18. Keri Zacher – Animal control; Puko`o Fire Station.
19. Penny Deerborn – Animal control.
20. A. C. Quackenbush, President, Board of Directors, Molokai Humane Society – Molokai Humane Society.
21. Jay Duquette – Molokai Humane Society; Puko`o Fire Station; animal control.
22. Yolanda Reyes, Branch Director, MEO Molokai - MEO.
23. Shari Lynn, Executive Director, Ka Hale Pomaikai – Ka Hale Pomaikai.
24. Jaime Thompson – Ka Hale Pomaikai
25. Lyndon Dela Cruz, Owner/Operator, Lanakila Designs – Kuha`o Business Center under MEDB; Molokai Humane Society.
26. Kekama Helm, Ka Molokai Makahiki – Ka Molokai Makahiki.
27. Karen Holt, Executive Director, Molokai Community Service Council – Molokai Community Service Council.
28. Andrea Dudoit, Director, Molokai Youth Center – Molokai Youth Center.
29. Clare Mawai – Youth in Motion/Molokai Holokai event; Molokai Youth Center; Molokai Humane Society; Maui Visitors Bureau; visitor education; new Molokai police station; Puko`o Fire Station.
30. Ehulani Kane, Board of Directors/President, Molokai Child Abuse Prevention Pathways – MCAPP.
31. Julie Lopez, Instructor - MEO bus for students; Molokai Humane Society.
32. Kawika Gonzales - MEDB.
33. Anne Steinke, Supportive Adult for Mental Health America – Mental Health America.
34. David Thompson, Jr., Parent/Assistant Teacher – MEO Head Start.
35. Val Dudoit – MEO Head Start.
36. Mahina Poepoe – Climate change adaption plan for Molokai; Chair’s proposed tax rates, especially for Short-Term Rental Homes; Molokai Humane Society; MEO; and MCAPP. Reservations about Puko`o Fire Station. Requested Police to reach out about the new police station. Against repaving Mitchell Pauole Center parking lot. Against new scale

- for the landfill; money should go towards a plan for the landfill's future. Requested relocation of wastewater plant.
37. Greg Kahn –Chair's Short-Term Rental Home property tax rates; affordable housing.
 38. Georgina Kuahuaia, Officer In-Charge, Molokai Salvation Army – Maui Food Bank; MEO bus for students.
 39. Wilma Noelani Joy – Current level of services for Molokai; Department of Public Works, garbage pickup workers; Department of Parks and Recreation. Minimum property tax affects homesteaders and needs to be advertised. Against any raises to the property tax.
 40. Cynthia McCutcheon, Kuha`o Business Center – Molokai economic development and cultural programs; Molokai Business Conference and Kuha`o workshops; Small Business Revitalization Grants; Molokai OED Grants; Made in Maui County Festival; Made in Maui County Internship Program; MEO Business Development Center.
 41. Jennifer Hawkins, University of Hawaii College of Tropical Agriculture and Human Resources – UH CTAHR; Molokai Humane Center; MEO Business Development Center; MEO Bus; Animal Control Officer; Molokai Economic Development Fund; East End Fire Department and Police Department; Kaunakakai Fire Department; services for homebound seniors.
 42. Kalola Kaulili – Hale Ho`omalua Domestic Violence Shelter under MCSC.
 43. Ali Kaina – Hale Hoomalu Domestic Violence Shelter.
 44. Cheryl Pritchard, Ad Hoc Climate Committee – \$500,000 for proposed climate change adaption plan on Molokai. Opposed paving at Mitchell Pauole Center. Sewer system needs to be moved
 45. Henry Lindo – Molokai Humane Society; Puko`o Fire Station; a mobile diesel tank; homelessness and homeless initiatives. Animal Control Officer and Molokai Humane Society need to collaborate.
 46. Maliekekai Ward, Career Technical Education Coordinator and Teacher, Molokai High School – Made in Maui Internship Program; Fire Station in Mana`e.
 47. Dartagnan Bicoy – Relocation of East End Fire Station; Molokai Humane Society.
 48. Juanita Reyher-Colon – Chair's Proposal for a Molokai climate change adaption plan; Puko`o Fire Station; new Molokai Police Station
 49. Zhan Lindo – MEO; \$500,000 for a plan to address sea level rise on Molokai. more enforcement officers in Department of Planning and Department of Public Works; cultural training for Public Works; police station and fire station relocation; Moana's Hula Halau for Aloha Festivals; Hale Pomaikai; more positions for the Department of Public Works and the Department of Environmental Management — but landfill

needs a plan. Said the County should already have a plan for the wastewater plant.

