & RECREATION	90	Develop an urban forestry management plan for County and public property throughout Lāna'i City. Include options for the planting of native and non-invasive species, where appropriate, and consider replanting Cook Island Pines only where there is adequate space for the mature trees. Encourage Pulama Lāna`i to adopt a similar plan.				
PLANNING	91	Review the Special Management Area (SMA) boundary and make changes as necessary to comply with the objectives and policies defined in Section 250-A-2, HRS.				
PLANNING	92	Facilitate community meetings to determine the best methods for protecting and preserving the historic character of Lāna`i. <ul style="list-style-type: none"> Educate and assist property owners on the benefits and process of historic designation. Evaluate use of B-CT zoning ordinance or design guidelines. 				
PLANNING	93	Develop a comprehensive cultural resource protection plan for Lāna`i.				
PLANNING	94	Assist with development of a comprehensive cultural resource protection plan for the eastern coast. Conduct feasibility study for Federation Camp restoration and fisherman shacks. Conduct study for Maunalei Gulch.				
PLANNING	95	Identify and inventory old plantation camps.				
PLANNING	96	Provide assistance to landowner to restore and preserve the Brown House (Social Hall) for continued community use.				
PLANNING	97	Investigate and encourage the nomination of historic sites and structures to the State and National Register of Historic Places.				
PLANNING	98	Provide assistance to landowners, upon request, to nominate the jail, courthouse, or other structures to the National Register of Historic Places.				
PLANNING	99	Provide assistance to landowner to protect all petroglyphs from human disturbance and hillside erosion.				
PLANNING	100	Complete a visual inventory and analysis of key scenic corridors and viewsheds. Develop BMPs for development to protect identified priority view corridors or viewsheds. Provide education on Lāna`i scenic BMPs.

PLANNING	101	Install steel poles for primary utility transmission lines during new or replacement projects.				
PLANNING	102	Develop and implement a trails, greenways, and open space access plan using, when appropriate, former agriculture roads. The project should work in concert with stormwater, sedimentation, and environmental protection plans to close down unnecessary or unused agricultural roads.				
PLANNING	103	Work with the HBGN and the Lāna`i community to formally reconcile road and trail naming, location, historical use and legal status, and ownership data. Update map databases.				
PLANNING	104	Assist the State in developing educational curricula to teach the history of the island of Lāna`i.				
PLANNING	105	Conduct a comprehensive review of interim-zoned lands to identify and adopt zoning that is consistent with the community plan. The process shall include consultation with affected property owners and assessment of potential impacts of rezoning.				
PLANNING	106	Amend the zoning code to facilitate the development of mixed-use, pedestrian-oriented communities. Develop a form-based code, transect-based code, or similar mechanism.				
PLANNING	107	Evaluate and establish zoning for airport land expansion, when needed, for runway improvements consistent with the community plan. Evaluate lands between airport and Lāna`i City for compatible land uses, particularly with respect to sound attenuation.				
PLANNING	108	Review the zoning ordinance to determine if amendments are needed to permit low-impact accommodations for small-scale eco-, cultural, or adventure tourism in open space and park lands through the issuance of a County special use permit.				
PLANNING	109	Revise zoning and subdivision ordinances to permit clustering and conservation subdivision design within the Rural and Agricultural Districts.				
PLANNING	110	Develop and provide incentives to landowners to preserve and protect agricultural lands.				
PLANNING	111	Work with landowners to review PDs in Chapters 19.70 and 19.71, MCC, and subsequent ordinances to determine if actions are needed to fulfill outstanding requirements.				
PLANNING	112	A 50-100-year coastal erosion rate analysis shall be developed. Where new major waterfront structures or developments are to be approved, open space preservation should be assured by employing a shoreline setback based upon the erosion rate established by the coastal erosion rate analysis				
PLANNING	113	Prepare a vision and master plan for Lāna`i City through collaborative efforts that include historic preservation of structures in the B-CT District.

