Aloha,

I am testifying in favor of extending the deadline for making critical long term decisions concerning Maui county water usage to June 2021. It is essential that the entire document be reviewed to make sure that it is pono, since this decision lasts for the next 20 years. I would also like to have community involvement to ensure that important viewpoints have been considered.

Mahalo for your kokua.

Regards,  
Naomi Ackerman

P.S. You can leave this following part off the testimonial - I tried submitting a comment through the website, but got a server error.
