Dear Governor Ige:

**SUBJECT: EVICTIONS DURING COVID-19 PANDEMIC (HFC-66)**

At its meeting of September 10, 2020, the Healthy Families and Communities Committee discussed the issue of evictions during the COVID-19 pandemic.

May I please request your responses to the following:

1. Is there a list of programs for rental assistance and eviction prevention during the COVID-19 pandemic? If so, please provide it. If not, are there plans to develop one?
2. What is the public requesting for assistance with childcare and how much money is being expended?
3. What are the Administration's plans to provide details to the public on the number of COVID-19 positive cases in relation to the number of tests?

May I further request you provide a written response by **October 1, 2020**. To ensure efficient processing, please include the relevant Committee item number in the subject line of your response.
