Subject: Personal Testimony - CONDITIONAL PERMIT FOR 355 HAIKU ROAD LLC (HAIKU) (LU-18)

Dear Chairman Carroll and members of the Land Use Committee,

I am writing in opposition to the conditional permit at 355 Ha'ikū Road for transient vacation rentals and events. My name is Alana Yurkanin and I am a member of the Ha'ikū community. Granting this permit will increase the amount of unwanted noise and traffic to our quiet neighborhood. It will also change the nature of our community by allowing commercializing into a residential and agricultural area without any benefit to the community or island, putting tourism before local interest. Please vote no on granting this permit.

Mālama pono,
Alana Yurkanin