50. Liko Wallace – Molokai climate change adaption plan. Relocation of Molokai Police Department but wanted a community meeting. Positions for trash pick-up and landfill operators instead of a scale. Two temporary positions for the Molokai wastewater facility in anticipation of an upcoming retirement of a supervisor. Opposed Mitchell Pauole Center parking lot expansion.
51. Sammi Kaai-Calairo, Royal Court Coordinator, Festivals of Aloha – Festivals of Aloha.
52. Leimana Naki – Fire station in Mana`e, but archaeologists need to look at the area; fish ponds.
53. Walter Ritte – Acquiring old Molokai Ranch lands for community use.
54. Jeraul Pladera, Maui Police Department – A new Molokai police station.

Meeting adjourned at 9:39 p.m.

Puaa

Hi My name is Niakani (enjoy (MEDB) Maui Economic Development Board is the chance for me to learn about stem also the opportunity to be exposed to talking in public and to the community. I also enjoy going to the stem conference where I can learn about science/math and what you can do with these skills. I also enjoy MEDB because I get to travel off island meet new people and get to know how stem has involved in medb and how it helped them in life.

Maui County Budget Hearing 4/15/19: Support of MEO Youth Transportation Services

Molokai LIVE, and out of school time program, offers Molokai High, Molokai Middle, and Aka'ula School students both academic support and enrichment activities Monday - Friday. The programs provide daily homework help and classes that include robotics, language enrichment, art, and college and career readiness. LIVE also provides a Summer Program.

During the school year, MEO Youth Transportation provides a 3:30 and 5:00 p.m. service from the school to Kaunakakai. Students living in other areas can catch the MEO community buses to their homes. Also, MEO provides Youth Transportation services for our Summer Program from Kaunakakai to the school and back.

Student Name: KAIDO DEMELLO Grade: 12 (circle) Male Female Other

I am asking you to fully fund the MEO Youth Transportation Services. Transportation is important for students because they need to go home

Without MEO transportation: I " would would NOT" be able to attend the after school program.

For myself or other students: If we did not attend the after school program, this is what we would be doing after school:

Go home and ~~not~~ not do any work

MAC

Aloha my name is Kuulei Kaina-Kahoaliu
We really enjoy going to the Molokai Art
Center because we can have hand-on
activities. Also Auntie Apeilia gives us
instructions on what we have to do.
Auntie Apeilia is really friendly and we
can have an opportunity to learn ceramics
out of clay. We learned different clay
colors and different ways we can
make out of clays. We made cups
Pinch pot,

Request/Issue: The MEO Headstart program is an important program for my family because it allows me to work a part time job without the hassle of needing to find a sitter. without headstart i wouldnt be able to afford alot of my families necessities. I also have seen the growth my daughter has made socially, Emotion and education wise. The staff has been a tremendous help transitioning my children from home to school environment as well as providing me with resources and tips to better help my children at home. I know without a doubt that finding this program positively impacts alot of families. As a small island it is hard enough to make ends meet and this takes so much pressure offing as parents

Molokai Art Center

Why I enjoy going to MAC, Molokai Art Center, is because we can express our art over there. I remember when I was in 7th grade and I did not know about the Molokai Art Center. Until Kumu Iolani took me over there for the first time in my life.

I also remember when Uncle Kalani came over and taught our whole class group by group. How to make a throw net it was so much fun because we all got it wrong but it was a good first experience. Then we got to make our own cups, bowls, mugs, plates, signs and then take it home and share it with our families.

MEDB, STEMWORKS

Aloha I am 'Olaka Hoopii-Gutierrez
8th grade of Molokai Middle HUP program.
The first time I have visited STEM was the
year of 2018 7th grade. STEM was a very
huge impact in my life.

I was very excited to go to STEM
and really want to go back. I learned many
things about the changing of Hawaii.
Also things I can do on my own online.

I also got to meet other people and
experience important needs for the future.
STEM was a very big help in wanting
of a career for me. Also knowing what
I could do to reach out for others. I also
got some instructions that was mailed to
me for what I need and will experience for
the career that I wanted.