PLANNING	114	Revise and enhance the B-CT design guidelines for Lānaʻi City to provide more detailed guidance for new construction, as well as renovation and reconstruction of existing structures for adaptive reuse.				
PLANNING	115	Develop design guidelines for structures in Lānaʻi City, but outside of the B-CT District, to provide guidance on appropriate form, scale, architectural character, details, and materials.				
PLANNING	116	Create a comprehensive parking strategy for Lānaʻi City. Revise the B-CT design guidelines to lessen parking requirements and allow businesses to fulfill onsite parking requirements through use of existing public parking surrounding Dole Park.				
PLANNING	117	Amend zoning codes to allow a greater variety of housing types, including mixed-use, mixed housing types, co-housing, prefabricated homes, and small lots.				
PLANNING	118	Assist with community workshops to explore different housing types and development patterns that could be utilized in an expansion of Lānaʻi City or in new residential areas.				
PLANNING	119	Explore the development of incentives promoting the use of sustainable green building and development practices.				
PLANNING	120	Provide the Lānaʻi Planning Commission with annual status reports as described in Chapter 2.80B, MCC.				
POLICE	121	Coordinate with community organizations in their prevention and treatment efforts to reduce substance use and abuse. Continue working cooperatively with the Prosecutor’s Office and the Drug Enforcement Agency (DEA) to enforce substance abuse laws.				
POLICE	122	Examine options for extending the length of time police personnel and officers are on Lānaʻi for a tour of duty.				
POLICE	123	Provide Lānaʻi orientation training classes and support for police staff.				
POLICE	124	Assist MHS and LARC in exploring options for expansion of animal control facilities and services.				
POLICE	125	Assist in distribution of public education on responsible pet ownership.				
POLICE	126	Study options for development of an impound yard and need for tow-truck services, and whether a four-wheel drive tow truck is necessary.

PUBLIC WORKS	127	Reduce sediment and nutrient loads from entering coastal waters by assisting landowners, upon request, to construct small-scale water retention, or bioretention, projects that control surface flows and increase aquifer recharge.				
PUBLIC WORKS	128	Develop a toolbox of BMPs, such as the use of green infrastructure, to mitigate sediment and pollutant runoff.				
PUBLIC WORKS	129	Work with the State to develop code and regulation changes to allow graywater reuse systems for home garden irrigation and toilet flushing as long as the system meets County and State safety standards. Provide educational materials to encourage residential use.				
PUBLIC WORKS	130	Develop a long-range land transportation master plan for Lāna`i, which utilizes a complete streets approach to roadway design, establishes specific roadway standards, and includes a pedestrian plan for Lāna`i City.				
PUBLIC WORKS	131	Establish who has jurisdiction/ownership and responsibility over Old Government Road.				
PUBLIC WORKS	132	Develop restrictions for commercial trucks and buses exceeding 6,000 pounds Gross Vehicle Weight (GVW) to established routes through Lāna`i City pending the construction of a bypass road.				
PUBLIC WORKS	133	Develop a comprehensive stormwater management plan. Emphasize natural systems drainage where possible.				
PUBLIC WORKS	134	Build dispersion and retention methods to address dirt runoff from dirt roads.				
PUBLIC WORKS	135	Implement Kō`ele PD and Lāna`i City Master Drainage Plans.				
PUBLIC WORKS	136	Inspect and, if necessary, repair stormwater drainage swales and culverts in Lāna`i City and remove blockages from drains and channels.				
PUBLIC WORKS	137	Select options for implementing LED lighting to save energy and provide a more point-like light source.				
WATER	138	Compile data to create maps of primary water recharge areas requiring the highest protection and restoration efforts, and maps of secondary water recharge areas that may be susceptible to pollutant infiltration.				
FEDERAL, STATE, OTHER	139	Update the WUDP demand analysis to account for new growth areas. Monitor and implement the updated WUDP.

