Dear Chair King:

**SUBJECT: WAILUKU PARKSIDE SUBDIVISION, PHASE I AND PHASE II
TAX MAP KEY NO.: (2) 3-4-046:019, 020, & 021
(2) 3-4-047:065
(2) 3-4-048:042**

Transmitted herewith for your review and approval is the proposed resolution entitled, "ACCEPTING DEDICATION OF ROADWAY LOTS FOR THE WAILUKU PARKSIDE SUBDIVISION, PHASE I AND PHASE II SITUATED IN WAILUKU, MAUI, HAWAII, PURSUANT TO SECTION 3.44.015, MAUI COUNTY CODE." The purpose of the proposed resolution is to accept Roadway Lots 19, 20, 21, 105, 106, 107, 108, 109, and 110 for public purposes.

The subdivision was granted final approval on July 17, 2000. The roadways are close to being in standard condition for acceptance, however, not completely in standard condition.

As the roadway lots are not to County standards, the Council has the authority to accept or not accept the roadways as per Maui County Code, Section 18.40.010 – Acceptance Guidelines.

Honorable Kelly T. King, Council Chair
And Members of Maui County Council

After Wailuku Parkside was built, the subdivision's roadways were never considered for acceptance because Eha Street had not been accepted, which is the only access to these road lots. Eha Street was accepted by the Council a few years ago and improvements have been made to Eha Street since then. In the years that have passed, roadway standards have changed, and normal wear and tear on the subdivision roadways has occurred. The Wailuku Parkside Homeowners Association (HOA) over the last couple of years has repaired numerous encroachments into the right of way and had utility boxes fixed.

Items that would need to be eventually repaired include adding some curb ramps, adding detectable mats at existing curb ramps, replacing road striping and signage, and doing pavement preservation to the existing pavement. To facilitate this work, the HOA is desiring to pay the County of Maui \$150,000 of funds it has collected over the years for roadway improvements.

Other unknown costs include future drainage pipe repairs and sidewalk repairs (as with any subdivision). The drainage repairs (if and when needed) are beyond the scope the HOA can handle financially, and they feel the roads should have been County roads from the beginning, if not for the Eha Street dedication problem that was out of their hands.

We believe it is in the public interest to accept dedication of the roadways and related easements for the following reasons:

1. The HOA donation of \$150,000 generally covers the costs of the needed near term improvements and added street light costs.
2. There are regional drainage and sewer lines that cross through the property that serve the public beyond the Wailuku Parkside residents.
3. The HOA maintains a private park open to the public.
4. The cul-de-sac road lots along the Wailuku River provide access to the County's flood control for maintenance purposes.

The Department of Public Works reviewed the document and found it to be satisfactory. The document has also been reviewed and approved by the Department of the Corporation Counsel.

I respectfully request that this matter be referred to the appropriate Council committee for review and discussion.