I am very glad to join HUP because
we all get to travel by helping one another
and fundraise. Our teacher try's to make
all have an oppurtunities for us and helping
us as we get older. We try to not leave
nobody behind.

MOLOKAI ART CENTER

Hi im Kila orlando The thing that I enjoy is that we have an opportunity to go to MAU. And to me its fun and interesting because I didn't even know that we had a Art center until Kumu invited us to go to the Art center. And that is what interested me.

And the fun part is that we could learn thing that we didn't learn before, which is big pot, big Red, and hemex which is the three days that we used to make our signs and things like that.

And what we made in the MAC is paint our Fumakua and we were mostly making bowls and signs to support our sail to go to STEM. we had fun going to MAC. And we go every weekends.

Letter of support for: MEO Bus Service

Aloha kakou,

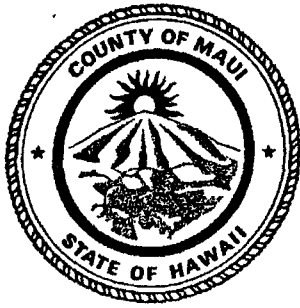

I am writing this letter in support of MEO Bus Service, providing a valuable mode of transportation for our residents of Molokai. My children use this service often to come home from school activities we are unable to pick them up from due to our work schedule. Providing transportation during our spring & summer school programs have immensely helped with us being able to have our children attend these programs. I have witnessed many Kupuna who are unable to drive or do not have vehicles use this irreplaceable service I humbly ask to keep this valuable, needed mode of transportation n on Molokai and continued availability to outer islands as we try to lessen our carbon footprint for all who live in Hawaii.

Mahalo!

April, 12 2019

Dear Mayor Victorino and Maui County Council,

Thank you for the opportunity to share my experiences with you today. My name is Ann Puaa and I live in Kalama'ula, Moloka'i. I am a working mother/grandmother supporting my family and working towards one day owning the premier personal shopping company on the island. I am here today to share my story and to ask for your support in strengthening Maui County's economic development by continuing to support programs such as the Business Development Center at Maui Economic Opportunity. Over the past year or so I have observed a growing need in our community. There are many who either have no transportation of their own or are physically unable to complete everyday tasks on their own, particularly grocery shopping. It is my long-term goal to run a company that will assist people with shopping and delivery and one day expand to running other errands such as picking up medications and mail.

The Business Development Center at MEO-Molokai has helped me realize this goal and have given me the tools and education necessary to achieve it. I took the Core Four Business classes with Taija-Rae Espaniola-Basa from January through March of this year and I have gained so much from those classes. I developed a business plan and have done research regarding our community throughout the course. I hope to start this business within 3-5 years. If not for the Core Four business planning course, I would not feel confident in moving forward with the idea.

I ask for your continued support for this program and Maui Economic Opportunity in general as they do so much for our community.

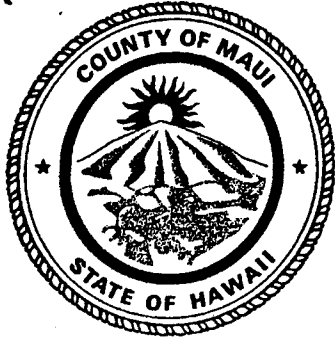

Mahalo,

Ann Puaa

Molokai Art Center

I am a student of Molokai Middle HUP Program. I have been visiting Molokai Art Center for over a year and 9 months. We go four times a month once a week.

I enjoy visiting and participating with Molokai Art Center. I learned how to make bowls, cups, signs, magnets etc. We also learned how to fix a net with Uncle Kalani. Also I got to meet other people.

I enjoyed learning more about crafting and creating my imagination into something I love. I also enjoyed giving my art pieces to family that brought smiles to their faces.

Also I get to make free ceramic pieces so I don't need to buy and claim it at home. And also to practice on the wheel it was very hard but practice makes perfect.

Molokai child abuse prevention pathway
 Aloha my name is Kuulei Kaina Kahoalii
 and I really enjoy McAPP because we
 about Sexual Violence. Sexual violence
 means Any tricked or forced that is
 Unwanted or any sexual behavior. The different
 types of sexual violence is sexual, physical
 Emotional. Also violence is fighting, shooting,
 abuse, hitting, teasing, huffs. one in four
 girls got sexual. one in six boys
 got sexual assaulted. Auntie titi told us
 Keep on telling until someone believe you.
 The other thing they teach us is
 Sexual Harassment and bystander mean
 Someone who witness bullying can take
 action to put an end to sexual harassment
 and others. forms of bullying. The 2 types of
 bystander is passive bystander, passive bystander
 is someone who participate in the bullying
 behavior. An Ally stands up for and helps
 the target.