FEDERAL, STATE, OTHER	140	Develop and implement a comprehensive watershed protection plan that would plant more trees and foliage on Lana'ihale and other areas to maximize fog drip and recharge the aquifer.				
FEDERAL, STATE, OTHER	141	Develop and continue to support public and quasi-public partnerships to protect and restore the island's watershed and maximize aquifer recharge.				
FEDERAL, STATE, OTHER	142	Evaluate the status of available water resources on the island, if CWRM identifies major flaws in the monthly water status reports.				
FEDERAL, STATE, OTHER	143	Develop and implement a water rate structure that encourages conservation.				
FEDERAL, STATE, OTHER	144	Continue to improve landscape planting and irrigation guidelines that encourage drought-tolerant plants and water conserving-irrigation systems.				
FEDERAL, STATE, OTHER	145	Continue to implement leak detection and repair programs.				
FEDERAL, STATE, OTHER	146	Cover the 15 MG brackish reservoir to reduce evaporation by the end of June 2017.				
FEDERAL, STATE, OTHER	147	Implement demand-side water conservation management through education, initiatives, and regulations.				
FEDERAL, STATE, OTHER	148	Continue planning, exploration, testing, and development of alternative water resources, such as a desalination plant.				
FEDERAL, STATE, OTHER	149	Prohibit the use of high-level aquifer water for golf course irrigation purposes, consistent with the Water Use and Development Plan for Lāna`i and as provided for by law.				
FEDERAL, STATE, OTHER	150	Provide high-speed internet throughout the island.				
FEDERAL, STATE, OTHER	151	Provide cell phone service all around the island for complete coverage.				
FEDERAL, STATE, OTHER	152	Provide more wireless "hot spots" in Lāna`i City and Mānele PD.

EMERGENCY MANAGEMENT	1	Continue the development of Moloka'i Incident Command Post in coordination with County EMA.				
EMERGENCY MANAGEMENT	2	Identify and submit flood and pre-disaster mitigation projects that qualify for funding under the FEMA Pre-Disaster Mitigation Program, Hazard Mitigation Assistance Program, NFIP Severe Repetitive Loss Program, and other FEMA funded mitigation and NFIP grants consistent with the Maui County HMP.				
EMERGENCY MANAGEMENT	3	Develop programs and distribute materials for public outreach and education to better educate the community and visitors on disaster preparedness, response, hazard mitigation, multi-hazard risks and vulnerabilities, and post-disaster recovery. Target materials and programs that will provide information on steps to take to protect lives and strengthen property against natural and human-related disasters.				
EMERGENCY MANAGEMENT	4	Identify critical infrastructure, lifelines, roads, and structures that are vulnerable to coastal hazards, including SLR, and develop a more coordinated emergency response system of well-defined and mapped evacuation routes.				
EMERGENCY MANAGEMENT	5	Complete an inventory of vulnerable critical facilities and infrastructure. Include this information in the Maui County HMP for future mitigation project funding.				
EMERGENCY MANAGEMENT	6	Per the HMP, update the HAZUS-MH model to incorporate detailed data on State and County bridges located in Moloka'i.				
EMERGENCY MANAGEMENT	7	Evaluate, update and prioritize shelters on Moloka'i.				
EMERGENCY MANAGEMENT	8	Immediately seek funding and develop an implementation plan to move critical infrastructure and emergency services out of flood and tsunami inundation zones.				
EMERGENCY MANAGEMENT	9	Support the relocation of the Puko'o Fire Station on the East End of Moloka'i.				
EMERGENCY MANAGEMENT	10	Improve disaster warning systems, including more warning sirens in the Kaluako'i/Pāpōhaku area.				
EMERGENCY MANAGEMENT	11	Create access through Kulawai Loop from Kapukahelu beach to Maunaloa for emergency evacuation use.				
ENVIRONMENTAL MANAGEMENT	12	Seek community information on possible hazardous waste sites buried decades ago; investigate and remediate if needed.				
ENVIRONMENTAL MANAGEMENT	13	Implement recommendations from the 2013 Update of the Hawai'i Water Reuse Survey and Report.

