Aloha Committee,

The WEST MAUI COMMUNITY PLAN UPDATE needs to be completed before any more development can be approved. YOU as elected council members owe it to our community on the westside.

The DEVELOPER is WELL AWARE he is slipping this in BEFORE the Community Plan is COMPLETE.

HE NEEDS TO WAIT LIKE EVERYONE ELSE. It's NOT FAIR to others who are respectfully waiting and it is ABSOLUTELY unfair to ALL of those who have and still are, putting in hundreds of hours to inform our community AND to everyone who lives here on the westside.

Aloha,
Doris Lang