**April 15, 2019 Maui County Council Meeting on Molokai
Testimony Summary RE: County Budget
Respectfully submitted by Mahina Poepoe**

DON'T SUPPORT:

- **I DO NOT SUPPORT** allocating funds for the relocation of Pukoo Fire Station. Please remove it from budget for now until the Department has fulfilled its obligation to community discussion and any raised concerns have been addressed. Remove funding for now to allow for exploration of options, and meaningful and thorough conversations to be had between department and community to ensure the project site and scope is appropriate to character of community and culture. Culturally significant sites are known to exist in the vicinity of proposed project. I will not support this project if it is revealed that cultural sites will be destroyed.
- **I do not support** paving Mitchell Pauole parking lot, its fine how it is and this is in the SLR area.
- **I do not support** the new scale and scale house improvements at the landfill they have bigger issues up there like inadequate manpower.

SUPPORT:

- I support the 500k for the sea level rise/ climate change plan.
- I support the property tax increases especially for STR's.
- I support your continued support of Molokai Humane Society, MEO, MCAPP
- I support increased operator positions for Molokai landfill

OTHER:

Recycling center could use some help. They need a new forklift. Should the one they have now break down most of their operation will be halted. They're also supposed to get a new baler and I'd like to see that happen sooner than later.

We need money to (a) find a new site and (b) relocate our wastewater plant. It is currently right near the ocean exposed to SLR and tsunami's and is operating over capacity. Until that gets taken care of we need a moratorium on all new projects wanting to tie into the county sewer line. The facility can't handle any more.

We need enforcement positions on Molokai in public works and planning so that reports of illegal activity don't take 2 years to investigate, and the investigator comes from maui has no idea about our island. All the while our burial grounds and sand dunes are getting bulldozed for the sake of an improved sunset view.

To: Maui County Council Budget Committee

From: Liz Fujii, Executive Director, Molokai Child Abuse Prevention Pathways (MCAPP)

Date: April 15, 2019

Re: Funding to prevent sexual abuse on Molokai

Thank you Councilmembers for gathering the community today. My name is Liz Fujii and I am the Executive Director of Molokai Child Abuse Prevention Pathways (MCAPP).

MCAPP's mission is to keep children safe and support 'ohana wellbeing by preventing sexual abuse. Led by Molokai's strengths, including profound resourcefulness, aloha, family bonds, and connection to place, we envision a Molokai where happy, healthy, children and families is everyone's kuleana.

With support from the County's Department of Housing and Human Concerns, I am happy to report that MCAPP was able to meet the goals we presented to you this time last year. One of those goals was to leverage County funds to get additional support from other funders. We have made good strides toward this goal. In fact, this evening, I am off island to attend a mandatory partner gathering organized by a local foundation that recently made a five-year commitment to support MCAPP.

Additionally, this fiscal year, MCAPP has:

- Delivered proven sexual violence prevention education to 745 students in grades pre-K–12.
- Trained 71 faculty to spot warning signs and respond appropriately to disclosures of abuse.
- Launched Lamakū, a mentoring program that empowers teens to become advocates. Lamakū targets 8th, 9th, and 10th grade students and currently has 12 members.

According to surveys:

- 99% of Molokai Middle School participants agreed they were more motivated to show respect in relationships
- 100% of pre-school and elementary participants identified a safety circle, and gave accurate examples of good and bad touches, good and bad secrets
- 96% of faculty agreed that they were more prepared to spot warning signs and respond appropriately if a student discloses that they were sexually violated.

With the Molokai Sexual Violence Prevention Community Action Team, MCAPP staff is organizing the second annual Keiki Fest happening this Saturday, April 20th, here in Mitchell Pauole Center. In honor of Sexual Assault Awareness Month and Child Abuse Prevention Month, the event emphasizes the uplifting aspects of violence prevention, gathering the community to celebrate the worth and accomplishments of Molokai's children, youth and teens. We hope everyone here today from the Molokai community will attend for food, games, giveaways, contests, and education, all free of charge.