ENVIRONMENTAL MANAGEMENT	14	Assess the feasibility of providing measures to protect the Kaunakakai WWTF against inundation threats or to relocate it out of the coastal floodplain.				
ENVIRONMENTAL MANAGEMENT	15	Conduct a wastewater reuse feasibility study that includes the identification of potential recycled water users, necessary wastewater plant upgrades, required infrastructure improvements, estimated costs, and funding sources.				
ENVIRONMENTAL MANAGEMENT	16	Explore options and necessary MCC and regulation changes to allow graywater reuse systems for irrigation and toilet flushing.				
ENVIRONMENTAL MANAGEMENT	17	Update the Kaunakakai WWTF facilities plan.				
ENVIRONMENTAL MANAGEMENT	18	Expand waste diversion and recycling programs that include appliances, metals, plastic, glass, cardboards, and green-waste for compost and other recyclable materials.				
ENVIRONMENTAL MANAGEMENT	19	Increase public outreach, education, and incentive programs that improve waste reduction, reuse, and recycling.				
ENVIRONMENTAL MANAGEMENT	20	Develop and place educational signage along the entry corridor heading to the County recycling site.				
ENVIRONMENTAL MANAGEMENT	21	Implement the ISWMP through programs, improvements, and upgrades to the solid waste management system; execute the CIP budget as funds allow.				
ENVIRONMENTAL MANAGEMENT	22	Conduct a survey to determine community preference for the County landfill operating hours.				
ENVIRONMENTAL MANAGEMENT	23	Expand the solid waste recycling center's operating hours as funding and budgets allow.				
ENVIRONMENTAL MANAGEMENT	24	Explore the feasibility of placing more trash cans throughout the island.				
ENVIRONMENTAL MANAGEMENT	25	Conduct a feasibility study to explore waste-to-energy solutions.				
ENVIRONMENTAL MANAGEMENT	26	Explore the feasibility of having more transfer stations located throughout Moloka'i.

ENVIRONMENTAL MANAGEMENT	27	Form a partnership with Moloka`i NGOs, State Agencies, and DHHL to remove and recycle junk cars from Moloka`i.				
ENVIRONMENTAL MANAGEMENT	28	Conduct annual reviews of Solid Waste Division contracts to provide oversight and enforcement.				
ENVIRONMENTAL MANAGEMENT	29	Establish a "take it or leave it" station at the recycling center like those that exist on the other islands.				
FINANCE	30	Encourage residents to explore existing kalo and kuleana land tax relief options.				
FIRE & PUBLIC SAFETY	31	Identify critical infrastructure, lifelines, roads, and structures that are vulnerable to wildfires and develop a more coordinated emergency response system of well-defined and mapped evacuation routes. Formalize existing practices on the use of heavy equipment during fires.				
FIRE & PUBLIC SAFETY	32	Develop a wildfire information campaign and signage to build public awareness of wildfire hazard. Improve community awareness of the human, economic, and environmental costs associated with wildfires caused by negligence or accident. Engage the community in creating and maintaining fire breaks.				
FIRE & PUBLIC SAFETY	33	Develop an island wide fire risk and vulnerability assessment.				
FIRE & PUBLIC SAFETY	34	Explore options for relocating Puko`o Fire Station to a location that is not vulnerable to flooding and tsunamis, and best meets the needs of East End residents.				
FIRE & PUBLIC SAFETY	35	Support the staffing upgrade for the Puko`o Fire Station to meet the same national and Maui County minimum staffing levels as provided at the other fire stations in Maui County. Evaluate the results of the "Standards of Coverage" report and address recommended fire service needs.				
FIRE & PUBLIC SAFETY	36	Implement and maintain the "Centers for Public Safety Excellence" accreditation program.				
FIRE & PUBLIC SAFETY	37	Support the implementation of the accreditation program by creating one full-time position. Minimum level of effort for Moloka`i would be 15 percent.				
FIRE & PUBLIC SAFETY	38	Complete premises identification addressing for all occupied properties and properties with structures on Moloka`i.				
FIRE & PUBLIC SAFETY	39	Encourage enforcement and incentives for the effective posting of addresses on applicable Moloka`i premises per County Code and public safety recommendations.

