Subject: Thank you for backing the bill to prohibit commercial activity at Hanakao`o

Dear Ms. Paltin,

I just want to express gratitude for your fight to prohibit commercial activity at Hanakao`o. I have seen how this beach provides ground and foundation to the cultural growth of our keiki and our community. Hanakao`o is culturally valuable and should be protected for this generation and those to come, so thank you for all your efforts in this regard.

Sincerely,

Frances Santiago