(Molokai)
RECEIVED AT EDB MEETING ON 4/15/19
Ehulani Kane

We do our best to address the sensitive topic of sexual abuse in a welcoming and sensitive way. Nonetheless, it is important to remember that prevention efforts address a hidden public health epidemic that is related to many of Molokai's more visible challenges. On average, nationally 1 in 4 girls and 1 in 6 boys experiences sexual abuse before the age of 18, 80% of perpetrators are someone the victim knows and trusts, and 30% of perpetrators are themselves under the age of 18. Sexual abuse in childhood has been linked to future substance abuse, suicide, depression, anxiety, incarceration, obesity, autoimmune disease, thyroid disease, reduced lifespan, and reduced economic security.

With a dedicated and creative staff, MCAPP is a lean and committed organization that works to make a big impact with limited resources. Financial support from Maui County is critical to ensuring that this important work continues. Mahalo for your support for protecting our keiki, to ensure we have strong families and a strong future.

MCAPP

Hi my name is Makani ^{Puaa} Ni enjoy MCAPP
Because they thought me about how to
stay safe in life with Preventing
Bullying (sexual harassment) and Sexual
violence. I learned the Softys and
Non Softys when it comes to sexual
violence. I also learned about personal
Boundaries. I learned how to help
people with suicidal thoughts.
I also got the opportunity
to join their Lomaku program.
The program gave me the chance
to go to Oahu and meet kids
my age work together to learn
about Bullying. Then after the session
was done we got to present in front
of Oahu's community about what we
learned at our sessions.

Maui County Budget Hearing 4/15/19: Support of MEO Youth Transportation Services

Molokai LIVE, and out of school time program, offers Molokai High, Molokai Middle, and Aka'ula School students both academic support and enrichment activities Monday - Friday. The programs provide daily homework help and classes that include robotics, language enrichment, art, and college and career readiness. LIVE also provides a Summer Program.

During the school year, MEO Youth Transportation provides a 3:30 and 5:00 p.m. service from the school to Kaunakakai. Students living in other areas can catch the MEO community buses to their homes. Also, MEO provides Youth Transportation services for our Summer Program from Kaunakakai to the school and back.

Student Name: Jalen Kalama Grade: 11 (circle) Male Female Other

I am asking you to fully fund the MEO Youth Transportation Services. Transportation is important

for students because I and many students
rely on MEO bus services to get
home from school. and some

Without MEO transportation: I " would would NOT" be able to attend the after school program.

RE: Support Letter for Maui Economic Opportunity, Inc.

Aloha Council Members,

It is with the highest regard that I write this letter of support for Maui Economic Opportunity Inc. As a Social Worker helping the vulnerable population at Molokai General Hospital, I find that MEO, Inc's Transportation Services and Rental Programs are essential in getting our patients needs met. Whether it be helping our Kupuna and keiki attend important Doctor's appointments or helping our homeless patients with housing needs, MEO, Inc. has always been instrumental in orchestrating and collaborating with MGH to help our community. Please support MEO, Inc in all that they do, for MEO, Inc. provides the people of Molokai with services that empower individuals as well as provide them with Hope.

Mahalo a nui loa,

TESTIMONY

TO: Maui County Council Members
FROM: Matt Yamashita
RE: Funding for Molokai Child Abuse Prevention Pathways (MCAPP)

April 15th 2019

Dear Council Members,

My name is Matt Yamashita. I am a founding board member of Molokai Child Abuse Prevention Pathways (MCAPP) 501(c)3. I am a multi-generation Molokai resident born and raised, father of 3, entrepreneur, and previously served 2 full terms (6 years) as a board member at the Molokai Community Health Center. I know our Molokai community well and I also understand the condition of our people's health and where our greatest needs are.

It is no secret that Molokai experiences a higher than normal rate of substance abuse, domestic abuse, and suicide. Sadly, sexual violence is often the catalyst for these conditions. If we address the long hidden issue of sexual abuse prevalence on Molokai, we can begin to address the source, the very core, of many of the painful issues that so many families suffer from here.

Thanks to the work that MCAPP has done since 2012, we are ahead of the curve in addressing this problem. MCAPP has spent the past 7 years designing and implementing innovative, far reaching school (K-12) and community based prevention programs. These efforts have garnered the support of principals, teachers, police officers, counselors, parents, and clergy. We are teaching youth how to recognize and report sexual abuse, how to talk about it and who to talk about it with, and also how to express feelings and desires in healthy and appropriate ways, so that they do not perpetuate unhealthy patterns.