HOUSING	40	Explore the possibility of providing incentives to landowners to comply with MCC requirements for the purpose of maintaining affordable housing.				
HOUSING	41	Establish partnerships to continue to implement a comprehensive affordable housing plan for Moloka'i that addresses both ownership and rental affordability.				
HOUSING	42	Establish partnerships and support a housing rehabilitation program, including loans, grants, technical assistance, and community outreach.				
HOUSING	43	Work with developers to support their efforts to secure/leverage grants, new home buyer tax credits, low income housing tax credits, and other resources that support affordable housing, such as housing models that can be built affordably.				
HOUSING	44	Investigate whether a community land trust would consider operating on Moloka'i.				
HUMAN CONCERNS	45	Assist with accreditation of pre-school and child care center providers via professional services.				
HUMAN CONCERNS	46	Conduct community needs surveys and allocate funding to expand the number and variety of social services.				
HUMAN CONCERNS	47	Continue to provide social services for immigrants, early childhood, aging, and seniors.				
HUMAN CONCERNS	48	Support and fund alcohol and substance abuse, domestic violence, sex assault, mental health, and families in crisis services, programs, and treatment centers.				
HUMAN CONCERNS	49	Form partnerships and provide assistance to develop a plan for establishing long-term and short-term supportive housing, palliative care, and hospice facilities.				
HUMAN CONCERNS	50	Encourage the State to establish a medical/dental/health service installation on the East End.				
MAYOR'S OFFICE	51	Assist with conferences or workshops of key Federal, State, and local agencies, and community and nonprofit leaders to discuss, plan, and prioritize actions to address environmental and natural resource issues.				
MAYOR'S OFFICE	52	Assist in conducting workshops with stakeholder groups to develop an integrated natural and heritage resources management system, including traditional Hawaiian ecological knowledge

MAYOR'S OFFICE	55	Consult with Moloka'i Education Center to develop and manage a native plant nursery for community restoration projects.				
MAYOR'S OFFICE	56	Conduct outreach to agricultural, ranching, and development interests to implement BMPs to reduce excess sediment loss, herbicide and pesticide use.				
MAYOR'S OFFICE	57	Encourage appropriate Federal and State agencies to initiate a program to provide education and support for community stewardship of the coastal areas, including conducting baseline studies on coastal water quality and coral reef conditions.				
MAYOR'S OFFICE	58	Assist with development of a community-based game management plan, including BMPs.				
MAYOR'S OFFICE	59	Encourage the State to establish a quarantine treatment facility on Moloka'i.				
MAYOR'S OFFICE	60	Assist in developing educational materials to educate visitors, including visitors engaged in hunting and fishing, about the importance of natural and cultural resources to the cultural and subsistence practices of Moloka'i's residents, and how they may prevent damage to these resources.				
MAYOR'S OFFICE	61	Work with the State, private landowners, and cultural practitioners to ensure that watershed protection, as well as other conservation measures, provide appropriate access, through fencing and other means, for cultural and subsistence activities.				
MAYOR'S OFFICE	62	Coordinate with cultural practitioners and State agencies to develop public education programs on the proper gathering and use of subsistence resources.				
MAYOR'S OFFICE	63	Establish a comprehensive historical interpretive program, including historical markers, maps, and brochures, and identify ahupua'a and significant historical sites that are appropriate for public interpretation.				
MAYOR'S OFFICE	64	Coordinate with kūpuna knowledgeable in north shore protocol to hold community meetings to educate people about the history and cultural significance of Wailau and Pelekunu and to encourage pono cultural practices.				
MAYOR'S OFFICE	65	Promote Moloka'i cultural events that do not have an adverse effect on natural resources. Develop Moloka'i cultural events and tourism guidelines that protect island culture and natural resources.

