Subject: Support for Olowalu's Affordable Housing

Aloha, Affordable Housing Committee,

I am in total support of the Olowalu Housing for Owner Occupants (Lihau'ula) and ask that you embrace a positive regard for this project. It promises to provide affordable housing for future homeowners.

As one who is born, bred, educated, and a retired educator in Lahaina, I thank you for your time and consideration. West Maui is my homeland.

Malama pono,