In 2018 we were awarded Maui County funding to help bolster our programs in 2019. Maui County's support is being used to enhance and continue our vital work in 2019. Our board and staff has been working overtime to pursue grants and other sources of funding and we have been successful. However, we will need Maui County's ongoing support to ensure the seamless continuation and expansion of our efforts in 2020.

Our organization deserves County funding because it has far reaching impacts on the health of our community. Our staff works directly with MPD in addressing and curbing incidences of sexual violence. They also work hand in hand with other social service providers. We go above and beyond our classroom-based prevention work by integrating our support/presence into

(Molokai)
RECEIVED AT EOB MEETING ON 4/15/19
Ehulani Kane

every layer of the system that exists to prevent, address, and treat sexual violence and related outcomes. We are creating an entirely unique, community-driven model of addressing a longstanding problem that lies at the root of so much imbalance and discord within our island communities. This model is one that can be replicated throughout Maui County and the state. And we do all of this in a streamlined, economical manner that maximizes available resources thanks to our small team of incredibly resourceful and dedicated staff.

I urge you to please keep MCAPP in the County budget for 2020. Without the County's support we will very likely have to downsize our services when, in fact, we need to be expanding them.

If you have not already done so, please watch this short video highlighting our organization, programs, partners, and vision:

<https://vimeo.com/226529872>

RECEIVED AT (Molokai) EOB MEETING ON 4/15/14

Val Dudoit

To: Maui County Council Budget Committee

From: U'ilani Kiaha, Program Coordinator, Molokai Child Abuse Prevention Pathways (MCAPP)

Date: April 15, 2019

Re: Funding to prevent sexual abuse on Molokai

Mahalo Council members for your time and ensuring the voice of the Molokai community is heard through this meeting. My name is U'ilani Kiaha and I am the Program Coordinator of Molokai Child Abuse Prevention Pathways (MCAPP). Paula Morelli (the founding MCAPP executive director, now a board member of MCAPP, and currently the Hawaii Program Director for the Consuelo Foundation, in Honolulu, Hawaii.) stated,

"In 2009, Consuelo Foundation conducted statewide research that determined that childhood sexual violence has intergenerationally undermined the wellbeing of its diverse citizens including the host culture Native Hawaiians. Over the last 6 years, the Consuelo Foundation invested in establishing MCAPP to secure the wellbeing of future generations with prevention education in order to establish and sustain a culture of safety on Molokai."

Our mission is to keep children safe and support 'ohana wellbeing by preventing sexual abuse, envisioning a Molokai where happy, healthy, children and families is everyone's kuleana. I have come into an organization who has worked with the schools and the community to prevent sexual violence through education. Kevin "Kealoha" Hooper and Andrea "Titi" Hernandez and other workers from the molokai community which includes practicum students from the UH Manoa Distance Learning under Myron B. Thompson School of Social Work worked hard to help MCAPP create and provide safety. As they have laid a foundation of sexual violence prevention education on Molokai, I am able to continue the work in the schools and with the new Lamaku Mentorship Program. Since becoming part of this team, I have seen a change with the middle school students I work with. They are understanding and can see how the protective skills they are learning can help themselves, help their peers, help their families, and their community. We are currently doing an awareness week (like a spirit week) where the students in Lamaku encourage their peers to be aware of sexual violence and themes on creating a culture of safety. Today's theme is, "It's never a victim's fault." Teaching students if sexual violence happens to them it's no their fault and if it happens to a friend, helping that friend know that it's not their fault and that you believe them create a culture of safety.

Now with a dedicated and creative team, MCAPP is a passionate and committed organization striving for big impact with limited resources. Financial support from Maui County is critical to ensuring that this important work continues. Mahalo for your support for protecting our keiki, to ensure we have strong families and a strong future.

Aloha, I am 'Olakaonalani Hoopii-Gutierras. I first started MCAPP during the first semester of both school years. I learned many new things about keeping myself and what to do if that type of thing happens to me also to help others and the meanings of what happens.

I loved seeing Auntie Titi when she came. She taught me many things, encouraged, and talked to me whenever I needed to talk. MCAPP is very supportive.

They also made me better and feel safer in the situations I was going through. I love MCAPP and always. I was inspired to help and continue learning for others also.