PARKS & RECREATION	118	Provide shade for One Ali`i Park's playground area.				
PARKS & RECREATION	119	Coordinate planning, design, and construction of a new Kaunakakai Gymnasium and Athletic building that meets Moloka`i's unique sports' needs, serves as a hardened EMA community shelter for disasters, and is located outside of the flood zone.				
PARKS & RECREATION	120	Explore land acquisition and development of park facilities at Kumimi Beach.				
PARKS & RECREATION	121	Explore State or County land acquisition and development of park facilities at Kapukauahi (Dixie's).				
PARKS & RECREATION	122	Work with County, State, and Federal agencies, and the community to resolve Malama Park issues.				
PARKS & RECREATION	123	Coordinate with transportation and recreation planners to increase bikeways and pedestrian opportunities for exercise.				
PARKS & RECREATION	124	Clear litter and supply adequate rubbish bins at County beach access points. Create and post clear signage about the detrimental effects of leaving rubbish, such as plastic bags and other litter, near coastline.				
PLANNING	125	Compile GIS data and traditional ecological knowledge to map the highest value ecological areas and natural resources.				
PLANNING	126	Complete and regularly maintain a GIS inventory of cultural, archaeological and historic resources and trails assembled from existing inventories and databases to be used for project review.				
PLANNING	127	Identify other significant cultural property types, including rural historic landscapes and traditional cultural properties, and take action to include appropriate sites on the National Register of Historic Places.				
PLANNING	128	Establish archaeological and historic districts where high concentrations of historic sites exist.				
PLANNING	129	Provide education and incentives to encourage property owners to nominate structures and sites to the State and National Register of Historic Places.				
PLANNING	130	Explore options to protect cultural sites listed in Appendix 3.3.

PLANNING	131	Encourage the Governor to appoint members to the Moloka'i Island Burial Council so that regular hearings by this body may resume.				
PLANNING	132	Provide educational training to applicable County agencies on the role that the County permit process plays in historic preservation.				
PLANNING	133	Educate property owners regarding the need to prevent damage to, or destruction of, historic and cultural sites.				
PLANNING	134	Develop BMPs for land and development uses to protect identified priority view corridors or viewsheds.				
PLANNING	135	Complete the visual inventory, analysis, and mapping of key scenic view corridors, ridgelines, and viewsheds.				
PLANNING	136	Develop and implement the Scenic Roadway Corridors Management Plan and Design Guidelines.				
PLANNING	137	Provide educational workshops for design consultants and developers on scenic resource BMPs.				
PLANNING	138	Integrate scenic resource planning into natural and heritage resources strategies and plans.				
PLANNING	139	Map SLR projections for specific geographic areas on Moloka'i, utilizing data from the NOAA Digital Coast SLR and Coastal Flooding Impacts Viewer. Map other climate-related coastal hazard areas.				
PLANNING	140	Continue work with FEMA to update FIRMs that incorporate best available information on climate change and SLR.				
PLANNING	141	Implement additional CRS activities to improve class ratings and discounts on flood insurance premiums.				
PLANNING	142	Conduct erosion analysis of Moloka'i's shoreline to determine rate of erosion and use the results to determine setback calculations that also factor in incremental effects of SLR.				
PLANNING	143	Coordinate with Federal, State and County agencies to obtain current SLR information and maps. Plan phased relocation of critical structures and roadways. Plan long-term strategic retreat of buildings. Identify priority planning areas where resources and planning efforts should be focused. Identify how and where to use adaptation strategies such as retreat, accommodation, and protection.

PLANNING	144	Support development of a cultural archive of the kūpuna’s knowledge of traditional hazard mitigation practices.				
PLANNING	145	Adopt a comprehensive zoning map for Moloka`i. Conduct a comprehensive review of interim zoned lands to identify and adopt zoning that is consistent with the Plan.				
PLANNING	146	Amend the zoning code to facilitate the development of mixed-use, pedestrian-oriented communities.				
PLANNING	147	Implement County responsibilities under Part III, Chapter 205, HRS to designate and establish IAL and the incentives therein.				
PLANNING	148	Review the SMA boundary and make changes as necessary to comply with the objectives and policies defined Section 205A-2, HRS, and incorporate best available information on Climate Change and SLR.				
PLANNING	149	Research and review poor or highly sloped agricultural lands for conversion to different designations.				
PLANNING	150	Study viable options for transitioning Moloka`i’s commercial and population center away from the threat of SLR and coastal inundation.				
PLANNING	151	Research and develop a climate change policy and adaptation plan to address rising sea levels and beachfront housing and development.				
PLANNING	152	Adopt a “Traditional Land Use” (TLU) Overlay into the Community Plan Designations. The County PD should look at existing Community Plan Designations and County Zoning in Mana`e and recommend zoning adjustments based on current land use suitability analysis methods, as well as on the community recommendations included in the Mana`e GIS Mapping Project (COM, 2008) and the Traditional and Cultural Practices Report for Mana`e (OHA, 2016).				
PLANNING	153	Research and conduct viable options to alleviate tax burdens on kuleana land owners, potentially by basing assessments on actual use rather than potential use value. Also, review Section 3.48.554, MCC, for possible amendments.				
PLANNING	154	Amend the zoning code to allow a greater variety of housing types to address affordability, including mixed-use, mixed housing types, co-housing, prefabricated homes, and small lots.				
PLANNING	155	Establish a cap on Transient Vacation Rentals and Short-Term Rental Homes.