April 15, 2019

First, we the sisters of Hula Hālau O Molokai would like to thank the County for an OED grant we received for FYE 2019 and plan to apply for an OED grant for FYE 2020. We support the OED grants and CPEP awards. They help local businesses to grow and encourages new businesses. Growth in business also presents the opportunity for more jobs to the local residents, which is good for our island economy. These grants also help with groups interested in preserving the arts and culture and giving the community exposure to these important values.

We are interested in applying for one of these grants for the next fiscal year. For the past 28 years Hula Hālau O Molokai collaborated in conjunction with Hālau Hula O Kukunaokalā to host the Molokai Ka Hula Piko Festival. It was founded by the beloved, late kumu hula, John Kaimikaua. His vision for Molokai was to strengthen the community and families culturally, spiritually, and economically, through the hula and chant traditions of Molokai. The Molokai Ka Hula Piko Festival is a three day event, free to all visitors and participants. We truly believe in keeping this event free and open to all, so that we can carry on the traditions of our kūpuna and this is where the OED grant plays a significant part of the celebration. It is through the good gracious of the OED that helps us to continue the tradition. The event begins with on-site visits of cultural and historical significance, lectures on the annual theme, local entertainment, Molokai craft and food vendors, and concluding with a traditional festival of hula. This past year there was well over 1,200 people in attendance.

Dear Council Members,

My name is Whitnelle Phifer and I currently a practicum student here at the Molokai Child Abuse Prevention Pathways (MCAPP) 501(c)3. Before being a practicum student here at MCAPP, I was formally introduced this organization by my brother Kealoha Hooper, who was once the program coordinator that helped with the start up this organization. I decided to become a practicum student at MCAPP, because I too believe in the cause just like my brother, we believed that sexual violence prevention education is vital here on the island, our home Molokai.

I do not only testify as a practicum student but as a mother of three beautiful children. A fact that stands out in my mind is 1 out of 4 female and 1 out of 6 male will be sexually assaulted before the age of 18. Although those numbers are on a national level, it is very disturbing. That means that someones sister, brother, cousin, daughter, son, niece or nephew, will have to endure the long lasting effects of sexual violence. I ask you to kindly put yourself or a loved one in that situation, I cannot bear thinking that one of my children being affected by this. It gives me a sense of comfort and ease that my children and the children of Molokai are being educated about sexual violence. By continuing to fund this program, our keiki and community will be given the necessary tools, to not fall prey against predators. MCAPP teaches the children that "It

(Molokai)
RECEIVED AT EDB MEETING ON 4/15/19
Ehulani Kane

is never a victim fault" no matter the situation. It gives the children the opportunity to help others and know the resources on Molokai. MCAPP not only teaches them about sexual violence/abuse it teaches them about themselves and strengthening their self confidence. We teach them that "if you know who you are, you know where you're going" and that makes you a harder target to predators.

Sexual Violence is very real, and unfortunately it does happen on Molokai. It is no longer stranger-danger, because an estimated 80% of victims know who there perpetrator is. As a small community we need to "Maka'ala" everyone's children, because it is all of our "Kuleana" to make sure the future generation is safe by continuing to support Molokai Child Abuse Prevention Pathways.

Mahalo Nui,

Whitnelle Phifer

O Hina I Ka Malama

Molokai Child Abuse Prevention Pathways

(A.K.A MCHAPP)

ALTHOUGH my name is Dhi'aku Ritte Camara Tangonan and is in the 7th grade of O'ohina I Ka Malama. I also enjoyed learning about MCHAPP now this helps people around Hawaii nei stop being bullied, thinking about killing themselves, cyber bullying and much more. The instructor of MCHAPP is Titi-Adalmo and Wilani Kiana and is very helpful, graceful, patience, and trustworthy.

Everything I have learned from MCHAPP. I treasure within my knowledge and thoughts. Aunty Wilani & Titi thought us so ~~much~~ about how many people dose suicide in Hawaii from Middle school and to ~~high~~ High school. It is a great opportunity for us youth children to learn how, where to call if anything is bad. I joined a program called "LAMAKU" and they teach us about Prevention pathways.

US Hawaiian's learning about youth ~~to~~ child Abuse Prevention pathways is a really ~~big~~ great privilege for us to learn before our feature. MCHAPP comes in every Tuesday and teaches us different things every time they come to teach us!! Once again I am very, very, very thank ful for everything and everyone who helped me through out my ola ana and giving me knowledge.

Sincerely, Dhi'aku R.C.T

RE: Budget

Dear Committee members,

Thank you for coming to Molokai. I want to support Mayor Victorino's campaign promise to "Keep what we have." I request Maui county to keep current levels of services to Molokai residents within the current budget.

I thank you for **not** increasing the minimum property taxes. Maui County has increased the minimum property tax in previous years dramatically as I testified to last year. I oppose any increase in the budget, minimum property tax, and county fees. The County of Maui already has increased the property taxes and many service fees in 2017 and 2018. Enough. Maui County should keep expenses within the moneys collected.

I support continued health and safety services such as police, fire, and ambulance and I oppose any reduction of these service to increase other budget items. There has been an increase of negative activities and these services are needed to keep this community safe.

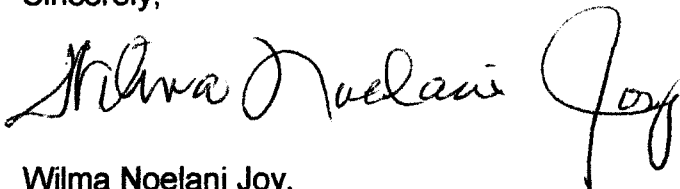

I support the continued public works effort at mowing the side of the roads. It promotes clear vision of county roads. We can see oncoming cars in both directions.

Maui County has increased the refuse pick up fees. Since I'm paying more for the same service, I support the refuse collection. The boys do a good job.

I strongly support park and recreation. The Kualapuu Recreation park is well maintained. We have ukulele and guitar lesson there and it has always been clean with grounds well kept. Mahalo much to the park and recreation ukulele program and the instructor, Kaleo Bishaw.

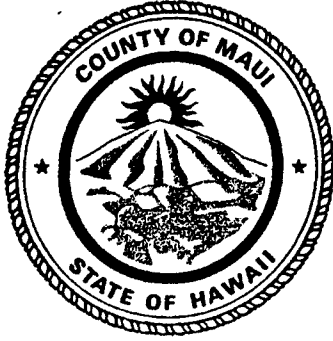

Thank you for your kind attention and I ask your sincere consideration for my requests.

Sincerely,

Wilma Noelani Joy.

To: Zhantell K. Lindo
Subject: Written testimony for - Maui County Council Budget meeting on Molokai

Aloha Zhan,

I'm on Maui and will not be able to attend tonight's meeting.

Here is my written testimony:

Aloha honorable committee members,

I am asking for fair taxes on vacation rentals.

I propose the same tax classification as B&Bs.

I am a resident of Molokai, and I own and operate a vacation rental from my family home in Pukoo.

I provide alternative housing for visiting families, who want to stay in a home, rather than a hotel.

I have personal contact with each visitor(s) who comes to my home.

When I travel, I stay at vacation rentals to help support small local businesses.

I consider vacation rentals a valuable alternative for both kama'aina and malihini.

Mahalo for your consideration,

Zelie K Duvauchelle

Molokai Art Center

Oniakū Ritte-Camara-Tangonan

April, 15, 2019

'O Hina i Ka Malama

ALOHA my name is Oniakū Ritte-Camara-Tangonan and is in the 7th grade of 'O Hina i Ka Malama. I ENJOYED making different types of art and I have started since the beginning of 7th grade and is a great opportunity for us to get out of class and get our hands dirty. We love the instructor who works there because she is so nice and very help ful and patience with us. I'm very happy that I'm involved with M.A.C.

(Submitted by Tokuni Kuoha)

We all go to Molokai Art Center every Wednesday after our 4th period and every time the bell rings I come running to class ready to go. M.A.C is a very special place to me because ART runs in my family from my Mother Kalae Tangonan. We all know that M.A.C is a very good place to relax and focus more on my work back in school and having fun.

(Molokai)

RECEIVED AT EDB MEETING ON 4/15/19
Oniakū Ritte-Camara-Tangonan

My teacher Kumi Tokuni Kuoha is the best teacher who puts her things on the side for us and gives us opportunities like M.A.C to help us focus for school work. I just love how we are students who get this opportunity and learn more and more every step we go. I am truly thankful for every one who made this possible for me.
Sincerely, Oniakū Ritte