PLANNING	156	Amend the 1993 Design Guidelines For Country Town Business Districts Molokai Hawai'i				
PLANNING	157	Develop sub-area development plans for Kaunakakai, Maunaloa, Kaluako'i Kualapu'u / Ho'olehua, and the East End of Moloka'i.				
PLANNING	158	Develop a pedestrian linkage between Malama Park and Kaunakakai through streetscape improvements.				
PLANNING	159	Develop practicable incentives for Moloka'i businesses and property owners to implement sub-area development plan projects designed to preserve, maintain, and enhance buildings, structures, sites, viewpoints, pedestrian ways, and streets.				
PLANNING	160	Conduct a study to improve walkability in Kaunakakai.				
PLANNING	161	Review and update Chapter 16.26B, MCC, relating to indigenous architecture, as appropriate.				
PLANNING	162	Investigate options to share the cost of BCT guideline requirements for infrastructure upgrades among all Kaunakakai businesses, such as an Assessment District, so that renovations are economically feasible.				
PLANNING	163	Develop and implement a trail, greenway, and open space access plan that utilizes old agriculture roads and trails, where appropriate.				
PLANNING	164	Integrate a parking study with parking mitigation measures appropriate for Moloka'i into a Kaunakakai Revitalization and Beautification Plan. Explore the concept of centralized parking in Kaunakakai and utilize areas such as the former Molokai Electric Company's Kaunakakai Facility.				
PLANNING	165	Amend development regulations to ensure the construction of adequate parking with pathways near public shoreline access points.				
PLANNING	166	Adopt a beach/mountain access dedication ordinance using Transfer of Development Rights addressed in Chapter 46, HRS, if appropriate, to improve access along the shoreline and mountains.				
PLANNING	167	Provide the MoPC with the Planning Director's annual status reports as described in Chapter 2.80B, MCC.				
PLANNING	168	Provide training to the MoPC on all applicable laws providing the legal framework agencies must follow when engaging in decision making that may impact Native Hawaiian traditional and customary practices. Fulfill new requirement for a Native Hawaiian Cultural Expert on the Moloka'i Planning Commission.

PLANNING	169	Adopt recommendations made in the Mana'e GIS Mapping Project (2008) where appropriate. (see footnote p.161)				
PLANNING	170	Support the nomination of appropriate sites to the State and National Registers of Historic Places, including re-nominating all sites that were dropped from the State Register of Historic Places in 1979, if appropriate.				
PLANNING	171	Ensure that traditional and culturally significant lands are conserved, preserved, and protected by supporting designations to protect and preserve traditional lands under the DLNR conservation regulations, through County zoning, or other appropriate methods, including the creation of a Traditional Land Use Overlay.				
PLANNING	172	Review land use policies for all coastal areas, wetlands, and systems engineered for kalo cultivation to preserve those lands for their cultural and environmental purpose.				
PLANNING	173	Provide appropriate access to the grove at Kukui o Lanikaula.				
PLANNING	174	Nominate important sites to the State Register of Historic Places where appropriate.				
PLANNING	175	Support designations to protect and preserve traditional and culturally significant lands under the DLNR conservation regulations during the County zoning process, or other appropriate methods, including the creation of a Traditional Land Use Overlay.				
PLANNING	176	Explore appropriate action to limit the height of new buildings on the West End to a maximum of 35 feet.				
PLANNING	177	Explore appropriate action to require large-scale commercial developers to conduct a social impact assessment for any proposed development, identifying potential impacts on the community and proposed mitigative measures.				
PLANNING	178	Survey of wildlife on Moloka'i should be continued into the West End area with documentation of traditional lands.				
PLANNING	179	Establish a community-supported cap on TVRs and STRHs for the West End.				
POLICE	180	Coordinate with community organizations in their prevention and treatment efforts to reduce substance use and abuse.				
POLICE	181	Continue working cooperatively with the Prosecuting Attorney and the Drug Enforcement Agency (DEA) to enforce substance abuse and drug trafficking and distribution laws.

POLICE	182	Coordinate land acquisition, planning, design, and construction of a new Moloka'i Police Station at a location that meets the unique needs of the MPD for Moloka'i, out of the special flood hazard area and tsunami evacuation zone, that promotes practical and safe emergency response for the entire Moloka'i community.				
POLICE	183	Collaborate with community organizations and other appropriate groups to provide Moloka'i community and cultural sensitivity training for new recruits and transferred personnel.				
POLICE	184	Expand police presence in the East and West Ends of Moloka'i.				
POLICE	185	Explore the possibility of collaborating with an animal rescue organization to establish an animal holding facility on Moloka'i.				
POLICE	186	Encourage the implementation of a Police Bicycle Patrol Program on Moloka'i.				
PUBLIC WORKS	187	Develop a toolbox of green infrastructure BMPs and conduct workshops for consultants, designers, developers, and builders.				
PUBLIC WORKS	188	Develop educational materials addressing heritage and natural resources impacts from unpermitted ground altering activities; disseminate educational materials widely, including to private landowners and visitors; provide instructions for reporting unpermitted activities. Train Moloka'i Development Services Administration (DSA) personnel to immediately respond to complaints.				
PUBLIC WORKS	189	Support wildfire mitigation activities such as green belts around subdivisions and vegetation control around power poles that will minimize risk of wildfire susceptibility to properties and subdivisions.				
PUBLIC WORKS	190	Develop and adopt small town street design standards that are appropriate for Moloka'i and within Department of Public Works' standards.				
PUBLIC WORKS	191	Develop incentives to promote the use of sustainable green building and development practices.				
PUBLIC WORKS	192	Develop a comprehensive stormwater management plan that emphasizes use of natural systems drainage where possible.				
PUBLIC WORKS	193	Build dispersion and retention facilities to address dirt-road runoff.

PUBLIC WORKS	194	Implement the Kaunakakai Master Drainage Plan.				
PUBLIC WORKS	195	Inspect, maintain, and if necessary, repair or install new stormwater drainage swales and culverts and remove blockages from drains and channels.				
PUBLIC WORKS	196	Prepare a GIS database to inventory existing stormwater infrastructure.				
PUBLIC WORKS	197	Evaluate older swales and drains for current functioning and restore, if needed. Add natural drainage storage and filtration to supplement existing system.				
PUBLIC WORKS	198	Encourage appropriate Federal and State agencies and private landowners to improve or restore historic wetlands that help to mitigate impacts from stormwater drainage systems.				
PUBLIC WORKS	199	Complete the Kaunakakai drainage system.				
PUBLIC WORKS	200	Reconstruct culverts to 100-year flood specifications on all County roads.				
PUBLIC WORKS	201	Prepare a plan for an integrated multi-modal transportation system with "Complete Streets" that serve automotive, public transit, bicycle, pedestrian, wheelchairs, and other land transportation modes.				
PUBLIC WORKS	202	Support additional access routes located around Kaunakakai to facilitate access to and from town.				
PUBLIC WORKS	203	Explore the possibility of the County acquiring privately owned roads on Moloka'i.				
PUBLIC WORKS	204	Fund and construct a public parking area in Kaunakakai to relieve existing parking requirements on businesses wishing to expand or improve.				
PUBLIC WORKS	205	Complete a site selection study to identify a location for a new cemetery.				
PUBLIC WORKS	206	Explore the feasibility of the County taking over the maintenance of the roads on the West End.
